1.5 Establish a diversity policy and disclose the policy or a summary of that policy. The policy should include requirements for the Board to establish measurable objectives for achieving gender diversity and for the Board to assess annually both the objectives and progress in achieving them, for reporting against in each reporting period.	The Board has not adopted a formal diversity policy. However, the Board Charter provides that the Board should comprise people with a mix of skills and diversity of backgrounds to enable the Board to discharge its duties effectively. It is the Board's intention to continue to consider matters of diversity in the course of its recruitment and retention on the basis of merit. Although this is a departure from recommendation 1.5, the Board considers it appropriate given the current size of the Company. The Board does not believe this departure will be detrimental to the Company or its Shareholders.	Does not comply
1.6 Have a process for periodically evaluating the performance of the Board, its committees and individual directors, disclose that process at the end of each reporting period, whether such performance evaluation was undertaken in that period.
