#### Forward-looking statements

This presentation may include forward-looking statements. Such statements can generally be identified by the use of words such as 'may', 'will', 'expect', 'intend', 'plan', 'estimate', 'anticipate', 'believe', 'continue', 'objectives', 'outlook', 'guidance', 'forecast' and similar expressions. Indications of plans, strategies, management objectives, sales and financial performance are also forward-looking statements.

Such statements are not guarantees of future performance, and involve known and unknown risks, uncertainties, assumptions, contingencies and other factors, many of which are outside the control of ELMO Software Limited (**ELMO** or **Company**). No representation is made or will be made that any forward-looking statement will be achieved or will prove to be correct. Actual results, performance, operations or achievements may vary materially from any forward-looking statements. Circumstances may change and the contents of this presentation may become outdated as a result. Readers are cautioned not to place undue reliance on forward-looking statements and ELMO assumes no obligation to update such statements. No representation or warranty, expressed or implied, is made as to the accuracy, reliability, adequacy or completeness of the information contained in this presentation.

#### Past performance

Past performance information given in this presentation is given for illustrative purposes only and should not be relied upon as (and is not) an indication of future performance.

#### Information is not advice or offer of securities

This presentation is not, and is not intended to constitute, financial advice, or an offer invitation, solicitation or recommendation to acquire or sell ELMO shares or any other financial products in any jurisdiction and is not a prospectus, product disclosure statement, disclosure document or other offering document under Australian law or any other law. This presentation also does not form the basis of any contract or commitment to sell or apply for securities in ELMO or any of its subsidiaries. It is for information purposes only.

ELMO does not warrant or represent that the information in this presentation is free from errors, omissions or misrepresentations or is suitable for your intended use. The information contained in this presentation has been prepared without taking account of any person's investment objectives, financial situation or particular needs and nothing contained in this presentation constitutes investment, legal, tax or other advice. The information provided in this presentation may not be suitable for your specific needs and should not be relied upon by you in substitution of you obtaining independent advice. Subject to any terms implied by law and which cannot be excluded, ELMO accepts no responsibility for any loss, damage, cost or expense (whether direct, or indirect, consequential, exceptional or special damages including but not limited to loss of revenue, profits, time, goodwill, data, anticipated savings, opportunity, business reputation, future reputation, production or profit, any delay costs, economic loss or damage) incurred by you as a result of any error, omission or misrepresentation in this presentation.

#### Preparation of information

All financial information has been prepared and reviewed in accordance with Australian Accounting Standards. Certain financial data included in this presentation is 'non-IFRS financial information'. The Company believes that this non-IFRS financial information provides useful insight in measuring the

financial performance and condition of ELMO. Readers are cautioned not to place undue reliance on any non-IFRS financial information including ratios included in this presentation.

#### Presentation of information

- **Pro forma** Except where explicitly stated, the financial data in this presentation is provided on a pro-forma basis. Information on the specific pro-forma adjustments is included in the Appendix to this document.
- Currency All amounts in this presentation are in Australian dollars unless otherwise stated.
- 1H refers to the half year to 31 December.
- **FY** refers to financial year ending 30 June.
- **Rounding** Amounts in this document have been rounded to the nearest \$0.1m. Any differences between this document and the accompanying financial statements are due to rounding.

#### Third party information and market data

The views expressed in this presentation contain information that has been derived from publicly available sources that have not been independently verified. No representation or warranty is made as to the accuracy, completeness or reliability of the information. This presentation should not be relied upon as a recommendation or forecast by ELMO. Market share information is based on management estimates except where explicitly identified.

#### No liability or responsibility

The information in this presentation is general in nature and is provided in summary form and is therefore does not purport to be complete.

None of ELMO's advisers (**Advisers**) has authorised, permitted or caused the issue or lodgement, submission, dispatch or provision of this presentation and there is no statement in this presentation which is based on any statement made by any of them or by any of their affiliates, officers or employees. To the maximum extent permitted by law, each Adviser and each of their respective affiliates, officers, employees and advisers expressly disclaim all liabilities in respect of, and make no representations regarding, and take no responsibility for, any part of this presentation and make no representation or warranty as to the currency, accuracy, reliability or completeness of this presentation.

To the maximum extent permitted by law, ELMO and each of its affiliates, directors, employees, officers, partners, agents and Advisers and any other person involved in the preparation of this presentation disclaim all liability and responsibility (including without limitation, any liability arising from fault or negligence) for any direct or indirect loss or damage which may arise or be suffered through use or reliance on anything contained in, or omitted from, this presentation. ELMO accepts no responsibility or obligation to inform you of any matter arising or coming to their notice after the date of this presentation which may affect any matter referred to in this presentation.

This presentation should be read in conjunction with ELMO's other periodic and continuous disclosure announcements lodged with ASX.

### **ELMO** at a glance

ELMO is one of Australia and New Zealand's leading providers of integrated cloud human resources "HR" and payroll software solutions

ELMO's SaaS, cloud-based platform provides organisations with a centralised approach to managing an employee's lifecycle from 'hire to retire'

Integrated Human Capital Management (HCM) and Payroll software providing 'hire to retire' software solutions across 12 modules

Platform, technology, software solutions and learning content is developed and maintained in-house by ELMO's Australian based team

Over 400 eLearning course content library covering a broad range of topics which has been developed over 15 years

Customer base of 1,002<sup>1,3</sup> organisations and deployed across 13<sup>2</sup> different industries

Primarily targets mid-market organisations (100 - 1,000 employees)

Scalable SaaS, cloud-based platform, multi tenant infrastructure, single source code

<sup>1.</sup> As at 30 April 2018, includes PeoplePulse, LiveSalary and Pivot Software

<sup>2.</sup> Includes construction and mining, education, finance, government, healthcare and pharmaceuticals, hospitality, industrials, IT, telecommunications and media, not for profit organisations, professional services, property, retail and transport.

<sup>3.</sup> Includes 400 customers from PeoplePulse, LiveSalary and Pivot Software

### Outlook and FY18 guidance upgrade

### **Strong momentum into FY18**

- Strong revenue growth across existing and new customers
- Enlarged customer base provides additional cross-sell opportunity
- Integration of PeoplePulse, LiveSalary, Sky Payroll and Pivot Software
- Organic growth prospectus forecast reaffirmed

### Business is well positioned for growth

- Launch of new modules including ELMO Rewards & Recognition, Payroll, HR Survey, Salary Benchmarking and Remuneration
  - Increases opportunity to accelerate new customer growth and increase revenue per existing customer
- Continued to expand suite of modules available to new and existing customers
- High recurring revenues and customer retention rates

#### **ELMO's CUSTOMER BASE GROWTH**

<sup>1.</sup> As at 28 February 2018, includes 400 customers from PeoplePulse, LiveSalary and Pivot Software

<sup>2.</sup> Based on pro forma revenue

<sup>3.</sup> Excludes PeoplePulse, LiveSalary and Pivot Software

## Strong organic growth strategy

Accelerated with bolt-on acquisitions

# Greater usage from existing customers

Increasing penetration amongst existing customer base with average modules per customer of 2.48 at 31 December 2017, up from 2.04 as at 31 December 2016

Strong customer retention rate of 93.1%

# New customers in existing markets

478 new customers, including PeoplePulse, LiveSalary and Pivot Software, added since 30 June 2017

Total customer base, including PeoplePulse, LiveSalary and Pivot Software of 1,002 as of 28 February 2018

Continuation of strong sales momentum

Aim to further increase adoption amongst mid-market firms

Significant opportunity to further penetrate existing markets

### **Expand product line**

Rewards and Recognition launched in 1H18

Acquired cloud payroll, HR survey, salary benchmarking and remuneration modules

Spent 16.7% of 1H18 revenue on R&D<sup>1, 2</sup>

Continuous development and deployment of new features on existing modules with 76 enhancements released during 1H18

Three new modules slated for release in the next 2-3 years

# Growth through acquisitions

Acquisition of PeoplePulse, LiveSalary, Sky Payroll and Pivot Software

Actively seeking bolt on acquisitions or complimentary technology to augment ELMO's value proposition

Disciplined approach, with significant resource and management expertise to complete integrations well and deliver synergy benefits

<sup>1.</sup> Includes both expensed and capitalised research and development costs

<sup>2.</sup> Based on pro forma revenue

### Accelerated growth strategy

### Why we acquire

- Accelerate organic growth through targeted acquisitions
- Attractive client lists provide significant revenue growth opportunities through cross-sell and upsell
- Favorable valuations as point solutions face headwinds from unified solutions such as ELMO who can unlock the commercial opportunity available
- Sticky products with high customer retention and recurrent SaaS revenues mitigates integration risk
- Track record of acquiring and integrating well and delivering the anticipated synergies. Highly capable and experienced management team focused on strengthening the competitive advantage of the integrated product suite

### What we target

- 1. Complimentary technology to enhance ELMO's suite of modules
  - Increases cross-sell ability to existing customers
  - Additional adjacent products increases "hooks" for new business acquisition
- 2. Attractive client lists
  - Gain market share and increase market penetration
  - Leverage operational efficiencies to extract synergies
  - Sell ELMO's multiple modules to target client base
  - Cross-sell target modules to ELMO customer base

# **Integration Strategy**

### 1. Integrate Target

**Assimilation** 

- Management control of operations
- Leverage operational efficiencies
- Tailor commercial standards to be consistent with ELMO's business

### 2. Develop Product

Build out

- Fully integrate acquired product with ELMO's Cloud HR & Payroll suite
- Innovate and expand platform
- Upgrade functionality of acquired product
- Optimise user experience

### 3. Grow Revenue

Roll out

- Conversion of acquired customer base
- Onboard and transition customers
- Expand module usage over time through cross-sell of additional modules in the ELMO suite

### Investment highlights

### LEADING INTEGRATED CLOUD HR & PAYROLL PLATFORM

- Broad, integrated suite of modules
- Cloud delivery
- Single source code
- Extensive course library/proprietary learning content

### BROAD AND DIVERSE CUSTOMER BASE

- Enlarged customer base of 1,002<sup>2</sup>
- Largest customer is <2.2% of 1H18 revenue
- Top 10 customers account for <12.5% of 1H18 revenue
- Industry agnostic

### HIGH RECURRING REVENUE WITH ATTRACTIVE CASH FLOW PROFILE

- 95% recurring revenue
- 36% revenue growth in FY18
- Customer contracts typically ~3 years and pay annually in advance

### LARGE AND GROWING ADDRESSABLE MARKET

- Cloud HCM TAM in ANZ 2018 ~US\$771m growing to ~US\$901m by 2020¹
- Accelerating penetration of cloud based talent management solutions
- Increasing adoption in mid-market organisations

### MULTIPLE LEVERS TO DRIVE GROWTH

- Increasing module usage from existing customers
- New customers in ANZ
- Continued product innovation to broaden solution offering
- Strategic acquisition opportunities

#### EXPERIENCED MANAGEMENT TEAM

- Danny Lessem founded ELMO in 2002, > 20 years software experience
- Stable management team with strong track record of growth and innovation
- Executive incentives aligned through equity ownership

<sup>1.</sup> Frost and Sullivan independent market report

<sup>2.</sup> As at 28 February 2018, includes 400 customers from PeoplePulse, LiveSalary and Pivot Software

# Financial performance

- Total revenue increased by 36% compared 1H2017
- EBITDA increased on 1H17 by 151%
- Strong recurring revenue of 95.1% and SaaS revenue growth of 34%
- SaaS revenue run rate of 97%<sup>1</sup>

#### **REMUNERATION**

#### Streamline remuneration process

- Easily manage the end-to-end remuneration allocation and approvals process

**Managers empowered** - Make more informed decisions about the allocation of salary, bonus & equity awards

Link salary planning with ELMO suite - Combine performance data with remuneration strategies to align employee performance and remuneration

### PeoplePulse & LiveSalary acquisition

November 2017

### **Transaction Summary:**

In November 2017, ELMO annouced announced the acquisition of two specialised, SaaS based, HR management software solutions, in one transaction:

- PeoplePulse, an online employee and customer feedback survey platform that includes specialised HR surveys such as staff pulse surveys, onboarding surveys, training evaluations, net promotor scores and exit surveys
- LiveSalary, an online salary database and benchmarking platform to assist customers better recruit, reward and retain employees

PeoplePulse and LiveSalary's highly scalable modules accelerate ELMO's product development program. In addition, the acquisitions represent a logical and complementary fit into ELMO's integrated HR Administration and Talent Management product suite.

### **Transaction Highlights:**

- Purchase price \$10m
  - \$8m payable in cash upfront
  - \$2m cash payable on anniversary of completion
  - \$2m cash payable on the first anniversary of completion should performance targets be met
- Over 300 customer licenses
- FY17 revenue \$4.1m
  - Over 90% recurring revenue
- EV/FY17 revenue multiple 2.4x
- EPS accretive in FY18 and beyond
- Integration well advanced with systems, employees and customers retained

## Sky Payroll acquisition

December 2017

#### **Transaction Summary:**

In December 2017, ELMO announced the acquisition of Sky Payroll a native cloud-based Australian SaaS payroll software system:

- Established in 2014
- 28,000 hours of research and development invested into Sky Payroll's platform
- Over \$300m of employment income has been processed using the system over the last 3 years

Payroll is a critical function in HR administration and represents a market opportunity of approximately \$600m.

A logical and complementary extension of ELMO's current integrated product suite.

### **Transaction Highlights:**

- Purchase price \$1.4m
- Initial purchase price of \$1.0m
  - 50/50 in cash and scrip with 24 month escrow
- \$0.2m cash payable on the first and second anniversary of completion
- \$0.2m cash payable on the first and second anniversary of completion should performance targets be achieved

### Pivot software acquisition

February 2018

### **Transaction Summary:**

In February 2018, ELMO announced the acquisition of Pivot Software the leading provider of SaaS, cloud based Remuneration software in Australia and New Zealand:

- Operating since 2001, and formed in 2016 by the merger of two regional leaders in Remuneration software, Pivot (NZ based) and Remesys (AUS based)
- 120 customers, 93% revenue retention
- Annual revenues of \$4.5m over the last 12 months, 86% SaaS recurrent revenue, 30% EBITDA margins
- Acquisition expected to be EPS accretive
- Remuneration module can stand alone but also provides complementary fit with ELMO's Performance and Rewards modules

Remuneration management, including salaries, bonuses and complex short-term incentives (STI)/long-term incentives (LTI), is a key function in human resource (HR) administration. Around 80% of the remuneration process is currently managed using spreadsheets, creating significant growth potential.

### **Transaction Highlights:**

- \$8.8m initial purchase price settled with a combination of cash and scrip, subject to voluntary escrow
- \$2.4m conditional deferred payment should performance targets be met, which is to be settled with a combination of cash and scrip, subject to voluntary escrow
- Acquisition consideration reflects EV/LTM¹ revenue multiple of 2.0, before synergies
- Cash consideration to be funded from ELMO's existing cash reserves

1. Last twelve months to 31 December 2017
