Dear Gateway Securityholder

On behalf of the Hometown Group, I am pleased to present you with an all cash offer to acquire all your stapled securities in Gateway Lifestyle Group (**Gateway**).

Hometown is offering you \$2.25 cash for each stapled security in Gateway (**Gateway Security**) you own (**Offer**).

Gateway Securityholders who were registered holders of Gateway Securities on the record date of 29 June 2018 for the 5.35 cents distribution announced by Gateway on 22 June 2018 and accept the Offer, will be entitled to retain the \$0.0535 per Gateway Security distribution in addition to receiving the \$2.25 per Gateway Security consideration under the Offer.

A compelling offer for Gateway Securityholders

The Offer represents a compelling opportunity for Gateway Securityholders to realise liquidity at a highly attractive acquisition premium, as well as achieve certainty of value via the 100% cash consideration.

- within one month after the Offer is accepted or one month after the Offer becomes or is declared unconditional (whichever is the later); and
- 21 days after the end of the Offer Period.

Subject to ASIC granting the necessary relief from the Corporations Act, the Offer will extend to Gateway Securities that are issued during the period from the Register Date to the end of the Offer Period (inclusive) as a result of the vesting of, or exercise of rights conferred by, Gateway Security Appreciation Rights that have been publicly disclosed to ASX prior to the Announcement Date and remain on issue at the Register Date.

Hometown's relevant interest in Gateway

At the date of this Bidder's Statement, Hometown has a relevant interest in 55,283,893 Gateway Securities representing approximately 18.2% of Gateway Securities which comprises:

- approximately 9.5% held directly by Hometown Australia, making Hometown Australia the largest Gateway Securityholder;³ and
- Hometown having a Relevant Interest in 8.7% of Gateway Securities as a result of Hometown's entry into Pre Bid Agreements with major Gateway Securityholders. Refer to Section 8.3 of this Bidder's Statement for further details.

Hometown and its intentions

If your Gateway Securities are registered in a CHESS Holding (your HIN starts with an “X”), or if you are a beneficial owner whose Securities are registered in the name of a broker, bank, custodian or other nominee, you will not pay stamp duty by accepting the Offer. However, you should ask your Controlling Participant (usually your broker) or nominee whether it will charge any transactional fees or service charges in connection with acceptance of the Offer.

You may incur brokerage costs if you choose to sell your Gateway Securities on ASX.

Why You Should Accept the Offer

The Offer represents a significant premium to both Gateway's last undisturbed trading price (on Friday 8 June 2018) and Gateway's net tangible assets.

The Offer delivers compelling value in a context of the Gateway Security price underperformance.

All cash offer provides certainty of value for your Gateway Securities.

The Offer is the only offer currently available to Gateway Securityholders and is superior to the Brookfield Non-Binding Proposal.

Hometown has demonstrated support from major Gateway Securityholders.

If the Offer is not accepted, there is a risk that the Gateway Security price may fall after the Offer closes.

Further details on each of these reasons for **ACCEPTING** the Offer are set out in Section 1 of this Bidder's Statement. You should read this entire Bidder's Statement and Gateway's Target's Statement before deciding whether to accept the Offer.

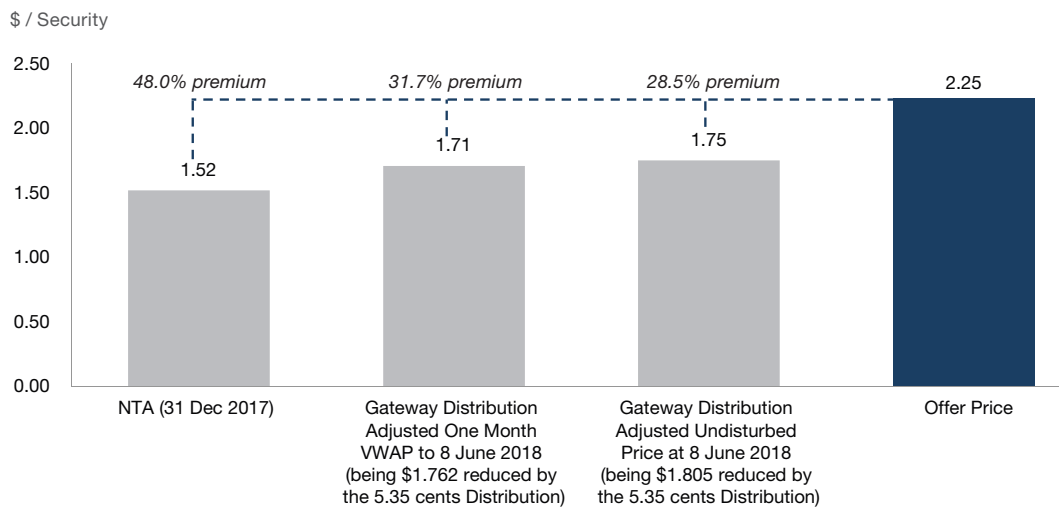

1.1 The Offer represents a significant premium to both Gateway's last undisturbed trading price on Friday 8 June 2018 and Gateway's net tangible assets

Gateway Securityholders who were registered holders of Gateway Securities on the record date of 29 June 2018 for the 5.35 cents Distribution per Gateway Security will remain entitled to receive that distribution announced by Gateway on 22 June 2018 if they accept the Offer. For these Gateway Securityholders, the Offer Consideration of \$2.25 cash for each Gateway Security represents a total value of \$2.3035.

The Offer of \$2.25 per Gateway Security represents a:

- 28.5% premium to the Gateway Distribution Adjusted Undisturbed Price of \$1.752 per Security⁴;
- 31.7% premium to the Gateway Distribution Adjusted One Month VWAP of \$1.708 per Gateway Security⁵; and
- 48.0% premium to Gateway's last reported net tangible assets of \$1.52 per Security as at 31 December 2017.

The chart below illustrates the implied premiums reflected by the Offer.

1.2 The Offer delivers compelling value in a context of Gateway Security price underperformance

The Hometown Offer provides an opportunity for Gateway Securityholders to realise liquidity at a significant premium, particularly in the context of recent Gateway Security price underperformance. In the 24 months to 8 June 2018, Gateway's Security price has fallen in value by approximately 36%, underperforming its listed peers Ingenia Communities and Lifestyle Communities, as well as the S&P/ASX 200 index, and trading below its original IPO price of \$2.00 in 2015.

The following chart shows Gateway's relative Security price performance over the last 24 months to 8 June 2018 in relation to its listed peers and ASX 200.

Source: IRESS

4 Being the closing price of \$1.805 per Security on Friday 8 June 2018, reduced for the 5.35 cents Distribution.

5 Being the one month VWAP of \$1.762 per Security up to Friday 8 June 2018, reduced for the 5.35 cents Distribution.

1.3 All cash offer provides certainty of value for your Gateway Securities

The Hometown Offer of \$2.25 per Gateway Security is payable in cash and provides Gateway Securityholders with an opportunity to realise the full and certain value of the consideration being offered, with no transaction costs.

If you accept the Offer and the Offer becomes unconditional, you will:

- receive \$2.25 cash per Gateway Security; and
- receive your cash payment on the earlier of:
 - within one month after the Offer is accepted or one month after the Offer becomes or is declared unconditional (whichever is the later); and
 - 21 days after the end of the Offer Period.

Gateway Securityholders who were registered holders of Gateway Securities on the record date of 29 June 2018 will remain entitled to receive the 5.35 cents Distribution per Gateway Security announced by Gateway on 22 June 2018 if they accept the Offer. The 5.35 cents Distribution will remain payable on 28 September 2018.

If you accept the Offer (and the Offer becomes unconditional), you will eliminate your exposure to the risks and uncertainties inherent in owning Gateway Securities. By contrast, if the Offer is not accepted, the amount which you will be able to realise for your Gateway Securities is uncertain and subject to a number of risks.

1.4 The Offer is the only offer currently available to Gateway Securityholders and is superior to the Brookfield Non-Binding Proposal

On 21 June 2018, Gateway announced to ASX that it had received an indicative, non-binding and conditional proposal by Brookfield Property Group (**Brookfield**) to acquire 100% of the stapled securities of Gateway (**Brookfield Non-Binding Proposal**).

No further announcement has been made by Gateway or Brookfield in connection with the Brookfield Non-Binding Proposal.

Hometown's Offer is the only offer currently available to Gateway Securityholders.

The Hometown Offer presents a superior proposal to Gateway Securityholders in comparison to the Brookfield Non-Binding Proposal. The Hometown Offer provides Gateway Securityholders with a higher Offer Consideration and greater certainty of completion given the Brookfield Non-Binding Proposal is a non-binding and indicative proposal, subject to 6 weeks of satisfactory due diligence⁶ and, if implemented by way of a scheme of arrangement, subject to a Gateway Securityholder vote, in which Hometown Australia is able to participate as Gateway's largest Securityholder⁷.

	Hometown Offer	Brookfield Non-Binding Proposal
Implied Offer Consideration	\$2.25 per Gateway Security (representing \$2.3035 before being adjusted for the 5.35 cents Distribution)	\$2.2465 per Gateway Security, (representing \$2.30 before being adjusted for the 5.35 cents Distribution)
Conditional On Due Diligence	Not subject to the completion of due diligence	Subject to the completion of at least 6 weeks of satisfactory due diligence from the date on which the Brookfield Non-Binding Proposal was announced (on 21 June 2018)
Completion Risk	Significantly lower than Brookfield Non-Binding Proposal, given: <ul style="list-style-type: none"> ▪ Hometown's current Relevant Interest of 18.2% in Gateway Securities; and ▪ Takeover Offer is only subject to a 50% minimum acceptance condition 	Material current uncertainty given the Brookfield Non-Binding Proposal is subject to: <ul style="list-style-type: none"> ▪ The completion of at least 6 weeks of satisfactory due diligence from the date on which the Brookfield Non-Binding Proposal was announced; ▪ Negotiating a binding Scheme or takeover bid implementation agreement; and ▪ If implemented by way of scheme of arrangement, a Gateway Securityholder vote in which Hometown Australia is able to participate (as the largest Gateway Securityholder⁸)
Existing Relevant Interest	Relevant Interest in approximately 18.2% of all Gateway Securities ⁹	None known ¹⁰

⁶ From the date on which the Brookfield Non-Binding Proposal was announced on 21 June 2018.

⁷ Based on documents lodged with ASX in relation to Gateway up to the date of this Bidder's Statement.

⁸ Based on documents lodged with ASX in relation to Gateway up to the date of this Bidder's Statement.

⁹ Based on 303,726,580 Gateway Securities on issue at the date of this Bidder's Statement.

¹⁰ Based on information publicly available.

1.5 Hometown has demonstrated support from major Gateway Securityholders

Hometown has the demonstrated support of current and previous major Gateway Securityholders, including Perennial Value Management Limited (**Perennial**), Colonial First State Asset Management (Australia) Ltd¹¹, Wavestone Capital Pty Limited and Maso Capital Investments Limited, by way of Pre Bid Agreements and, in the case of Perennial, the outright acquisition by the Bidder of Gateway Securities from Perennial¹².

At the date of this Bidder's Statement, Hometown has a Relevant Interest in 55,283,893 Gateway Securities representing approximately 18.2% of all Gateway Securities¹³, of which:

- approximately 9.5% is directly held and owned by Hometown Australia, making Hometown Australia the largest Gateway Securityholder¹⁴; and
- the balance comprising Hometown's Relevant Interest as a result of the Pre Bid Agreements.

Further details in relation to the Pre Bid Agreements, the Share Sale Agreement and Hometown's on-market acquisitions are set out in Sections 8.3, 8.4 and 8.8 of this Bidder's Statement.

1.6 If the Offer is not accepted, there is risk that the Gateway Security price may fall after the Offer closes

If the Hometown Offer proceeds and no alternative transaction is proposed or, in the case of the Brookfield Non-Binding Proposal, implemented:

- **The price of your Gateway Securities may fall**

Hometown's Offer Consideration of \$2.25 per Gateway Security represents a 28.5% premium to \$1.752, which is the last undisturbed closing price of \$1.805 per Gateway Security on Friday 8 June 2018, reduced for the 5.35 cents Distribution.

Following the close of the Offer, the price at which Gateway Securities are traded on the ASX may fall and trade at a material discount to the consideration offered under the Offer.

If you do not accept the Hometown Offer and Hometown acquires more than 50% of Gateway Securities on a Fully Diluted Basis but does not achieve compulsory acquisition:

- **You will become a minority Gateway Securityholder**

Being a minority Gateway Securityholder will have the following implications:

- the market for Gateway Securities may become less liquid;
- Gateway's ASX index weighting may reduce;
- Hometown intends to replace Gateway directors with its own nominees;
- Hometown may seek to have Gateway removed from the official list of the ASX; and
- Hometown will review the capital structure and distribution policy of Gateway.

If you do not accept the Offer and remain a minority Gateway Securityholder, these factors may make it more difficult for you to sell your Gateway Securities outside the Offer at prevailing price levels.

Please see Section 5 of this Bidder's Statement for further details regarding Hometown's intentions in relation to Gateway.

- **Your Gateway Securityholding may continue to be subject to market volatility**

The recent volatility in Australian and international markets may continue to impact on:

- movements in the demand for, and price of, securities traded on securities exchanges;
- Gateway's ability to access debt and equity capital; and
- general economic conditions including inflation and interest rates that may impact on Gateway's business operations.

If you accept the Offer and the Offer becomes unconditional, you will be paid cash for your Gateway Securities and will no longer be exposed to risks inherent in holding Gateway Securities.

11 Colonial First State Asset Management (Australia) Ltd has entered into two Pre Bid Agreements with Hometown, one in its capacity as manager of the Colonial First State Future Leaders Fund, and the other in its capacity as manager of the CSF Wholesale Small Companies Fund Growth.

12 On 19 July 2018, the Bidder transferred the Gateway Securities it acquired from Perennial to Hometown Australia Holdings.

13 Based on 303,726,580 Gateway Securities on issue at the date of this Bidder's Statement.

14 Based on Gateway Securities held and owned by Hometown Australia and a total of 303,726,580 Gateway Securities on issue at the date of this Bidder's Statement.

- **If Hometown becomes entitled to compulsory acquisition, you will receive the consideration at a later date than if you accept the Offer**

If Hometown becomes entitled to compulsorily acquire your Gateway Securities, it intends to proceed with compulsory acquisition.

If your Gateway Securities are compulsorily acquired by Hometown, you will still receive the same consideration for each Gateway Security as the Offer Consideration. However, you will receive the consideration at a later date than you would have received it if you had accepted the Offer, potentially having a negative impact from a time value of money perspective.

Set out below are summary answers to some key questions that Gateway Securityholders may have in relation to the Offer. This information is a summary only and qualified by the detailed information in this Bidder's Statement.

You should read the entire Bidder's Statement and Gateway's Target's Statement before deciding whether to accept the Offer.

Final decisions will only be reached after that review and in light of all material facts and circumstances. Accordingly, statements set out in this Section are statements of current intention only and may vary as new information becomes available or circumstances change. 5.3 Intentions for Gateway as a wholly owned controlled entity

This Section describes Hometown's current intentions if Hometown and its Associates acquire a relevant interest in 90% or more of Gateway Securities, and Hometown becomes entitled to proceed to compulsory acquisition of outstanding Gateway Securities in accordance with Part 6A.1 of the Corporations Act.

In these circumstances, Hometown's current intentions are as follows.

A. Corporate matters

- Hometown intends to proceed with compulsory acquisition of the outstanding Gateway Securities in accordance with the provisions of Part 6A.1 of the Corporations Act, including any Gateway Securities which are issued as a result of the conversion of, exercise of rights conferred by, or vesting of, Gateway Security Appreciation Rights after the end of the Offer Period and in the six weeks after Hometown gives the compulsory acquisition notices;
- Hometown will procure the removal of Gateway from the official list of ASX;
- Hometown intends to reconstitute the Gateway Board with nominees of Hometown. While a final decision on the selection of Hometown's nominees has not yet been made, Hometown has identified the following candidates who are likely to be considered by Hometown for appointment to the Gateway Board:

Patrick Christopher Zilis

Patrick Zilis is a director with Hometown Australia where he oversees all aspects of the company's operations. Patrick is also Co-President and Chief Financial Officer of Hometown America. He joined Hometown America in 1999 and has been a principal with the company since 2002. Patrick has been in the real estate industry for more than 25 years, with prior experience in debt / equity originations and asset management at CIBC, Heller Financial and The Balcor Company. Patrick received his undergraduate degree from the University of Notre Dame.

Kevin John Tucker

Kevin Tucker is a director with Hometown Australia with responsibility for sourcing acquisition and development opportunities, home sales and development activities, debt raisings, and corporate responsibilities such as legal / tax compliance. Prior to Hometown, Kevin spent 16 years at GE Capital. During his tenure with GE, he was responsible for sourcing lending opportunities, and served as an asset manager overseeing a large portfolio of diverse assets. Kevin received his undergraduate degree from the University of California – Berkeley, and his MBA from the University of Southern California.

Stuart Charles Strong

Stuart Strong is a director with Hometown Australia with responsibility for overseeing day-to-day management of all of Hometown's Australian operations, including supervision of onsite staff, resident relations, and council relations / regulatory matters. Stuart is also responsible for sourcing acquisition and development opportunities. - Hometown intends to conduct the strategic review referred to in paragraph (B) below; and
- Hometown intends to seek to remove or replace OMIFL in its current capacity as responsible entity of RPT2 and following its review, make an assessment of the appropriate ongoing structure of RPT2 as RPT2 will cease to be a "managed investment scheme" (as defined in the Corporations Act) following completion of the compulsory acquisition of the outstanding Gateway Securities.

B. Strategic review of Gateway

Hometown is attracted to Gateway's portfolio of quality land lease assets and views Gateway as a platform for future investment, growth and value creation in Australia. If Hometown acquires all of the Gateway Securities, Hometown intends to:

- i. conduct a thorough and broad-based strategic review of Gateway's corporate structure, assets, businesses, personnel and operations;
- ii. identify performance improvement opportunities; and
- iii. develop a business plan for the ongoing operation and growth of the Gateway businesses and assets.

This review will apply quantitative and qualitative factors to measure performance and areas for improvement, and may result in changes to the structure of Gateway's operating businesses.

C. Impact on employees

Hometown recognises the outstanding value of Gateway's workforce, brand and operations and expects there to be significant value and knowledge in the existing Gateway staff.

It is Hometown's present intention to conduct the strategic review referred to in paragraph (B) above before determining the optimal organisational structure for Gateway in the context of the Hometown Group.

Following the outcome of the review and with the benefit of further information concerning the operations, assets, structure and employees of Gateway that Hometown expects will be available to it, Hometown intends to make an assessment as to whether it will retain the services of all Gateway employees. Hometown has a total of 5 employees at its Australian corporate head office and may require a larger workforce in order to ensure a smooth transition of ownership and continuation of operations following its acquisition of Gateway.

It is possible that Hometown may consider engaging certain Gateway employees to support the Australian corporate head office. It is also possible that certain operational functions or positions, such as those relating to head office or corporate functions will become redundant. The extent and timing of any redundancies is not known at this point, however will be in compliance with applicable legislative or contractual requirements. Gateway employees in roles which are made redundant will be paid any redundancy amounts in accordance with their legal entitlements as at the date of this Bidder's Statement.

Hometown has not made any determination at this time regarding such matters. Further, it is not practical to make any such determination until after conclusion of the Offer and the strategic review.

5.4 Intentions for Gateway as a part owned entity

Set out below are Hometown's current intentions if Hometown acquires a relevant interest in 50% or more, but less than 90%, of Gateway Securities and is therefore not entitled to compulsorily acquire the remaining Gateway Securities.

A. Corporate matters

After the end of the Offer Period, Hometown intends:

- (subject to the Corporations Act and the constituent documents of Gateway) to seek to reconstitute the Gateway Board so that it is appropriately sized and composed having regard to the size and scale of Gateway's business and to reflect Hometown's ownership of Gateway. The new board members to be appointed have not yet been finally determined by Hometown and their identity will depend on the circumstances at the relevant time. Hometown has identified potential candidates listed in Section 5.3(a)(iii) as likely to be considered by Hometown for appointment to the Gateway Board;
- Hometown intends to continue the operation of RPT2 and retain OMIFL in its current capacity as responsible entity of RPT2 pending Hometown's assessment of the suitability of the current structure following the conclusion of the Offer and its strategic review. Depending on Hometown's ownership of Gateway and the circumstances at the time, Hometown may potentially seek to remove or replace OMIFL as the responsible entity of RPT2;
- to consider whether it is appropriate to maintain Gateway's listing on ASX, having regard to considerations such as the costs associated with maintaining that listing, Hometown's final level of ownership, the number of remaining Securityholders in Gateway and the level of trading in Gateway Securities. Hometown expects that a final decision as to Gateway's removal from the Official List of ASX will ultimately be made by ASX in accordance with published ASX guidance. If Hometown acquires a relevant interest in at least 75% of Gateway Securities but less than 90%, Hometown intends to cause Gateway to apply to ASX for Gateway's removal from the official list of the ASX;
- review the distribution policy of Gateway having regard to any capital funding requirements of Gateway identified in its strategic review; and
- to the fullest extent possible, and having regard to its holding, implement the intentions set out in Section 5.3 above.

Hometown may, at some later time, acquire further Gateway Securities in any manner permitted by the Corporations Act, including by making creeping acquisitions in reliance on the '3% creep' rule in item 9 of section 611 of the Corporations Act, or it may divest some or all of its securityholding.

It is possible that, even if Hometown is not entitled to proceed to compulsory acquisition of minority holdings after the end of the Offer Period under Part 6A.1 of the Corporations Act, it may subsequently become entitled to exercise rights of general compulsory acquisition under Part 6A.2 of the Corporations Act, for example, as a result of further acquisitions of Gateway Securities. Hometown will make an assessment at the relevant time based on the then current circumstances as to whether or not it will exercise those compulsory acquisition rights in respect of any Gateway Securities that it does not hold.

If Hometown does not obtain a relevant interest in 90% or more of the Gateway Securities under the Offer, it may determine that its holding of Gateway Securities is not a long term investment and accordingly may seek to explore options in relation to its holding including a divestment of some or all of its Gateway Securities. Any decisions in relation to these matters will have regard to all relevant considerations at that time.

B. Limitations on giving effect to intentions

To the extent that Gateway is not wholly owned by Hometown and there are minority Securityholders of Gateway, Hometown intends that the directors of Gateway appointed by it will act at all times in accordance with their fiduciary duties and that all requisite Securityholder approvals and other legal requirements are complied with in pursuing any of the intentions outlined above.

For example, the ability of Hometown to implement the intentions set out in this Section may be subject to the requirements of the Corporations Act and the ASX Listing Rules relating to transactions between related parties. Those and other applicable requirements may require the approval of minority Securityholders to the implementation of any particular objective.

The requirement of Hometown to have regard to those fiduciary duties in the context of Gateway as a partially owned subsidiary and the possible requirement of approval by minority Gateway Securityholders may prevent the achievement of any particular objective in this Section.

5.5 Intentions generally

Subject to the matters described above in this Section 5 and elsewhere in this Bidder's Statement and, in particular, the completion of the strategic review of Gateway's operations, it is the intention of Hometown at the date of this Bidder's Statement to:

- not make any major changes to Gateway's existing business or redeploy any of the fixed assets of Gateway;
- continue the business of Gateway; and
- continue the employment of the present employees of Gateway.

6.1 Total consideration

The consideration for the acquisition of the Gateway Securities to which the Offer relates will be satisfied by the payment by Hometown of cash (in Australian dollars).

The maximum cash amount which may be required by Hometown to settle acceptances under the Offer is approximately \$691,906,064 (**Maximum Cash Consideration**).

The Maximum Cash Consideration is calculated on the basis:

- acceptances are received in respect of 303,726,580 Gateway Securities on issue at the date of this Bidder's Statement²¹; and
- all 3,787,226 Gateway Security Appreciation Rights in existence at the Register Date vest and result in the issue of Gateway Securities on a 1 to 1 basis such that holders of Security Appreciation Rights are issued 3,787,226 Gateway Securities²² and all those additional Gateway Securities are accepted into the Offer.

While the above calculation of the Maximum Cash Consideration is based on Gateway Securities being issued in respect of all Security Appreciation Rights, Hometown has no reason to believe that all the Security Appreciation Rights would vest or result in the issue of Securities or result in the issue of Securities on a 1 to 1 basis, as a result of the Offer, based on publicly available information.

6.2 Sources of cash consideration

Hometown will fund the Maximum Cash Consideration through the funding arrangements set out below, which in aggregate will meet the Maximum Cash Consideration and Hometown's transaction costs.

A. Hometown funding arrangements

Calzada and Hometown America Holdings are parties to a binding equity commitment letter dated 18 July 2018 (**Equity Commitment Letter**). Hometown comprises indirect wholly owned subsidiaries of Hometown America Holdings through Hometown Australia Holdings.

Under the Equity Commitment Letter, Calzada has agreed to provide by way of equity funding all amounts that Hometown requires to pay the Maximum Cash Consideration (to the extent necessary) as well as any associated transaction fees and expenses incurred by Hometown (**Calzada Equity Commitment**).

Calzada will fund the Calzada Equity Commitment by way of an equity subscription in Hometown America Holdings and may do so directly or indirectly through one or more direct or indirect subsidiaries of Calzada or any other investment fund advised or managed by an affiliate of Calzada or any other investment fund that is a limited partner of Calzada or of an affiliate of Calzada.

Calzada's obligation is limited to contributing the Calzada Equity Commitment to Hometown America Holdings to be used by Hometown solely to pay the Offer Consideration and related fees and expenses of the Offer.

The Calzada Equity Commitment is not subject to any conditions other than the satisfaction (or waiver) of the conditions to the Offer.

Hometown America Holdings is entitled to enforce the Equity Commitment Letter against Calzada.

Under a Loan Agreement dated 20 July 2018 between Hometown and Hometown America Holdings (**Hometown Loan Agreement**), Hometown America Holdings has agreed to provide the Calzada Equity Commitment it receives from Calzada under the Calzada Equity Commitment Letter by way of loan to be used by Hometown solely for the purpose of funding the Maximum Cash Consideration and the related fees and expenses.

Under the Hometown Loan Agreement, Hometown can require the Maximum Cash Consideration to be made available to it by way of drawdowns on the loan after the Offer becomes unconditional and within 2 Business Days of its drawdown request.

Hometown America Holdings' provision of the loan will be subject only to the Offer becoming unconditional. The repayment of the loan cannot occur earlier than 6 months after the end of the Offer Period.

B. Calzada's funding arrangements

Calzada has the requisite funds available to it to satisfy its obligations under the Equity Commitment Letter. Calzada's aggregate capital commitments from WSIB are materially in excess of the Maximum Cash Consideration and associated transaction costs and expenses, and such funds may be called from time to time in the ordinary course of its business including as necessary to enable Calzada to fund the Maximum Cash Consideration under the Equity Commitment Letter.

21 This is the total number of Gateway Securities on issue at the date of this Bidder's Statement based on documents lodged by Gateway with ASX.

22 This calculation is based on publicly available information in relation to Gateway at the date of this Bidder's Statement. Hometown does not have access to the full terms of the Equity Incentive Plan pursuant to which the Gateway Security Appreciation Rights were issued or otherwise applicable to the Gateway Security Appreciation Rights. Accordingly, for the purposes of determining the Maximum Cash Consideration, Hometown has assumed that all the Gateway Security Appreciation Rights disclosed to the ASX will vest and result in the issue of Gateway Securities on a 1 for 1 basis. Refer to Gateway's Target Statement for further information.

As of 31 March 2018, WSIB had total assets under management valued at US\$129.1 billion, including approximately US\$99.0 billion in its commingled trust fund which pools together retirement fund assets.

As of 31 March 2018, WSIB's commingled trust fund had cash and cash equivalents of approximately US\$871.2 million, which are utilised to fund capital calls from alternative asset managers, including Calzada. In addition, WSIB may transfer funds from other asset classes, such as fixed income and public equity. As at 31 March 2018, WSIB's commingled trust fund had assets of approximately US\$22.0 billion in fixed income and US\$34.6 billion in public equity.

The financial information in the two paragraphs above comes from WSIB's most recent quarterly report for the quarter ending March 31, 2018.²³

6.3 Payment of cash consideration

On the basis of the arrangements described in this Section 6, Hometown considers that it has a reasonable basis to form, and holds, the view that Hometown will be able to pay the Maximum Cash Consideration required for acquisition of the Gateway Securities in sufficient time to enable Hometown to discharge its obligations to Gateway Securityholders who have accepted the Offer.

The Offer is not subject to any financing conditions.

7.1 Introduction

This Section provides a summary of the Australian income tax, goods and services tax (**GST**) and stamp duty implications for Gateway Securityholders on disposing of their Gateway Securities (through acceptance of the Offer) in return for cash consideration.

The Gateway Securities comprise of shares in Gateway Lifestyle Operations Limited and units in Residential Parks No.2 Trust being stapled and only able to be dealt with as a single security for legal purposes. However, the shares and units will be treated as separate assets for capital gains tax (**CGT**) purposes. Accordingly, references to the “Gateway Securities” in this section refer to the shares in Gateway Lifestyle Operations Limited and units in Residential Parks No.2 Trust separately.

This Section is relevant for Australian resident and foreign resident Gateway Securityholders who hold their Gateway Securities on capital account. This Section does not consider the Australian tax consequences for Gateway Securityholders:

- who hold their Gateway Securities as trading stock or as revenue assets;
- who hold their Gateway Securities as assets used in carrying on a business or as part of a profit making undertaking or scheme;
- who acquired their Gateway Securities through an employee security scheme;
- who are Australian tax residents but who hold their Gateway Securities as part of an enterprise carried on, at or through a permanent establishment in a foreign country;
- that are financial institutions, insurance companies, partnerships, tax exempt organisations, trusts (except where expressly stated), superannuation funds (except where expressly stated) or temporary residents; or
- who are subject to the taxation of financial arrangements rules in relation to gains and losses on their Gateway Securities.

The information in this Section is based on the Australian taxation law and practice in effect as at the date of this Bidder’s Statement. It is not intended to be an authoritative or complete statement or analysis of the taxation laws applicable to the particular circumstances of every Gateway Securityholder.

Gateway Securityholders should seek independent professional advice regarding the taxation consequences of accepting the Offer and disposing of their Gateway Securities.

7.2 Taxation consequences of disposal of Gateway Securities by Australian residents

A summary of the income tax consequences relevant for Gateway Securityholders who dispose of their Gateway Securities by way of transfer to Hometown and that are Australian residents for tax purposes is outlined below.

Under the Offer, the Gateway Securityholders will dispose of their Gateway Securities to Hometown in exchange for the Offer Consideration.

The disposal of Gateway Securities to Hometown under the Offer will constitute a CGT event for the Gateway Securityholders. The CGT event will happen in relation to a Gateway Securityholder:

- at the time the Gateway Securityholder accepts the Offer; or
- if the Gateway Securityholder does not accept the Offer and the Gateway Securities are compulsorily acquired by Hometown, the time at which the Gateway Securities are acquired.

Gateway Securityholders who accept the Offer will:

- make a capital gain if the capital proceeds received on the disposal of their Gateway Securities are more than the cost base of those Gateway Securities; or
- make a capital loss if the capital proceeds received on the disposal of their Gateway Securities are less than the reduced cost base of those Gateway Securities.

The capital proceeds on the disposal of the Gateway Securities will be the Offer Consideration.

The Offer Consideration will need to be apportioned by the Gateway Securityholders based on the value split between Gateway Lifestyle Operations Limited and Residential Parks No.2 Trust as at the time the Offer is accepted. The value split information should be provided by Gateway at the time the Offer is accepted.

The cost base (or reduced cost base) of Gateway Securities in the hands of the Gateway Securityholders for income tax purposes will be broadly:

- the sum of the original amount paid to acquire their Gateway Securities and any non-deductible incidental costs associated with the acquisition of the Gateway Securities and the disposal to Hometown;
- minus any return of capital and tax deferred distributions received in connection with the Gateway Securities.

The original amount paid to acquire the Gateway Securities should have been appropriately apportioned to the securities in the Gateway Lifestyle Operations Limited and the units in Residential Parks No.2 Trust at the time of the acquisition. One reasonable basis of apportionment indicated by the ATO is to base the apportionment on the portion of the value the stapled entity represented at the time of the acquisition.

Gateway Securityholders may be entitled to reduce any capital gain on the disposal of their Gateway Securities by applying the CGT discount (discussed below).

CGT Discount

The CGT discount should be available to Gateway Securityholders who are individuals, trusts or complying superannuation funds and have held their Gateway Securities for at least 12 months before the time of the CGT event resulting in the disposal of the Gateway Securities by accepting the Offer.

Broadly, the CGT discount rules enable the Gateway Securityholders to reduce their capital gain (after the application of any current year or prior year capital losses of the Gateway Securityholders) by 50% for individuals and trusts and 33 1/3% for complying superannuation funds.

The CGT discount is not available to Gateway Securityholders that are companies.

The application of the CGT discount rules to a Gateway Securityholder that is a trustee of a trust is complex, particularly where distributions to beneficiaries of the trust are attributable to discounted capital gains. Gateway Securityholders that are trustees of trusts should obtain specific tax advice.

Capital losses

A capital loss will arise where the capital proceeds received by the Gateway Securityholders on the disposal of their Gateway Securities are less than the reduced cost base of those Securities.

A capital loss may be used to offset any other capital gains made by the Gateway Securityholders for the relevant year of income or may be carried forward to offset capital gains in future income years. Specific loss recoupment rules apply to companies to restrict their ability to utilise capital losses in future years in some circumstances. Gateway Securityholders should obtain their own tax advice in relation to the operation of these rules.

7.3 Taxation consequences of disposal of Gateway Securities by foreign residents

A summary of the Australian income tax consequences relevant for Gateway Securityholders who dispose of their Gateway Securities by accepting the Offer and who are foreign residents for tax purposes is outlined below.

Generally, a Gateway Securityholder who is a foreign resident for Australian income tax purposes and who does not carry on business in Australia at or through a permanent establishment should be exempt from CGT on the disposal of their Gateway Securities, unless, broadly:

- the foreign resident Gateway Securityholder (together with its Tax Associates) hold 10% or more of the issued Securities in the relevant Gateway entity (note that the shares in Gateway Lifestyle Operations Limited and units in Residential Parks No. 2 Trust will be treated separately for these purposes) at the time of the CGT event resulting from the disposal of the Gateway Securities or for any continuous twelve month period within two years preceding the time of the CGT event; and
- more than 50% of the market value of the Gateway entity is derived from real property in Australia (broadly, land (and assets affixed to the land) situated in Australia).

A Securityholding that meets these conditions is referred to as an *indirect Australian real property interest*. Importantly, foreign resident Gateway Securityholders must assess whether they are subject to CGT at the time of the CGT event resulting from the disposal of their Gateway Securities. Foreign resident Gateway Securityholders who are subject to CGT on the disposal of their Gateway Securities will not be entitled to the CGT discount in relation to that portion of the capital gain which arises after 8 May 2012.

Gateway Securityholders who are not resident in Australia for income tax purposes should note that the Australian tax consequences from the disposal of Gateway Securities may be affected by any double tax agreement between Australia and their country of residence. Foreign resident Gateway Securityholders should obtain specific tax advice.

7.4 CGT payment obligations

A bidder in an off-market takeover bid has an obligation, subject to certain exceptions, to pay an amount equal to 12.5% of the offer consideration to the ATO if the securities acquired from a target securityholder qualify as indirect Australian real property interests and the bidder either:

- knows that the target securityholder is a foreign resident; or
- reasonably believes that the target securityholder is a foreign resident; or
- does not reasonably believe that the target securityholder is an Australian resident and either:
 - i. the target securityholder has an address outside Australia; or

- ii. the bidder is authorised to make payment of the offer consideration to a place outside Australia (whether to the target securityholder or to anyone else).

If the bidder considers that it has an obligation to make the above payment to the ATO, it may withhold the applicable amount from the Offer Consideration paid to the relevant target securityholder. Where the bidder pays the withheld amount to the ATO, the bidder will be discharged of any liability to pay that amount of the offer consideration to the target Securityholder.

Despite any other provision of this section 7 or the terms of the Offer in Appendix 1 to this Bidder's Statement, if Hometown reasonably believes that there is, or is reasonably likely to be, a liability to withhold and pay an amount to the ATO in respect of the disposal of Gateway Securities by a Gateway Securityholder, Hometown will withhold the applicable amount from the payment of Offer Consideration to the Gateway Securityholder and pay the amount withheld to the ATO. The Gateway Securityholder will then only receive the net proceeds after deduction of this withheld amount and the payment of the net proceeds will be taken to be full payment for the purposes of this Offer.

If Hometown considers that a withholding will be required, Hometown will notify the relevant Gateway Securityholder at their registered address. A Gateway Securityholder who believes the disposal of their Gateway Securities may trigger a foreign resident CGT withholding tax liability should obtain their own independent advice and consider contacting Hometown.

Hometown may request the Gateway Securityholder to complete, sign and return a Relevant Foreign Resident Declaration Form in order to ensure the Gateway Securities held by the Gateway Securityholder are not indirect Australian real property and therefore not subject to withholding tax being deducted from the Offer Consideration.

7.5 Stamp duty

Hometown will pay the stamp duty (if any) and foreign surcharge duty (if any) payable in Australia on the transfers of Gateway Securities under the Offer.

7.6 GST

The disposal of Gateway Securities to Hometown under the Offer should either be an input taxed financial supply (if the Gateway Securityholder is registered for GST), or an out-of-scope supply (if the Gateway Securityholder is not registered for GST). In either case, no GST should be payable.

Gateway Securityholders may be charged GST on costs (such as brokerage and advisor fees) that relate to their participation in the Offer. Gateway Securityholders may not be entitled to claim full input tax credits for the GST included in such costs that relate to the disposal of the Gateway Securities. Gateway Securityholders should obtain independent advice in relation to the impact of GST in their individual circumstances.

8.1 Offer Structure

Hometown's Offer comprises:

Each of the Bidder, Hometown Management and Hometown Nominees (as trustee for the Hometown Property Trust) have agreed to make the bid jointly and ensure that the Bidder is able to satisfy all its obligations under the Offer, including in respect of payment of the Offer Consideration to accepting Gateway Securityholders.

Section 6.2 sets out details of the funding arrangements.

8.2 Date for determining holders of Gateway Securities

For the purposes of section 633 of the Corporations Act, the date for determining the people to whom information is to be sent under items 6 and 12 of Section 633(1) of the Corporations Act is the Register Date (being 7pm on **[insert]** 2018).

that was not offered to all holders of securities in the bid class.

8.12 Other Non Public Information

As part of its discussions with Gateway, Hometown was given access by Gateway to certain limited and incomplete information concerning Gateway which has not been disclosed generally. This access was granted between 4 July 2018 and 10 July 2018.

None of the information to which Hometown was given access is, in the opinion of Hometown, of such a nature and quality which, if the information was generally available, a reasonable person would expect it to have a material effect on the price or value of Gateway Securities or, in the opinion of Hometown and except as disclosed in this Bidder's Statement, would otherwise be material to a decision by a Gateway Securityholder whether or not to accept the Offer.

8.13 Conditions

The Offer is subject to a number of conditions set out in Appendix 2 to this Bidder's Statement, including the FIRB Condition and a 50% minimum acceptance condition on a Fully Diluted Basis. Under the terms of the Offer and the Corporations Act, any, some or all of those conditions may be waived by Hometown.

If at the end of the Offer Period, Hometown has not declared the Offer to be unconditional and there are any conditions (other than no Prescribed Occurrences) that have not been fulfilled, then any contract resulting from acceptance of the Offer will be void with effect from the end of the Offer Period, and the relevant Gateway Securities will be returned to the holder.  - i. no contract for the sale of your Gateway Securities will come into force or be binding on you or on Bidder;
 - ii. Bidder will have no rights (conditional or otherwise) in relation to your Gateway Securities;
 - iii. if your Gateway Securities are held in a CHESS Holding, you will be entitled to withdraw your acceptance in respect of those Gateway Securities by having your Controlling Participant transmit a valid originating message to ASX specifying the Gateway Securities to be released from the sub-position, in accordance with Rule 14.16 of the ASX Settlement Operating Rules; and
 - iv. if your Gateway Securities are not held in a CHESS Holding, you will be entitled to withdraw your acceptance in respect of those Gateway Securities by sending a notice to that effect signed by you (or on your behalf, in which case documentation proving that the person or persons signing the notice are authorised to do so must accompany the notice) to any of the addresses specified on the Acceptance Form so that it is received at the relevant address at any time prior to the fulfillment or waiver of the FIRB Condition.
- b. The conditions in Appendix 2 other than the FIRB Condition (**Remaining Conditions**) are conditions subsequent. The non-fulfilment of any condition subsequent does not, until the end of the Offer Period (or in the case of the condition 8 in Appendix 2 until the end of the third Business Day after the end of the Offer Period), prevent a contract to sell your Gateway Securities from arising, but entitles Bidder by written notice to you to rescind the contract resulting from your acceptance of the Offer.
- c. Subject to the Corporations Act, Bidder alone is entitled to the benefit of the Remaining Conditions or to rely on any non-fulfilment of any of them.
- d. Each condition in Appendix 2 is a separate, several and distinct condition. No condition will be taken to limit the meaning or effect of any other condition.

7. Freeing the Offer of conditions

Bidder may waive the FIRB Condition, but it will only do so if such waiver would not be in breach of the FATA.

Bidder may free the Offer, and any contract resulting from its acceptance, from all or any of the conditions in Appendix 2, either generally or by reference to a particular fact, matter, event, occurrence or circumstance (or class thereof), by giving a notice to Gateway declaring the Offer to be free from the relevant condition or conditions specified, in accordance with section 650F of the Corporations Act. By Bidder giving such a notice in relation to a condition, Bidder waives the condition.

This notice may be given:

- a. in the case of condition 8 in Appendix 2, not later than 3 Business Days after the end of the Offer Period; and
- b. in the case of all the other conditions in Appendix 2, not less than 7 days before the end of the Offer Period.

If, at the end of the Offer Period (or in the case of condition 8 in Appendix 2, at the end of the third Business Day after the end of the Offer Period), the conditions in Appendix 2 have not been fulfilled and Bidder has not declared the Offer (or it has not become) free from those conditions, all contracts resulting from the acceptance of the Offer will be automatically void.

8. Notice on status of conditions

The date for giving the notice on the status of the conditions required by subsection 630(1) of the Corporations Act is **[insert]** 2018 being not more than 14 days and not less than 7 days before the end of the Offer Period (subject to extension in accordance with subsection 630(2) if the Offer Period is extended).

9. Contract void if conditions not fulfilled

Your acceptance of the Offer, and any contract resulting from your acceptance of the Offer, will be automatically void if:

- a. at the end of the Offer Period, any of the conditions in Appendix 2 is not fulfilled; and
- b. Bidder has not declared the Offer free from the conditions in Appendix 1 as provided in paragraph 7.

10. Validity of acceptances

- a. Subject to this paragraph 10, your acceptance of the Offer will not be valid unless it is made in accordance with the procedures set out in paragraph 3.
- b. Bidder will determine, in its sole discretion, all questions as to the form of documents, eligibility to accept the Offer and time of receipt of an acceptance of the Offer. Bidder is not required to communicate with you prior to making this determination. The determination of Bidder will be final and binding on all parties.
- c. Despite paragraphs 3(b) and 3(c), Bidder may, in its sole discretion, at any time and without further communication to you, deem any Acceptance Form it receives to be a valid acceptance in respect of your Gateway Securities, even if a requirement for acceptance has not been complied with. However, the payment of the consideration in accordance with the Offer may be delayed until any irregularity has been resolved or waived and any other documents required to procure registration have been received by Bidder.
- d. Bidder will provide the consideration to you in accordance with paragraph 13 in respect of any part of an acceptance determined by Bidder to be valid.
- e. If any Gateway Securities delivered by you are not exchanged for cash for any reason under the terms and conditions of the Offer, they will be returned to you (at your risk) as promptly as practicable following the expiration or withdrawal of the Offer. In such case, Bidder will return, at your risk, your Acceptance Form together with any other documents forwarded by you, to your address as shown on the Acceptance Form or such other address as you may notify Bidder in writing.
- f. The transmission by you of the Acceptance Form and any documents in accordance with paragraph 3 is at your own risk. No acknowledgement of receipt of any such documents will be given to you by or on behalf of Bidder.

11. The effect of acceptance

- a. Once you have accepted the Offer, you will be able to revoke your acceptance at any time while the FIRB Condition has not been fulfilled or waived. When the FIRB Condition has been fulfilled or waived, you will be unable to revoke your acceptance and the contract resulting from your acceptance will be binding on you. You will consequentially be unable to withdraw your Gateway Securities from the Offer or otherwise dispose of your Gateway Securities, except as follows:
