

## Media/ASX and NZX Release

16 July 2018

### **DOWNER AWARDED NEW MAINTENANCE CONTRACT**

Downer EDI Limited (Downer) announced today that it had been awarded a five year contract by Chevron Australia Pty Ltd for the provision of maintenance and support services.

Downer's scope of works spans the maintenance of non-process infrastructure assets at the Chevron-operated Gorgon and Wheatstone facilities in Western Australia and includes support services provided by Spotless.

The Chief Executive Officer of Downer, Grant Fenn, said this new contract builds on Downer's industry knowledge and experience.

"Downer is a leader in the delivery of major maintenance and industrial services to customers in the Australian resources and energy sectors," Mr Fenn said.

"We are delighted to have been awarded this long-term contract and we look forward to providing a high level of safety and service, and creating jobs and opportunities for local businesses in the region."

#### **About Downer**

Downer is the leading provider of integrated services in Australia and New Zealand and customers are at the heart of everything it does. It exists to create and sustain the modern environment and its promise is to work closely with its customers to help them succeed, using world-leading insights and solutions to design, build and sustain assets, infrastructure and facilities. Downer employs approximately 56,000 people across more than 300 sites, primarily in Australia and New Zealand, but also in the Asia-Pacific region, South America and Southern Africa. It also owns 88 per cent of Spotless Group Holdings Limited. For more information visit [downergroup.com](http://downergroup.com).
