## EXPLANATORY STATEMENT

This Explanatory Statement is intended to provide shareholders of Australian Bauxite Limited (**the Company**) with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of Annual General Meeting of the Company.

The Directors recommend that shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

If you have any queries regarding the matters set out in this Explanatory Statement or the preceding Notice please contact the Company or your professional advisor.

### 1. Financial Statements and Reports

*The Corporations Act 2001* (Cth) requires the Financial Report, Directors' Report and Auditor's Report for the past financial year to be tabled before the Annual General Meeting, and the Company's Constitution provides for such reports to be received and considered at that meeting. Neither the *Corporations Act 2001* (Cth) nor the Company's Constitution requires a vote of shareholders at the Annual General Meeting on such Reports. The Annual General Meeting provides a forum for shareholders to ask questions and make comments on the Company's reports and accounts and on the business and operations of the Company for the year ended 31 December 2017.

In addition, shareholders may, at the meeting, ask questions of the auditor in relation to the following matters:

- the conduct of the audit;
- the content of the auditor's report;
- the accounting policies adopted by the Company for the preparation of the financial statements; and
- the auditor's independence in relation to the above items.

Shareholders may view the Company's Annual Financial Report on the Company's website [www.australianbauxite.com.au/investors](http://www.australianbauxite.com.au/investors)

### 2. Resolution 1: Remuneration Report

#### Resolution 1 – Adoption of Directors' Remuneration Report

In accordance with Section 250R(2) of the *Corporations Act 2001* (Cth) a resolution that the Remuneration Report be adopted must be put to a vote at the Company's Annual General Meeting. The vote on this resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's 2017 Annual Report and is also available from the Company's website <http://www.australianbauxite.com.au/Media.htm>.

The Remuneration Report:

- describes the policies behind, and the structure of, the remuneration arrangements of the Company and the link between the remuneration of executives and the Company's performance;
- sets out the remuneration arrangements in place for each director and for certain members of the senior management team; and
- explains the difference between the bases for remunerating non-executive directors and senior executives, including the Chief Executive Officer.

If the Company's Remuneration Report resolution receives 'NO' votes of 25% or more of the votes cast at the meeting, the Company's subsequent remuneration report will include a report on actions taken by the Board in the Company's next annual report.

The Board will take the outcome of the vote, even if it received a less than 25% 'NO' vote into consideration when reviewing the Company's remuneration policy. A 'NO' vote of 25% or more **was not** received at the Company's 2017 Annual General Meeting.

### 3. Resolution 2: Election of Directors

#### Resolution 2 – Election of Mr Paul Lennon as a Director

Mr Paul Lennon retires in accordance with Article 49.1.3 of the Company's Constitution, which provides that one third of the directors automatically retire at the end of each Annual General Meeting of the Company.

Mr Lennon was appointed as a non-executive director of the company on 28 November 2014. Being eligible, Mr Lennon offers himself for re-election.

#### 4. Resolutions 3 and 4: Ratification of Previous Share Issues

Resolutions 3 and 4 seek shareholder ratification of two separate share issues conducted in November 2017 and March 2018.

Subject to certain exceptions, ASX Listing Rule 7.1 restricts a company from issuing or agreeing to issue equity securities in any 12 months period which amount to more than 15% of the Company's ordinary securities on issue at the commencement of that period without shareholder approval.

ASX Listing Rule 7.4 permits the ratification of previous issues of securities made without prior shareholder approval provided the issue did not breach the 15% threshold in ASX Listing Rule 7.1. If subsequent approval for the issue is provided by shareholders, it will "refresh" the Company's ability to issue shares up to the 15% limit without the need for shareholder approval.

The Company seeks shareholder ratification of the issue of shares under the two share issues so that the Company will have flexibility to issue further securities should the need or opportunity arise.

In accordance with the requirements of ASX Listing Rule 7.5, the following information is provided to shareholders to allow them to assess Resolution 3:

- a) A total number of 1,704,520 shares were allotted and issued.
- b) The shares were issued at an issue price of \$0.14758 per share.
- c) The shares were issued to:
  - a. Refined Ore Industries Limited as part consideration for entering into a Heads of Agreement with ABx for the Alcore project announced on 13 November 2017
  - b. Landroe Pty Ltd as remuneration for consultancy services provided to ABx
  - c. Paul Glover as remuneration for his services to ABx
- d) The shares were issued for cash consideration.
- e) The shares issued were fully paid ordinary shares and rank equally in all respects with the existing fully paid ordinary shares on issue.
- f) The shares issued were used to satisfy ABx's requirements under the Heads of Agreement and to remunerate employees and consultants.
- g) The securities were issued on 21 November 2017.
- h) A Voting Exclusion Statement has been included for the purpose Resolution 3.

In accordance with the requirements of ASX Listing Rule 7.5, the following information is provided to shareholders to allow them to assess Resolution 4:

- a) A total number of 783,974 shares were allotted and issued.
- b) The shares were issued at an issue price of \$0.1148 per share.
- c) The shares were issued to:
  - i. Landroe Pty Ltd as remuneration for consultancy services provided to ABx
  - ii. Greg Melick as remuneration for his services to ABx
- d) The shares were issued for cash consideration.
- e) The shares issued were fully paid ordinary shares and rank equally in all respects with the existing fully paid ordinary shares on issue.
- f) The shares issued were used to remunerate consultants.
- g) The securities were issued on 5 March 2018.
- h) A Voting Exclusion Statement has been included for the purpose of Resolution 4:

#### 5. Resolutions 5 and 6: Issue of Securities to Directors

##### Background

The Company is of the belief that its remuneration policies should align the interests of Australian Bauxite Limited Shareholders with that of Directors to promote the long-term growth and prosperity of the business.

##### Regulatory Framework

###### Chapter 2E

Chapter 2E of the Corporations Act requires that for a public company to give a financial benefit to a related party, the public company must obtain the approval of members in the manner set out in Sections 217 to 227 of the Corporations Act and give the benefit within 15 months following such approval unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

Directors rely on s211 of the Corporations Act and confirm that the grant of securities contemplated by Resolutions 3 and 4 is reasonable remuneration for services rendered as Directors by Paul Lennon and Ken Boundy. As a result, shareholder approval for these resolutions is not sought under Chapter 2E.

### **ASX Listing Rules 10.11**

In addition, ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues or agrees to issue securities to a related party or a person whose relationship with the entity or a related party is in ASX's opinion such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

### **ASX Listing Rules 7.1**

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Shares to the related parties as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of the Shares to the related parties will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

### **s195(4) Directors Restrictions on Voting**

As two of the three Directors have a material personal interest in the issue of the Shares, the Company seeks approval under section 195 of the Corporations Act so that the Shareholders may pass a resolution to deal with this matter.

The following information is provided in accordance with ASX Listing Rule 10.11 and section 219 of the Corporations Act:

- The following person will be given securities under Resolutions 5 and 6 respectively:
  - Paul Lennon (and/or their nominee) – 535,236 Fully Paid Ordinary Shares
  - Ken Boundy (and/or their nominee) – 773,122 Fully Paid Ordinary Shares
- All securities to be issued under Resolutions 5 and 6 will be issued within one month of shareholder approval.
- The persons receiving securities per Resolutions 5 and 6 are Directors of the company.
- A voting exclusion statement has been included for the purposes of Resolutions 5 and 6.
- The relevant interests of the related parties in securities of the Company following the passing of Resolution 3 and 4 is outlined below.
- No funds will be raised from the issue of Shares in Resolutions 5 and 6. The securities to be issued to the Directors are being issued in lieu of cash remuneration.

### **Reasons for Issue of Securities to Directors**

In order to preserve cash reserves, the Company is seeking approval to issue shares to Ken Boundy and Paul Lennon (and/or their nominees) in lieu of cash remuneration for their services as directors of the Company. The Directors believe that this form of remuneration is beneficial to the Company's operation and is reasonable given the Company's position.

The value of the shares has been based on the Volume Weighted Average Price (VWAP) of the Company's Shares for the 14-day period from 2 April 2018 to 16 April 2018 being \$0.1121 per share.

Mr Lennon is owed \$60,000 in cash remuneration from 1 July 2017 to 31 March 2018. As a result, the number of shares to be received by Mr Lennon subject to Resolution 5 is 535,236 shares (rounded down).

Mr Boundy is owed \$86,666 in cash remuneration for the period from 1 May 2016 to 31 March 2018. As a result, the number of shares to be received by Mr Boundy subject to Resolution 4 is 773,122 shares (rounded down).

## Effect of Issue of Securities on Interests of Directors

Effect of Issue of Shares on Interests of Related Parties		
	Paul Lennon	Ken Boundy
Current	1,873,318	606,007
Resolution 5	535,236	-

## 6. Additional Placement Capacity

### Resolution 7 – Additional 10% Placement Capacity

The Company previously obtained the same approval under ASX Listing Rule 7.1A at the previous AGM and **did not use the 10% Placement Facility**. This special resolution is put to members so that the Company retains a high level of capital raising flexibility to meet significant opportunity.

ASX Listing Rule 7.1 prohibits a listed company from issuing equity securities representing more than 15% of its issued capital in any twelve-month period without obtaining shareholder approval (subject to certain exceptions).

However, under ASX Listing Rule 7.1A, a company can seek shareholder approval to allow up to an additional 10% capacity to issue the same class as existing quoted class of securities over a twelve month period after an annual general meeting.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue equity securities under the 10% Placement Facility. A special resolution requires at least 75% of the share voting.

If Resolution 7 is approved as a special resolution then the Company, within 12 months after shareholder approval, may issue an additional 10% equity securities calculated in accordance with the formula in ASX Listing Rule 7.1A.2 which is as follows:

$$(A \times D) - E$$

#### Where

- A = the number of fully paid ordinary shares on issue 12 months before the date of issue or agreement to issue:
- plus the number fully paid ordinary shares issued in the last 12 months under an exception to ASX Listing Rule 7.2;
  - plus the number of partly paid ordinary shares that became fully paid within the last 12 months;
  - plus the number of fully paid ordinary shares issued in the 12 months with approval of holders of shares under ASX Listing Rule 7.1 and 7.4 (this does not include an issue of fully paid shares under the equity's 15% capacity without shareholder approval);
  - less the number of fully paid ordinary shares cancelled in the 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D = 10%

E = the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rule 7.1 or 7.4.

The following information is provided to shareholders for the purposes of obtaining shareholder approval pursuant to ASX Listing Rule 7.3A:

- the minimum price at which equity securities can be issued will be calculated in accordance with ASX Listing Rule 7.1A.3 which states the issue price of each equity security must be no less than 75% of the volume weighted average price for equity securities in that class calculated over the 15 days trading days on which trades in that class were recorded immediately before:
  - the date on which the price at which equity securities are to be issued is agreed; or
  - if the equity securities are not issued within 5 trading days of the date in paragraph (a), the date on which the equity securities are issued.

- b) if Resolution 7 is approved by shareholders and the Company issues equity securities under the 10% Placement Facility, existing shareholders voting power in the Company will be diluted as shown in the table below under point (d). There is a risk that:
- the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of this approval under rule 7.1A; and
  - the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date;
- which may have an effect on the amount of funds raised by the issue of the equity securities.
- c) As at the date of this Notice, the Company would have capacity to issue:
- 21,698,797 (144,658,647 x 15%)** ordinary shares on the basis that Resolutions 3 and 4 are approved pursuant to ASX Listing Rule 7.1; or
  - 14,465,864 (144,658,647 x 10%)** ordinary shares on the basis that Resolution 7 is approved pursuant to ASX Listing Rule 7.1A,
- d) the below table shows examples of possible dilution of existing shareholders, on the basis of the market price of \$0.12 per share on 5 April 2018 and the current number of fully-paid ordinary shares on issue of **144,658,647** as at the date of this Notice pursuant to the definition of variable "A" under ASX Listing Rule 7.1A;

Variable A as per ASX Listing Rule 7.1A2		Dilution		
		\$0.06 50% decrease in issue price	\$0.12 issue price	\$0.24 100% increase in issue price
<b>Current Variable A</b> 144,658,647 shares	10% Voting Dilution	14,465,865 shares	14,465,865 shares	14,465,865 shares
	Funds Raised	\$867,952	\$1,735,904	\$3,471,808
<b>50% Increase in Current Variable A</b> 216,987,971 shares	10% Voting Dilution	21,698,797 shares	21,698,797 shares	21,698,797 shares
	Funds Raised	\$1,301,928	\$2,603,856	\$5,207,711
<b>100% Increase in Current Variable A</b> 289,317,294 shares	10% Voting Dilution	28,931,729 shares	28,931,729 shares	28,931,729 shares
	Funds Raised	\$1,735,904	\$3,471,807	\$6,943,615

This table has been prepared on the following assumptions:

- All shares have been issued.
  - the Company issues the maximum number of equity securities available under the 10% Placement Facility.
  - the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
  - the table shows only the effect of issues of equity securities under ASX Listing Rule 7.1A, not under the 15% Placement Capacity under ASX Listing Rule 7.1.
- e) shareholder approval of the additional 10% as per ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained. This approval will cease on the earlier to occur of:
- the date that is 12 months after the date of the annual general meeting at which the approval is gained; or
  - the date of the approval by shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2(disposal of main undertaking).
- f) The date by which any equity securities that may be issued by the Company under ASX Listing Rule 7.1A will be no later than 12 months after the date of the annual general meeting
- g) the Company may seek to issue the equity securities for the following purposes:

- non-cash consideration for the acquisition of new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
- cash consideration. As disclosed in recent ASX announcements and reports, the Company is actively pursuing further growth opportunities. Any funds raised using this additional 10% capacity may be used to grow the business and/or additional working capital to fund growth opportunities.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A (4) and 3.10.5A upon issue of any equity securities.

- h) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility.

The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to the factors including, but not limited to, the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- the effect of the issue of the equity securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broker advisers (if applicable).

The allottees under this facility have not been determined as at the date of this notice but may include new or existing shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new assets or investments.

- i) the Company has previously obtained approval under ASX Listing Rule 7.1A at the Company's 2017 AGM. In the preceding 12 months, the Company has issued 2,488,494 fully paid shares being 1.7% of the securities on issue 12 months ago. The 2 issues of securities made without shareholder approval under ASX Listing Rule 7.1 or 7.1A in the preceding 12 months from the date of this Notice were:

- 1,704,520 shares were allotted and issued at an issue price of \$0.14758 per share to:
  - Refined Ore Industries Limited, as part consideration for entering into a Heads of Agreement with ABx for the Alcore project announced on 13 November 2017,
  - Landroe Pty Ltd as remuneration for consultancy services provided to ABx and
  - P Glover as remuneration for his services to ABx

calculated on a 14 day VWAP from 25 October 2017 to 8 November 2017 for cash consideration. The shares issued were fully paid ordinary shares and rank equally in all respects with the existing fully paid ordinary shares on issue. The shares issued were used to satisfy ABx's requirements under the Heads of Agreement and to remunerate employees and consultants. The securities were issued on 21 November 2017.

- 783,974 shares were allotted and issued at an issue price of \$0.1148 per share to:
  - Landroe Pty Ltd as remuneration for consultancy services provided to ABx
  - G Melick as remuneration for his services to ABx

calculated on a 14 day VWAP up to 2 March 2018 for cash consideration. The shares issued were fully paid ordinary shares and rank equally in all respects with the existing fully paid ordinary shares on issue. The shares issued were used to remunerate consultants. The securities were issued on 5 March 2018.

- j) a voting exclusion statement is included in the Notice for the purpose of Resolution 7.

## Voting Information:

### Voting Entitlement at the Annual General Meeting in accordance with Regulation 7.11.37 of the Corporations Regulations 2001.

For the purpose of determining a person's entitlement to vote at the Annual General Meeting, a person will be recognised as a member of the Company and the holder of shares if that person is registered as a holder of those shares at 5.00 pm AEST on 27 May 2018, being within 48 hours of the Annual General Meeting.

### Votes of Members

On a show of hands, each member present in person or by proxy (or, in the case of a body corporate, by a representative) at the Annual General Meeting shall have one vote.

On a poll, every member present in person or by attorney or by proxy (or, in the case of a body corporate, by a representative) shall have one vote for each share held provided that all shares are fully paid.

### Voting

Please note that for a resolution to be passed, except where otherwise indicated, a simple majority of votes from shareholders attending in person or voting by proxy is required.

### Amendments to proxy voting

Shareholders are advised that the Federal government has introduced the *Corporations Amendment (improving Accountability on Director and Executive Remuneration) Act 2011* (Cth) (the **CA Act**), which came into effect on 1 July 2011. The CA Act introduced new prohibitions on Key Management Personnel and their Closely Related Parties from voting their shares (or voting undirected proxies) on, amongst other things, remuneration matters.

However, the chair of a meeting may vote an undirected proxy (ie. a proxy that does not specify how it is to be voted), provided the shareholder who has lodged the proxy has given informed consent, in the form of an express voting direction to the chair to exercise the undirected proxy, even if the resolution is connected with the remuneration of a member of Key Management Personnel (**Informed Consent**).

In light of these legislative requirements, the Company recommends that shareholders consider the following options to ensure the validity of their votes:

- a) that shareholders direct proxies on a remuneration related resolution instead of leaving them undirected; or
- b) that shareholders nominate a proxy who is not a member of Key Management Personnel or any of their Closely Related Parties to vote on a remuneration related resolution; or
