2H18 Estimated Distribution and Suspension of DRP

Gateway Lifestyle Group (ASX : GTY) today announced an estimated distribution for the six-month period to 30 June 2018 (2H18) of 5.35 cents per stapled security.

The Record Date for determining entitlement to the half year distribution is Friday 29 June 2018, with the distribution scheduled to be paid on Friday 28 September 2018. The Group's full year financial results, including details of the distribution and the Appendix 4E will be lodged with the ASX on or about 24 August 2018.

Due to recently announced corporate activity, the Board has determined that the Group's Distribution Reinvestment Plan (DRP) will be suspended for the distribution for the 2H18 period and until further notice.

In accordance with the DRP Rules, securityholders who elected to participate in the DRP for the half year distribution for the six months ended 30 June 2018 will instead receive a cash distribution.
