ASX Announcement

Scentre Group (ASX: SCG)

9 March 2018

Scentre Group (ASX: SCG)

Credit Rating

As announced on 13 December 2017, following a review of Moody's Investors Service (Moody's) guidelines, Scentre Group moved to managing its financial ratios consistently with what the Group understood to be required for a Moody's "A2" long term rating.

Scentre Group notes the decision of Moody's Investors Service to lower the long term rating it assigns Scentre Group from "A1" (review for possible downgrade) to "A2" (stable).

As previously announced, the Group believes that debt capital market investors consider a Moody's "A2" long term rating to be equivalent to the Group's existing "A" long term rating from Standard & Poor's Ratings Services. Scentre Group considers that the move to a Moody's "A2" rating will have no adverse impact on its cost of funds.
