Appointment of CFO and Joint Company Secretary

MotorCycle Holdings Limited (ASX: MTO) has appointed Eddie Macdonald (BCom, MBA, CPA) as its Chief Financial Officer (CFO) and Joint Company Secretary.

Eddie has a long history in Australian retail businesses in senior management roles. He has recently been CEO of Clark Rubber. Previous roles have been CEO and CFO at Amart Furniture and CFO and COO at Colorado Group.

Eddie brings extensive retail experience to Motorcycle Holdings. His management experience as CEO at Clark Rubber and Amart Furniture will bring a highly commercial focus to the position, while previous roles as CFO give him great technical ability.

Eddie takes over from Bob Donovan (former CFO) and Lisa Dalton (former Company Secretary), who held their roles prior to and subsequent to the company's listing on the ASX. Bob has moved to the role of GM Business Development & Integration, a new role in the company with accountability for the assessing and integrating new acquisitions into the business.

The Board has also appointed Ms Nicole Spink as Joint Company Secretary. Nicole holds the position of Financial Controller and has been with the Company for almost four years.

Managing Director David Ahmet said, "I would like to thank Bob and Lisa for their support in strengthening the company's platform for growth and look forward to Bob continuing to provide support and the benefit of his experience in our continued growth journey".
