Correction to the Pureprofile H1 FY18 Investor Presentation

Pureprofile Limited wishes to advise a correction to the H1 FY18 Investor Presentation (**Presentation**) released this morning.

In Slide 12 of the Presentation (Cash Flow), the 'Net working capital movement' for 1H18 should be '3.2' instead of '1.5'. There is no further impact to the results.

A revised Presentation will be released to reflect this change shortly.
