ASX RELEASE

20th MARCH 2018

ZOONO, THROUGH IT'S PARTNER, SUPPLIES COMMONWEALTH GAMES ATHLETES

Zoono Group Limited (ASX:ZNO) is pleased to advise that Clear Facilities, Zoono's service partner that specialises in the application and supply of Zoono products and services, will be supplying the New Zealand Commonwealth Games Team with Zoono's products including the 24 hour hand sanitiser, surface and the textile products. A team from Clear Facilities is fogging the NZ team's accommodation on the Gold Coast with Zoono Microbe Shield, creating germfree environments and protecting the athletes.

This follows on from similar products and services that were provided at the recent Rio Olympic Games and the Winter Games in Korea where, despite Norovirus outbreaks in the village, no NZ athletes were affected.

Zoono and Clear Facilities continue to work with the Commonwealth and Olympic organisations protecting the environments athletes stay in and the athletes themselves.

For further Information please contact:

About Zoono:

Zoono specialises in the development, manufacture and global distribution of a suite of proven, long lasting and environmentally friendly antimicrobial solutions. It has developed products, including aerosol-based sprays, suited for skin care, surface sanitisers, treatment of acne and mould remediation. The products are based around the "Zoono Molecule"; a unique, antimicrobial molecule that bonds to any surface and kills pathogens including bacteria, viruses, algae, fungi and mould. It has proven efficacy, longevity and, importantly, it does not leach. Zoono products are currently sold in many countries.
