UPDATE ON WOOLWORTHS PURCHASE ORDER

Beston Global Food Company Limited (ASX: BFC) announced on 1st May 2018, that it had developed a new innovative adult cheese snack called 'Fancy Bites' that is to be distributed to 700 Woolworths stores across Australia, commencing on 6 June 2018.

We are pleased to advise that a decision has now been made by Woolworths to expand their order of the Edwards Crossing 'Fancy Bites' and range the product in 907 stores across Australia, in addition to the ranging of the Company's Edwards Crossing; Cheddar, Colby and Gouda semi- hard cheeses in the majority of Woolworths stores in South Australia.

The decision by Woolworths coincides with BFC winning the top Merck Award last Friday 10 May, 2018 at the annual Dairy Industry of Australia (DIAA) Awards for the highest scoring semi-hard Cheese with its Colby Cheese. The winning of this prestigious award, along with several other awards on the same night, takes the total number of high profile industry Awards to 39, since BFC was listed on the ASX.

The CEO of BFC, Mr Sean Ebert, "said that the increased order from Woolworths underscored the benefits of the Company's strategy to focus on producing premium high-quality products as a means of building market presence rather than with commoditised cheese products."
