1 Summary of significant accounting policies

The principal accounting policies adopted in the preparation of these condensed interim financial statements are set out below. These policies have been consistently applied to all the periods presented, unless otherwise stated. The interim financial statements are for the entity Watermark Market Neutral Fund Limited.

(a) Basis of preparation of half-year report

These interim financial statements for the half-year reporting period ended 31 December 2017 have been prepared in accordance with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. Compliance with AASB 134 by a for-profit entity ensures compliance with International Financial Reporting Standards IAS 34 *Interim Financial Reporting*.

The Company is a for-profit entity for financial reporting purposes under Australian Accounting Standard.

These interim financial statements do not include all the notes of the type normally included in an annual financial report. Accordingly, this report is to be read in conjunction with the annual report for the year ended 30 June 2017 and any public announcements made by Watermark Market Neutral Fund Limited during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The interim financial statements have been prepared on an accrual basis, and are based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

The interim financial statements were authorised for issue by the Board of Directors on 27 February 2018.

(i) New and amended standards adopted by the Company

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period.

In accordance with ASIC Corporations (Rounding in Financial/Directors' Report) Instrument 2016-191, the amounts in the Directors' Report and in the Financial Report have been rounded to the nearest dollar, unless otherwise specified.

2 Fair value measurements

This note provides an update on the judgements and estimates made by the Company in determining the fair values of the financial instruments since the last annual financial report.

The Company measures and recognises the following assets and liabilities at fair value on a recurring basis:

• Financial assets and financial liabilities at fair value through profit or loss (FVTPL)

(a) Fair value hierarchy

AASB 13 requires disclosure of fair value measurements by level of the following fair value measurement hierarchy (consistent with the hierarchy applied to financial assets and financial liabilities):

- (a) quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- (b) inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2) and;
- (c) inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

2 Fair value measurements (continued)

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Watermark Market Neutral Fund Limited ("the company"), which comprises the statement of financial position as at 31 December 2017, statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, a statement of significant accounting policies, other selected explanatory notes and the directors' declaration of the company.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: "Review of a Financial Report Performed by the Independent Auditor of the Entity", in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporation Act 2001 including: giving a true and fair view of the Company's financial position as at 31 December 2017 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: "Interim Financial Reporting" and the Corporations Regulations 2001. A review of the half-year financial report consists of making enquiries, primarily of persons responsible for the financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
