ASX RELEASE

GetSwift Limited

15 June 2018

Issue of Unquoted Options and Appendix 3B

GetSwift Limited (**Company**) attaches an Appendix 3B in relation to the issue of unquoted options pursuant to the Company's Employee Incentive Plan.

In the process of completing this Appenidx 3B, the Company identified some administrative errors contained in the previous Appenidx 3B due to a discrepancy between the number of quoted shares and the number of unquoted shares subject to ASX escrow. Following investigation by the Company and discussion with the Company's share registry and the ASX, the Company was satisfied the error was administrative in nature and was limited to the record showing on the Appendix 3B. There is no change to the total number of shares on issue. The amendment is as follows:

	Previous Appendix 3B	Present Appendix 3B
Item 8 – number of fully paid ordinary shares quoted on ASX	106,643,214	100,588,056
Item 9 – number of fully paid ordinary shares not quoted on ASX (subject to ASX escrow)	81,881,095	87,936,254
