Big Un Limited

Big Un Limited (ASX: BIG, or 'the Company') refers to reports in the media concerning the criminal record of Mr Richard Evertz.

The Company announced on 8 March 2018 that Mr Richard Evertz, the CEO does not have a criminal record.

The Company relied on a National Police Check performed in November of 2014 prior to the reverse listing in respect of the period prior to that time, and upon a statement of Mr Richard Evertz for the period subsequent to that time, in making this statement. The National Police Check indicated that there were no "disclosable court outcomes" or outstanding matters in relation to Mr Richard Simon Evertz.

At all times the Company was aware of the offences in the media reports but formed the view that at all relevant times they were spent convictions that did not require disclosure. Accordingly, on 8 March 2018, the Company indicated "*all relevant disclosures were made to the market in the prospectus published by the Company as part of its re-compliance listing in 2014.*"
