About MKM Health

MKM Health is an information technology solutions company dedicated to healthcare. We work with our clients to implement solutions, integrate systems, align business and technology and ultimately help deliver best outcomes for patients. We are passionate about improving patient outcomes, avoiding harm and improving efficiency and effectiveness as well as working with our clients to maximise investments. Our team is dedicated to providing advice and practical support that requires strategic insight into health technology trends. We have deep health domain knowledge, technical expertise in hospital systems and health informatics, and a proven ability to integrate the many separate systems found in the increasingly complex digital hospital

environment. We are the exclusive distributors for Patientrack in New Zealand and Australia. For further information please visit www.mkmhealth.com.au or follow us on Twitter.
