

Briscoe Group Limited (NZX / ASX code: BGP)

Media release: 16 May 2018

Hours of Work

It has always been Briscoe Group's intention to pay staff for the work that they do - that includes morning meetings and cashing up at the end of the day.

All stores have confirmed that those employees attending morning meetings are paid to be there.

With respect to cash up at the end of the day, an initial audit of all stores has confirmed that some stores have failed to correctly roster some staff required for this task. We believe this has affected a modest number of employees.

This is our error and we are now in the process of rectifying it - staff who have been affected by this will be fully reimbursed.
