

25 June 2018

Dear Shareholder,

Leigh Creek Energy Limited Share Purchase Plan

On behalf of Leigh Creek Energy Limited ACN 107 531 822 (**Leigh Creek Energy, LCK** or the **Company**) I am pleased to invite you to participate in a Share Purchase Plan (**Share Purchase Plan** or **SPP**) to acquire new fully paid ordinary shares in the Company (**Shares**) at an issue price of \$0.16 per New Share, on the terms and conditions set out in the document enclosed with this letter (**SPP Offer**).

The SPP Offer is available exclusively to shareholders who were registered as holders of Shares at 5.00pm (ACST) on the Record Date of 15 June 2018 and whose registered address is in Australia or New Zealand (**Eligible Shareholders**).

The SPP presents an opportunity for Eligible Shareholders to increase their holding in Leigh Creek Energy by participating in the capital raising at the same price as the recent successful Placement to institutional, sophisticated and professional investors without incurring any brokerage fees or other transaction costs.

The Share Purchase Plan allows all shareholders to participate in the Company capital raising program at an important stage in the Company development. Proceeds of the combined capital raising will enable the Company to advance toward significant near term milestones including the operation of its Pre-Commercial Demonstration (PCD) of In Situ Gasification technology at its Leigh Creek Energy Project and upon successful completion of the PCD the anticipated reclassification of a portion of its current 2,963PJ 2C PRMS Resource to Reserve status. I encourage all shareholders to take up this opportunity to contribute to and participate in the progress towards these key milestones by taking up an allocation in this SPP Offer.

The SPP Offer

The SPP is offering up to 18,750,000 of Shares (**New Shares**) to raise up to \$3.0 million and entitles Eligible Shareholders, irrespective of the size of their shareholding, to purchase up to \$15,000 worth of New Shares at a price of \$0.16 each.

You may apply for parcels of New Shares in LCK in the amounts of \$1000, \$2,500, \$5,000, \$7,500, \$10,000 or \$15,000 without incurring brokerage costs. The issue price of \$0.16 per New Share represents a 19.6% discount to the volume weighted average price (**VWAP**) of Shares on the Australian Securities Exchange (**ASX**) during the 5 trading days immediately prior to the announcement of the SPP Offer on 18 June 2018. The details and terms of the SPP Offer are set out in this letter and the enclosed SPP Offer Terms and Conditions document (the **SPP Offer Document**).

Purpose and use of funds

The capital raising will provide LCK with funding that will enable the Company to advance toward significant near term milestones including the operation of its Pre-Commercial Demonstration (PCD) of In Situ Gasification technology at its Leigh Creek Energy Project and upon successful completion of the PCD the anticipated reclassification of a portion of its current 2,963PJ 2C PRMS Resource to Reserve status.

The funds raised under the SPP, together with those funds raised under the Placement, are intended to be used by the Company as follows:

1. Operational costs associated with the PCD stage of the Leigh Creek Energy Project;

2. Completion of Feasibility Study for LCK's small scale power plant;
3. Drilling program associated with geological assessment of LCK's small scale power plant; and
4. General working capital.

How to apply

You may apply for New Shares under the SPP Offer by either:

1. completing the enclosed Application Form and sending it together with your payment by cheque or money order to the Company's share registry using the enclosed reply paid envelope; or
2. making payment by BPay® – you do not need to return an Application Form if paying by BPay®. Please refer to the enclosed SPP Offer Document for further instructions on how to apply for New Shares under the SPP Offer.

Applications for New Shares

The SPP Offer is targeting to raise up to \$3.0 million, however the Company reserves absolute discretion regarding the final amount to raise under the SPP Offer. If total demand for the SPP Offer exceeds \$3.0 million, the Company reserves the right to close the SPP Offer early and scale back applications in its absolute and sole discretion.

When determining the amount (if any) by which to scale back an application, the Company may take into account a number of factors, including the size of an applicant's shareholding, the extent to which Eligible Shareholders have sold or bought additional Shares after the Record Date, and the date an application was made. You are therefore encouraged to apply for New Shares under the SPP Offer early.

Closing date for the SPP Offer

The SPP Offer is scheduled to close at 5.00pm (ACST) on 13 July 2018. The Company reserves the right to close the SPP Offer early or extend the closing date for applications without notice.

If you have any questions about the SPP Offer please contact the LCK's Company Secretary during normal business hours in South Australia. Details of the Company's current activities are set out in the Company's recently released quarterly report, the Company's website and ASX announcements which are also available on the Company's website at www.lcke.com.au.

SPP Offer Terms and Conditions

Purpose

The purpose of the Share Purchase Plan (SPP) is to offer shareholders of Leigh Creek Energy Limited (Company) the opportunity to acquire additional fully paid ordinary shares in the Company (Shares) up to a maximum of \$15,000 (when combined with any Shares issued under any share purchase plan in the 12 months preceding the date of the SPP) at an issue price of \$0.16 per Share.

Price of Shares

The price of Shares to be issued under the SPP will be \$ 0.16 per Share, being a 19.6% discount to the VWAP of Shares during the 5 trading days immediately prior to the announcement of the SPP Offer. Holders of LCK shares who are registered with an Australian or New Zealand address at 5.00pm ACST on the record date are eligible shareholders (Eligible Shareholders) and may participate in the SPP, unless such registered shareholder holds Shares on behalf of another person who resides outside Australia or New Zealand.

Offers made under the SPP are non-renounceable (i.e. Eligible Shareholders may not transfer their rights to any Shares offered under the SPP). An offer may, at the discretion of the directors of the Company (Directors), be made under the SPP once a year.

The maximum amount which any shareholder may subscribe for in any consecutive 12 month period is \$15,000. The Directors may also determine in their discretion the minimum amount for participation, the multiple of Shares to be offered under the SPP and the period the SPP Offer is available to Eligible Shareholders.

How much can you invest?

Eligible Shareholders may acquire up to a maximum of \$15,000 worth of Shares under the SPP Offer. Eligible Shareholders may participate by selecting only one of the following offers to purchase Shares under the SPP Offer:

Note: Fractions of Shares are rounded up to the nearest whole number.

How to apply for New Shares under the SPP Offer

If you would like to apply for New Shares under the SPP Offer, you can do so using one of the following methods:

1. *Application Form and accompanying cheque or money order*

Complete the enclosed Application Form and send it together with your payment by cheque or money order made payable to "Leigh Creek Energy Limited" and drawn in Australian currency for the correct amount, to LCK's share registry, Computershare Investor Services Pty Limited to be received by the share registry no later than 5.00pm (ACST) on the Closing Date of **13 July 2018**. See postal instructions on the enclosed Application Form

2. *Payment by BPay®*

If you wish to pay by BPay®, you must use the Biller Code and Reference Number shown on your personalised Application Form.

If you have multiple holdings you will have multiple BPay® Reference Numbers. To ensure you receive your Shares under the SPP Offer in respect of that holding you must use the specific Biller Code and Reference Number shown on each personalised Application Form when paying for any Shares that you may wish to apply for in respect of that holding. If you inadvertently use the same Reference Number for more than one of your applications, you will be deemed to have applied only for that application to which that Reference Number applies and any excess amount will be refunded.

If you make your payment using BPay® you do not need to return your Application Form.

Payments made by BPay® received after 5.00pm (ACST) on the Closing Date of 13 July 2018 will not be accepted unless the Closing Date for the SPP Offer is extended. Applicants should be aware that their own financial institution may implement earlier cut off times with regards to electronic payment, and should therefore take this into consideration when making payment. You may also have your own limit on the amount that can be paid via BPay®. It is your responsibility to check that the amount you wish to pay via BPay® does not exceed your limit.

Applicants should not forward cash.

If you have not received your SPP Offer documentation and personalised Application Form, or require a replacement via post or email, please contact the Company's security registry, Computershare Investor Services Pty Limited, on 1300 556 161 (within Australia) or +61 3 9415 4000 (outside Australia).

Once an application has been made it cannot be revoked.

If the exact amount of money is not tendered with your application, LCK reserves the right to either:

1. return your Application Form and/or payment and not issue any Shares to you; or
2. issue to you the number of Shares that would have been issued had you applied for the highest designated amount that is less than the amount of your payment, and refund the excess application money to you by cheque as soon as possible, without interest.

The maximum investment any Eligible Shareholder may apply for will remain \$15,000 even if an Eligible Shareholder receives more than one Offer (whether in respect of a joint holding or because the Eligible Shareholder has more than one holding under a separate account).

Closing Date

The SPP Offer is scheduled to close at 5.00pm (ACST) on 13 July 2018 (**Closing Date**), however the Company reserves the right to close the SPP Offer early, or extend the Closing Date, without notice. As valid applications may be accepted on a first-come first-served basis and as the SPP Offer may close early, Eligible Shareholders are encouraged to submit their Application Forms as early as possible.
