Dear Shareholder

PTB Group Limited Dividend

The board of PTB Group Limited (**Company**) has resolved that a fully franked dividend of 5 cents per share will be paid on Friday 29 June 2018.

Payment of the dividend will be subject to achieving a minimum level of participation by shareholders in the Company's Dividend Reinvestment Plan (**DRP**). The level of participation presently exceeds 60% of shares on issue.

If in the period immediately prior to the ex-dividend date (Thursday 7 June 2018), the level of participation is materially below 65%, subject to the *Corporations Act 2001* (Cth) and the ASX Listing Rules, the directors reserve the right to terminate or postpone the proposed dividend.

A copy of the current DRP terms and conditions is available on the Company's website www.pacificturbine.com.au/investors.html.

If you elect to participate in the DRP, new shares will be issued immediately after the dividend is paid at a discount of 5% of the Market Price determined by the daily volume weighted average price (**VWAP**) of all shares in the Company sold on the ASX during the period of 10 trading days commencing on the ex-dividend date. In order to preserve fairness, the board has determined that the maximum price at which new shares will be issued under the DRP for the proposed dividend will be 54 cents per share.

If you have previously elected to participate in the DRP in respect of a prior dividend payment, this election will stand unless the Company's share registry receives a properly completed election form that specifies otherwise.

If you have not previously elected to participate in the DRP, or if you wish to change your existing election, you must complete and sign the **attached** form and return it to the Company's share registry by no later than 12 June 2018. Alternatively, you can complete your nomination online at www.linkmarketservices.com.au.

The Company's directors have each indicated that they will participate in the DRP for the proposed dividend in respect of all shares they hold or control.

You will not pay any brokerage or other transaction costs for shares acquired under the DRP. The franking credits applicable to any dividend will be available to all shareholders including those who participate in the DRP. Shareholders may be interested to know that a 5 cent dividend would result in the distribution of \$1.345 million of franking credits. At 30 June 2017 the Company had a franking account balance of \$8.204 million.

The proposed dividend timetable is as follows:

- **Announcement date:** Monday 28 May 2018
- **Ex-dividend date:** Thursday 7 June 2018
- **Record date:** Friday 8 June 2018
- **Last date for DRP election:** Tuesday 12 June 2018
- **Market Price calculation period:** Thursday 7 June 2018 to Thursday 21 June 2018
