#### About Volpara Health Technologies Limited (ASX: VHT)

VHT is a MedTech SaaS company founded in 2009 on research originally conducted at Oxford University. VHT's clinical applications for screening clinics provide real-time feedback on breast density, compression, dose and quality, while its enterprise-wide software, VolparaEnterprise, provides role-specific dashboards and wide-ranging benchmarking analytics to help clinics manage their business more efficiently.

VHT's technology and services have been used by customers and/or research projects in 36 countries and are supported by numerous patents, trademarks and regulatory clearances, including FDA clearance and CE marking. Since its listing on the ASX in April 2016, VHT has raised A\$40 million, including A\$20 million in April and May 2018. VHT is based in Wellington, New Zealand.
