Forward Looking Statements

All statements other than statements of historical fact including, without limitation, statements regarding projections, plans and objectives of IOT Group, are forward-looking statements. When used in this announcement, forward-looking statements can be identified by words such as ‘anticipate’, “believe”, “could”, “estimate”, “expect”, “future”, “intend”, “may”, “opportunity”, “plan”, “in principle”, “potential”, “project”, “seek”, “will” and other similar words that involve risks and uncertainties.

These statements are based on an assessment of present economic and operating conditions, and on a number of assumptions regarding future events and actions that are expected to take place.

Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties, assumptions and other important factors, many of which are beyond the control of the Company, its directors and management of IOT Group that could cause IOT Group’s actual results to differ materially from the results expressed or anticipated in these statements.

The Company cannot and does not give any assurance that the results, performance or achievements expressed or implied by these forward-looking statements will actually occur and investors are cautioned not to place any reliance on these forward-looking statements.

IOT Group does not undertake to update or revise forward-looking statements, or to publish prospective financial information in the future, regardless of whether new information, future events or any other factors affect the information contained above, except where required by applicable law and securities exchange listing requirements.
