YASREF awards a general engineering service contract

WorleyParsons has been awarded a general engineering service (GES) contract by Yanbu Aramco Sinopec Refining Company Ltd (YASREF). YASREF operates a full-conversion refinery that covers about 5.2 million square meters in the Yanbu Industrial City in Saudi Arabia.

WorleyParsons will deliver engineering and consultancy services for the refinery to optimize the production of YASREF's facilities. The services will be provided from WorleyParsons' offices in Saudi Arabia for a term of three years with an option to extend for a further three years.

"We are pleased to be awarded this contract by YASREF to allow us to continue to support them in optimizing the facilities in the Yanbu Industrial City," said Andrew Wood, Chief Executive Officer of WorleyParsons.
