# Meridian completes purchase of GSP Energy Pty Ltd

29 March 2018

Meridian Energy through its subsidiary Meridian Energy Australia Pty Ltd has completed the purchase of GSP Energy Pty Ltd which operates three hydro power stations, the Hume, Burrinjuck and the Keepit Power Stations (formally the Green State Power hydro assets), located in Australia.

Meridian's Chief Executive Neal Barclay says, "Meridian is pleased to have completed this purchase, enabling us to continue to support the growth of our retail business through Australian renewable generation".
