## Alcidion signs three-year contract extension with Northern Territory Department of Health

- Three-year contract valued at $888k per annum (total contract value $2.6m) with two options for 1 year extension
- Miya platform already installed at five NT hospitals, with a further deployment currently underway at Palmerston Regional Hospital, due to open shortly

**Adelaide, South Australia, 19 July 2018** – Alcidion Group Limited (ASX:ALC) today announced it has signed a $2.6m contract extension with Northern Territory Department of Health for the provision of the Miya platform, including Miya ED and Patient Flow modules, across six hospital sites in the Northern Territory.

The contract extension, valued at $888k per-annum for a duration of three years, will also include two options for one-year contract extensions.

The platform is currently installed at Royal Darwin Hospital, Katherine Hospital, Gove District Hospital, Tennant Creek Hospital and Alice Springs Hospital, and is also currently being deployed at Palmerston Regional Hospital in Darwin, due to open shortly. Customer feedback at these sites has been very positive.

Alcidion CEO Kate Quirke said, "Our relationship with Northern Territory Department of Health dates back to 2008, and we are very pleased to continue working closely with these sites to improve patient flow, bed management and productivity. We also look forward to the opening of Palmerston Regional Hospital in Darwin, where the installation of our platform is well underway."
