Name of entity

Sundance Energy Australia Limited (**Sundance**)

ABN

We (the entity) give ASX the following information.

### Part 1 - All issues

*You must complete the relevant sections (attach sheets if there is not enough space).*

- |   |   |   |
|---|---|---|
| 1 | +Class of +securities issued or to be issued  | Fully paid ordinary shares ( <b>Shares</b> ).   |
| 2 | Number of +securities issued or to be issued (if known) or maximum number which may be issued | <p>(a) 674,204,944 Shares will be issued pursuant to the institutional component of the fully underwritten* pro rata accelerated non-renounceable entitlement offer, as detailed in the ASX announcement dated 15 March 2018 (<b>Entitlement Offer</b>). Approximately 579,044,584 Shares are expected to be issued under the retail component of the Entitlement Offer, subject to reconciliation of shareholder entitlements and rounding.</p> <p>(b) 370,697,000 Shares pursuant to the institutional placement, as detailed in the ASX announcement dated 15 March 2018 (<b>Placement</b>).</p> |

\* The underwriting agreement entered into between Sundance and the underwriters dated 15 March 2018 includes a clause which limits the obligations of an underwriter to subscribe for shares to the extent that, in doing so, it would have voting power in excess of 20% and so breach section 606 of the Corporations Act 2001 (Cth) (Act). The clause provides that the relevant underwriter must subscribe for those shares when it is able to do so without breaching section 606 of the Act. The operation of the clause does not impact that underwriter's obligation to pay an amount equal to any shortfall on the relevant settlement date, such that Sundance has certainty of funds in accordance with the offer timetable. Given successful completion of the institutional component of the Entitlement Offer, neither underwriter will need to rely on this clause on the issue date under the retail component of the Entitlement Offer.
