so that it is received not less than 48 hours prior to commencement of the Meeting.

Proxy forms received later than this time will be invalid.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes each proxy may exercise, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all 'directed' proxies as directed; and

- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does:**

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

DATED: 1 May 2018

BY ORDER OF THE BOARD

**PETER DYKES
EXECUTIVE DIRECTOR
CHAPMANS LTD**

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders in connection with the business to be conducted at the Annual General Meeting of Chapmans Ltd to be held at Thomson Geer, Level 25, 1 O'Connell Street Sydney NSW 2000 at 10:00am on 31 May 2018.

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting (of which this Explanatory Statement forms a part).

1. FINANCIAL STATEMENTS AND REPORTS – AGENDA ITEM

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2017 together with the Directors' declaration, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available from the registered office of the Company and an electronic version of the annual financial report is available on the Company's website and ASX Announcement Platform.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is **advisory** only and **does not bind** the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

Under the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the previous financial year) was approved, other than the managing director of the company, will cease to hold office

immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy -

You must direct your proxy how to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member) -

You **do not** need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, ***you must mark the acknowledgement on the Proxy Form to expressly authorise the Chair to exercise his/her discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.***

If you appoint any other person as your proxy -

You **do not** need to direct your proxy how to vote on this Resolution, and you **do not** need to mark any further acknowledgement on the Proxy Form.

3. RESOLUTION 2 – ELECTION OF DIRECTOR - DATO' MUHAMAD ADLAN BIN BERHAN

3.1 General

Clause 12.7(b) of the Company's constitution provides that any person appointed to be a Director, either to fill a casual vacancy or as an addition to the existing Directors, holds office until the conclusion of the next Annual General Meeting but is eligible for election at that Annual General Meeting.

Dato' Muhamad Adlan Bin Berhan, having been appointed by the board as an executive director of the Company on 11 August 2017, retires and seeks re-election to the Board.

3.2 Profile

Dato' Muhamad Adlan bin Berhan has 20 years' experience as a principal investor, owner and operator across a diversified range of industries in India, Dubai, Malaysia, Australia, Singapore and South East Asia. His industry experience stretches across technology manufacturing, agriculture, food processing and distribution, property development and construction.

Dato' Muhamad Adlan bin Berhan brings an extensive network of industrial and investment sector relationships to the Company and has a focus on supporting further

investment for the Company's existing investments as well as developing investment opportunities in Australian and international markets.

3.3 Directors' Recommendation

The Directors (other than Dato' Muhamad Adlan Bin Berhan) recommend that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR - MR CHRISTOPHER NEWPORT

4.1 General

Clause 12.11(a)(i) of the Company's Constitution provides that at each Annual General Meeting, one-third of the Directors or, if their number is not a multiple of three, then the number nearest to but not exceeding one-third of the Directors, for the time being (excluding casual appointees and the Managing Director) must retire from office.

In accordance with clause 12.12(a) of the Company's Constitution, the specific Directors to retire at any Annual General Meeting must be those who have been longest in office since their last election.

Mr Christopher Newport, being the longest serving Director since his last election, retires and seeks re-election to the Board.

4.2 Profile

Chris has over 8 years' experience in the mobile technology sector with a focus on mobile application development and delivery. As a reputable technology entrepreneur Chris has successfully developed a range of mobile media and e-commerce based assets.

4.3 Directors' Recommendation

The Directors (other than Christopher Newport) recommend that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE OF SHARES

5.1 General

As announced on 16 April 2018, the Company issued 198,750,000 Shares pursuant to a placement to professional and sophisticated investors, at an issue price of \$0.008 per Share.

These 198,750,000 Shares were issued pursuant to the Company's capacity under ASX Listing Rule 7.1.

This Resolution seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of those Shares (**Ratification**).

5.2 ASX Listing Rule 7.1 and 7.4

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1)

those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue Equity Securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

5.3 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the Ratification:

- (a) 198,750,000 Shares were issued pursuant to ASX Listing Rule 7.1;
- (b) the issue price was \$0.008 per Share;
- (c) the Shares were issued to 85 professional and sophisticated investors, none of whom are related parties of the Company;
- (d) the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares; and
- (e) funds raised have been used to fund part of the Company's AUD\$2.55 million investment in GPU.One Holding Inc. as announced on 16 April 2018 (**GPU.One Investment**).

5.4 Directors' Recommendation

The Directors recommend that Shareholders vote in favour of Resolution 4.

6. RESOLUTION 5 – PLACEMENT OF SHARES

6.1 General

Resolution 5 seeks Shareholder approval for the issue of that number of Shares which, when multiplied by the issue price, will raise up to \$2,500,000 (**Placement**).

A summary of ASX Listing Rule 7.1 is set out in relation to Resolution 4 above.

The effect of Resolution 5 will be to allow the Company to issue the Shares pursuant to the Placement during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% placement capacity.

6.2 Technical information required by ASX Listing Rule 7.3

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to the Placement:

- (a) the maximum number of Shares to be issued is up to that number of Shares which, when multiplied by the issue price, equals \$2,500,000;
- (b) the Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Shares will occur progressively;
- (c) the issue price will be not less than 80% of the volume weighted average market price for Shares calculated over the 5 days on which sales in the Shares were recorded before the date on which the issue is made or, if there is a prospectus relating to the Placement, over the last 5 days on which sales in the securities

were recorded before the date the prospectus is signed, in accordance with ASX Listing Rule 7.3.3;

- (d) the persons to whom, the Shares will be issued are not, as yet, identifiable, but will be subscribers to be identified by the Company and any brokers appointed by the Company to manage the Placement. The persons will not be related parties of the Company;
- (e) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (f) the Company intends to use the funds raised from the Placement for working capital and existing investments. Existing investments include investments in the following entities:
 - (i) 20FOUR Media Holdings Pty Ltd;
 - (ii) Syn Dynamics Australia Pty Ltd;
 - (iii) Securrency Inc;
 - (iv) MJ Life Sciences Pty Ltd;
 - (v) Reffind Limited; and
 - (vi) Rision Limited;
- (g) the Shares are not being issued under, or to fund, a reverse takeover.

6.3 Voting Dilution

Any issue of Shares under the Placement will dilute the interests of Shareholders who do not receive any Shares under the Placement.

The VWAP for Shares on the 5 days on which sales were recorded on and before 18 April 2018 was \$0.0086306. As the Company was suspended from trading between 22 March 2018 and 16 April 2018, the dates used for the 5 day VWAP calculation are 18 April 2018, 17 April 2018 and 19 March 2018 to 21 March 2018 (inclusive).

The maximum discount of not less than 80% of this VWAP would be \$0.00690448 per Share.

Accordingly, set out below is a worked example of the number of Shares that may be issued under Resolution 5 based on an assumed issue price of \$0.00690448 (80% of VWAP or the minimum issue price), \$0.00863060 (VWAP) and \$0.01035672 (120% of VWAP).

Assumed issue price	Max no. of Shares which the Company could issue (rounded up to the nearest whole number) pursuant to Resolution 5	Current Shares on issue as at the date of this Notice	Increased number of Shares on issue assuming the Company issued the maximum amount pursuant to Resolution 5	Dilution effect on existing Shareholders
\$0.00690448 (80% of VWAP or the	362,083,749	1,523,750,000	1,885,833,749	23.76%

minimum issue price)				
\$0.00863060 (VWAP)	289,666,999	1,523,750,000	1,813,416,999	19.01%
\$0.01035672 (120% of VWAP)	241,389,166	1,523,750,000	1,765,139,166	15.84%

The table set out above uses the following assumptions:

- The total number of Shares on issue are 1,523,750,000, namely the number of Shares on issue as at the date of this Notice.
- For avoidance of doubt, the table set out above does not take into account the Shares that were the subject of Resolution 1 at the general meeting of Company's Shareholders held on 21 March 2018.
- The Company issues the maximum possible number of Shares under the Placement.
- Figures have been rounded up to the nearest whole number.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

Assuming no other Shares are issued (including those contemplated by Resolutions 6, 10, 11 and 12) and the maximum number of Shares as set out in the worked example are issued, the number on Shares on issue would increase from 1,523,750,000 (being the number of Shares on issue as at the date of this Notice) to 1,885,833,749 and the shareholding of existing Shareholders would be diluted by 23.76%.

The Company notes that the above workings are examples only and the actual issue price may differ. This will result in the maximum number of Shares to be issued and the dilution percentage to differ.

6.4 Directors' Recommendation

None of the Directors have a material personal interest in the subject matter of Resolution 5. The Board recommends that Shareholders vote in favour of Resolution 5 as it will enable the Company to fund its existing investments and working capital.

10.3 Directors' Recommendation

The Board recommends that Shareholders vote in favour of Resolution 9.

11. RESOLUTIONS 10, 11, AND 12 – ISSUE OF SECURITIES TO ANTHONY DUNLOP, PETER DYKES AND DATO' MUHAMAD ADLAN BIN BERHAN

11.1 General

Resolution 10 seeks the approval for the issue of 31,250,000 Shares and 31,250,000 free attaching Options to Mr Anthony Dunlop (or his nominee).

Resolution 11 seeks the approval for the issue of 31,250,000 Shares and 31,250,000 free attaching Options to Mr Peter Dykes (or his nominee).

Resolution 12 seeks the approval for the issue of 31,250,000 Shares and 31,250,000 free attaching Options to Mr Dato' Muhamad Adlan Bin Berhan (or his nominee).

Messrs Dunlop, Dykes and Muhamad Adlan Bin Berhan are executive directors of the Company. The directors wish to subscribe for Shares and free attaching Options.

11.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act regulates the provision of "financial benefits" to "related parties" by a public company. Chapter 2E prohibits a public company from giving a financial benefit to a Related Party of the public company unless either:

- the giving of the financial benefit falls within one of the nominated exceptions to the provisions; or
- prior shareholder approval is obtained to the giving of the financial benefit.

A "related party" is widely defined under the Corporations Act, and includes the directors of the company under section 228 of the Corporations Act. As such, the Directors of the Company are Related Parties of the Company for the purposes of section 208 of the Corporations Act.

A "financial benefit" is construed widely and in determining whether a financial benefit is being given, section 229 of the Corporations Act requires that any consideration that is given is disregarded, even if the consideration is adequate. It is necessary to look at the economic and commercial substance and the effect of the transaction in determining

the financial benefit. Section 229 of the Corporations Act includes as an example of a financial benefit, the issuing of securities or the granting of an option to a Related Party.

The issue of Securities to Messrs Dunlop, Dykes and Muhamad Adlan Bin Berhan constitutes the provision of a financial benefit to a Related Party.

Section 210 of the Corporations Act provides that an entity does not need to obtain Shareholder approval to give a financial benefit to a related party if the giving of the financial benefit would be reasonable in the circumstances if the related party and the entity are dealing at arm's length (or terms less favourable than arm's length).

Given that the Directors will be subscribing for Shares and Options on the same terms as the Shares that are the subject of Resolution 4 and the Attaching Options, the Board is of the view that the proposed issue is determined to be at arm's length and therefore that the exception in section 210 of the Corporations Act is relevant to the Resolutions 10, 11 and 12, and as such is not seeking Shareholder approval pursuant to Chapter 2E of the Corporations Act.

11.3 ASX Listing Rule 10.11

ASX Listing Rule 10.11 provides that an entity must not issue, or agree to issue, equity securities to a related party without the approval of its shareholders. For the purposes of the Corporations Act, a "related party" of the Company includes the directors of the Company. Messrs Dunlop, Dykes and Muhamad Adlan Bin Berhan are directors of the Company and, accordingly, are related parties of the Company for the purposes of both the Corporations Act and the Listing Rules.

The Company therefore seeks Shareholder approval to issue the Shares to Messrs Dunlop, Dykes and Muhamad Adlan Bin Berhan (and their nominees) for the purposes of ASX Listing Rule 10.11.

11.4 ASX Listing Rule 7.4

ASX Listing Rule 7.2 (exception 14) provides that Shareholder approval under ASX Listing Rule 7.1 is not required for the issue of securities to related parties which are approved under Listing Rule 10.11. Accordingly, the issue of the Shares to Messrs Dunlop, Dykes and Muhamad Adlan Bin Berhan will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

11.5 Technical information required by ASX Listing Rule 10.13

Pursuant to and in accordance with ASX Listing Rule 10.13, the following information is provided in relation to Resolutions 10, 11 and 12:

- (a) the names of the persons to receive securities are:
 - (i) Anthony Dunlop, director of the Company, or his nominee;
 - (ii) Peter Dykes, director of the Company, or his nominee; and
 - (iii) Dato' Muhamad Adlan Bin Berhan, director of the Company, or his nominee;

- (b) the maximum number of Securities to each Director (or their nominees) is as follows:
 - (i) Anthony Dunlop (or his nominee) - 31,250,000 Shares and 31,250,000 Options;

- (ii) Peter Dykes (or his nominee) – 31,250,000 Shares and 31,250,000 Options; and
 - (iii) Dato' Muhamad Adlan Bin Berhan (or his nominee) - 31,250,000 Shares and 31,250,000 Options.
- (c) the Securities will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Securities will occur 5 Business Days after the passing of these Resolutions;
 - (d) any Shares to be issued to Messrs Dunlop, Dykes and Muhamad Adlan Bin Berhan will be issued at \$0.008 per Share. Any Options to be issued to Messrs Dunlop, Dykes and Muhamad Adlan Bin Berhan will be free Options attaching to the Shares acquired and will therefore be issued for nil consideration;
 - (e) the terms of the Options are on the same terms as the Attaching Options set out in section 8.1 of this Explanatory Statement. The Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares; and
 - (f) the Company intends to use the funds raised from issue of Securities to Messrs Dunlop, Dykes and Muhamad Adlan Bin Berhan to fund the Company's general working capital requirements.

There is no other information known to the Directors that is reasonably required by Shareholders to make a decision whether or not it is in the Company's interests to pass Resolutions 10, 11 and 12.

11.6 Directors' Recommendation

- (a) The Board (other than Anthony Dunlop) recommends that Shareholders vote in favour of Resolution 10.
- (b) The Board (other than Peter Dykes) recommends that Shareholders vote in favour of Resolution 11.
- (c) The Board (other than Dato' Muhamad Adlan Bin Berhan) recommends that Shareholders vote in favour of Resolution 12.

12. RESOLUTION 13 – APPOINTMENT OF AUDITOR

12.1 General

Hall Chadwick, the Company's current auditor, has given notice of its intention to resign as auditor of the Company to ASIC in accordance with section 329(5) of the Corporations Act, as the Directors have resolved to appoint a new auditor.

Upon receipt of ASIC's consent to its resignation, Hall Chadwick has advised it will submit a notice of resignation to the Company in accordance with section 329(5) of the Corporations Act, such resignation to take effect from the date of the Meeting.

In accordance with section 328B(1) of the Corporations Act, the Company has sought and obtained a nomination from a Shareholder for Nexia Sydney Audit Pty Limited (**Nexia**) to be appointed as the Company's auditor.

A copy of this nomination is set out in the Annexure. Nexia has consented to its appointment as the Company's auditor, which will take effect subject to Shareholder

approval and Hall Chadwick's resignation. Nexia's written consent is also set out in the Annexure.

If Resolution 13 is passed, the appointment of Nexia as the Company's auditor will take effect at the close of the Meeting.

12.2 Directors' Recommendation

The Board recommends that Shareholders vote in favour of this Resolution. The reason the Board makes this recommendation is that Hall Chadwick is intending to resign as the Company's auditor and Nexia would be appropriate to fulfil the expected audit needs of the Company going forward. Other than as Shareholders, none of the Directors have an interest in the outcome of this Resolution.

13. RESOLUTION 14 – APPROVAL OF ADDITIONAL CAPACITY TO ISSUE SHARES UNDER LISTING RULE 7.1A

13.1 General

Listing Rule 7.1A enables eligible entities to issue that number of securities equal to up to 10% of their issued share capital through placements over 12 months after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity. The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue securities under the 10% Placement Facility.

The exact number of securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

Resolution 14 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote.

13.2 Listing Rule 7.1A

The ability to issue securities under the 10% Placement Facility is subject to Shareholder approval by special resolution at an annual general meeting. Any securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of securities of the Company. The Company, as at the date of the notice of meeting, intends to issue Options pursuant to the other Resolutions in this Notice, but can only issue Shares under Listing Rule 7.1A, as the Company's Shares are quoted on the ASX. Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12 months after the date of the annual general meeting, a number of securities calculated in accordance with the following formula:

$$(A \times D) = E$$

where:

A is the number of fully paid ordinary securities on issue 12 months before the date of issue or agreement:

- (i) plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
- (ii) plus the number of partly paid shares that became fully paid in the 12 months;

- (iii) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rule 7.1 or 7.4. This does not include an issue of fully paid shares under the Company's 15% placement capacity without shareholder approval;
- (iv) less the number of fully paid shares cancelled in the 12 months;

Note that A has the same meaning in the ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of equity securities issued or agreed to be issued under rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of ordinary securities under Rule 7.1 or 7.4.

If the Company issues any equity securities under the 10% Placement Facility, the entity must, pursuant to ASX Listing Rules 7.1A.4 and 3.10.5A:

- (a) give to the ASX a list of the allottees of the equity securities and the number of equity securities caused to be allotted to each (but this list is not required to be released to the market); and
- (b) disclose to the market the details of the dilution to the existing holders of ordinary securities caused by the issue; where the equity securities are issued for cash consideration, a statement of the reasons why the eligible entity issued the equity securities as a placement rather than as a pro rata issue; the details of any underwriting arrangements and fees payable to the underwriter; and any other fees or costs incurred in connection with the issue.

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (a) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (b) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), or such longer period if allowed by ASX,

(10% Placement Period).

13.3 Technical information required by ASX Listing Rule 7.3A

(a) **Minimum price**

Any equity securities issued by the Company under ASX Listing Rule 7.1A can only be issued at a price that is no less than 75% of the VWAP for securities in that class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the securities are to be issued is agreed; or
- (ii) the date on which the securities are issued if the securities are not issued within five trading days of the date on which the issue price is agreed.

(b) **Dilution to existing security holders**

If Resolution 14 is approved by Shareholders and the Company issues securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company will be diluted as shown in the below table. There is a risk that:

- (i) the market price for securities may be significantly lower on the date of the issue of the securities than on the date of the annual general meeting on 31 May 2018; and
- (ii) the securities may be issued at a price that is at a discount to the market price for the securities on the issue date or the securities are issued as part of consideration for the acquisition of a new business,

which may have an effect on the amount of funds raised by the issue of the securities.

The table below shows a number of hypothetical scenarios for a 10% placement as required by ASX Listing Rule 7.3A.2 where the number of the Company's shares on issue (variable "A" in the formula in ASX Listing Rule 7.1A.2) has remained current or increased by either 50% or 100% and the share price has decreased by 50%, remained current or increased by 100% based on the closing share price on ASX at 18 April 2018.

Number of shares on issue Variable "A"	Additional 10% placement Shares issued & funds raised	Dilution		
		\$0.004 Issue price at half current market price	\$0.008 Issue price at current market price	\$0.016 Issue price at double current market price
Current variable "A" 1,523,750,000	Shares issued	152,375,000 Shares	152,375,000 Shares	152,375,000 Shares
	Funds raised	\$609,500	\$1,219,000	\$2,438,000
50% increase in current variable "A" 2,285,625,000	Shares issued	228,562,500 Shares	228,562,500 Shares	228,562,500 Shares
	Funds raised	\$914,250	\$1,828,500	\$3,657,000
100% increase in current variable "A" 3,047,500,000	Shares issued	304,750,000 Shares	304,750,000 Shares	304,750,000 Shares
	Funds raised	\$1,219,000	\$2,438,000	\$4,876,000

The dilution table uses the following assumptions which the Company does not represent will necessarily occur:

- (i) the Company issues the maximum number of securities available under the additional 10% placement;
- (ii) the table shows only the effect of issues of securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1;

- (iii) the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
- (iv) the table does not show an example of dilution that may be caused to a particular shareholder by reason of the placements under ASX Listing Rule 7.1A, based on that shareholder's holding at the date of the Annual General Meeting; and
- (v) the issue price at current market price is the closing price of the shares on the ASX on 18 April 2018.

(c) **Dilution to existing security holders**

The Company will only issue and allot the securities during the 10% Placement Period. The approval under Resolution 14 for the issue of the securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking), or 12 months after the date of this Meeting.

(d) **Purpose of 10% additional placement**

The Company may seek to issue securities under the 10% placement for either:

- (i) cash consideration. The Company may use the funds for working capital, towards potential transactions or for other corporate purposes deemed by the Board to be in the best interests of the Company; or
- (ii) non-cash consideration for transactions deemed by the Board to be in the best interests of the Company. In such circumstances the Company will release to the market a valuation of the non-cash consideration that demonstrates that the issue price of the securities complies with ASX Listing Rule 7.1A.3.

The Company will comply with any disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.5A upon the issue of any securities under ASX Listing Rule 7.1A.

(e) **Allocation policy**

The Company's allocation policy is dependent upon the prevailing market conditions at the time of any proposed issue pursuant to the 10% placement. The identity of allottees of equity securities will be determined on a case by case basis having regard to factors including but not limited to the following:

- (i) the methods of raising funds that are then available to the Company;
- (ii) the effect of the issue of the equity securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from professional and corporate advisers (if applicable).

Allottees under the 10% placement have not been determined as at the date of this Notice of Meeting and may include existing and/or new security holders but cannot include any related parties or associates of a related party of the Company.

(f) **Previous Issues of Securities**

The Company has not previously obtained shareholder approval to have the additional capacity to issue equity securities under ASX Listing Rule 7.1A.

(g) **Voting exclusion**

A voting exclusion statement is included in the Notice of Meeting. At the date of the Notice of Meeting the Company has not invited and has not determined to invite any particular existing security holder or an identifiable class of existing security holders to participate in an offer under ASX Listing Rule 7.1 A. Therefore, no existing security holder will be excluded from voting on Resolution 14.
