

## Indoor Skydive Australia Group Limited ACN 154 103 607

ASX/Media Release  
Sydney, Australia – 19 April 2018

### Frequent iFLYER Club reaches 3,000 members

Indoor Skydive Australia Group Limited (ASX:IDZ) (ISA Group) is pleased to announce that it's Frequent Flyer program has now surpassed 3,000 members nationwide.

The Frequent iFLYER program is a unique loyalty program developed by ISA Group to promote loyalty across its Australian operations. To be a member a minimum of 60 minutes of tunnel time must have been flown during the membership year. The milestone of 3,000 members has been reached in just over 12 months since its inception. To celebrate this achievement a special offer sale of tunnel time was conducted to its members on 17 April 2018.

The positive response to the sale was fantastic with over 360 hours of tunnel time sold within the first 15 minutes. The sale was marketed to our Frequent iFLYER and Founders Club members as a recognition of their continued support of ISA Group and indoor skydiving in Australia. The sale exceeded expectations totaling more than \$420,000 during the limited period.

"This milestone reflects the development of the sport of indoor skydiving in Australia. The Frequent iFLYERS continue to show their loyalty and commitment to our products. The timing of the sale will enable our sport flyers valuable training time in the lead up to the national championships to be held in August." said Wayne Jones, ISA Group CEO.
