# **Foreign Resident Declaration Form**

IOF would like to advise registered IOF Unitholders that there are potential additional implications regarding the tax treatment of the scheme consideration payable to certain foreign registered holders if the trust schemes relating to the proposed acquisition of 100% of IOF are implemented.

Under Australian foreign resident capital gains withholding tax rules, Quartz BidCo Pty Ltd (ACN 626 431 927) and Quartz Sub TC Pty limited (ACN 626 431 963 in its capacity as trustee of the Quartz Bid Trust (together, the *Acquirer*) are required to assess whether a registered IOF Unitholder (being the legal owner) is a 'relevant foreign resident' as at the Record Date. If the Acquirer considers, or reasonably believes, that a registered IOF Unitholder as at the Record Date is a 'relevant foreign resident', then unless that IOF Unitholder provides an appropriate declaration regarding its residency or interest, the Acquirer is required to remit to the Australian Taxation Office, 12.5% of the consideration otherwise payable to the unitholder.

IOF has been informed that the Acquirer will look at a number of factors in determining whether it considers, or reasonably believes, that a IOF Unitholder will be a 'relevant foreign resident' for the purpose of the Australian foreign resident capital gains withholding tax rules including circumstances in which the IOF Unitholder:

- is classified as a non-resident in the Register or has a non-Australian domicile per the Register;
- has a foreign registered address;
- is not incorporated in Australia; or
- is a corporate unitholder and otherwise has a registered name that leads the Acquirer to reasonably believe that the corporate IOF Unitholder is not an Australian incorporated corporate entity.

If the Acquirer considers, or reasonably believes, that you are a 'relevant foreign resident' you should be sent a Relevant Foreign Resident Declaration Form (**Declaration Form**) either together with the Notice of Meeting and Explanatory Memorandum (**Scheme Booklet**) or separately. If you receive a Declaration Form you should ensure that you read it in full and follow the instructions provided on the form. If you are in doubt as to what you should do, you should consult your legal, investment or other professional adviser.

You must return your signed Declaration Form by 5.00pm (Sydney time) on 22 August 2018 in order to ensure your status is correctly reflected and to prevent 12.5% withholding being deducted from the consideration otherwise payable to you.

Unitholders are advised to read Section 7 of the Scheme Booklet (Taxation Report) which sets out further details on the Australian foreign resident capital gains tax rules and their application to IOF unitholders.

A copy of the Declaration Form and Cover Letter that will be dispatched to IOF Unitholders that the Acquirer considers, or reasonably believes, to be 'relevant foreign residents' is attached to this release.

# THIS IS AN IMPORTANT DOCUMENT AND REQUIRES YOUR IMMEDIATE ATTENTION IF YOU IGNORE THIS DOCUMENT 12.5% OF THE PROPOSAL CONSIDERATION THAT WOULD OTHERWISE BE PAYABLE TO YOU FOR YOUR IOF UNITS MAY BE WITHHELD

Dear IOF Unitholder,

# Proposed acquisition of Investa Office Fund – Relevant Foreign Resident Declaration Form

We are writing to you in relation to the proposed acquisition of Investa Office Fund (**IOF**) by Quartz BidCo Pty Ltd and Quartz Sub TC Pty Ltd (as trustee of the Quartz Bid Trust) (collectively, the **Acquirer**) (the **Proposed Acquisition**).

Records available to IOF's registrar show that you are the registered holder of IOF Units. Based on these records, the Acquirer considers that you could be a 'relevant foreign resident' for the purpose of Australian foreign resident capital gains withholding rules.

As a result, you are being sent a Relevant Foreign Resident Declaration Form (**Declaration Form**) with this letter, which you need to complete and return if you are eligible to make a relevant declaration.

If the Proposed Acquisition is implemented and you have not returned your Declaration Form, the Acquirer intends to withhold 12.5% of the Proposal Consideration payable to you for your IOF Units.

# **Purpose of the Declaration Form**

The purpose of the Declaration Form is to give you the opportunity to make a declaration and prevent the Acquirer withholding 12.5% of your Proposal Consideration. You should ensure that you read the Declaration Form in full and follow the instructions provided. If you are in doubt about what you should do, you should consult your tax adviser.

### **Vendor Declarations**

The Acquirer does <u>not</u> intend to withhold 12.5% of your Proposal Consideration if you make either of the following declarations and the Acquirer does not know the declaration to be false:

a) if you are an Australian resident for income tax purposes and will be an Australian resident for income tax purposes for the period from and including the Record Date for the Proposed Acquisition (expected to be Wednesday, 29 August 2018) until and including the Implementation Date for the Proposed Acquisition (expected to be Wednesday, 5 September 2018), you should place an X in the box next to the first declaration in Section B of the grey-shaded 'VENDOR DECLARATION' section of the Declaration Form (the Residency Declaration) and return the signed and completed Declaration Form in accordance with the instructions below; or

b) if you and your associates (Associates) together have not owned 10% or more of IOF's units on issue for any 12 month period during the two years preceding the Implementation Date, you should place an X in the box next to the second declaration in Section B of the grey-shaded 'VENDOR DECLARATION' section of the Declaration Form (the Interest Declaration) and return the signed and completed Declaration Form in accordance with the instructions below.

The definition of Associate for Australian income tax purposes differs depending on whether you are an individual, a company, a trustee or a partnership. Generally, your Associates will include relatives, partners, trustees and beneficiaries, and related companies.

In the case of joint IOF Unitholders, each holder will be required to provide a declaration. It is acceptable for all joint unitholders to make a declaration on the same form (the details of each joint IOF Unitholder should be provided and each unitholder must sign the declaration form). Alternatively, it would be acceptable for each joint IOF Unitholder to complete a separate Declaration Form.

The Acquirer has been advised that, based on the operation of the foreign resident capital gains withholding rules and the *Power of Attorney Act 2003 (NSW)* (and other state equivalents), the Australian Taxation Office does not accept that an agent acting under a power of attorney can make a vendor declaration for the purposes of the foreign resident capital gains withholding rules. As such, the declaration would need to be signed by the IOF Unitholder in their own right.

If you make a false or misleading declaration you may be liable to pay a penalty. If you are in any doubt about whether you can make one of the above declarations (for example, if you are unsure who your Associates are), you should consult your tax adviser before completing and returning your Declaration Form.

### **Returning your Declaration Form**

Please return the Declaration Form by following the instructions as set out on the form. If you do not return your signed Declaration Form by 5.00pm (Sydney time) on Wednesday, 22 August 2018, or if you return the Declaration Form unsigned or incorrectly completed, or if you return the Declaration Form without ticking the box next to either the Residency Declaration or the Interest Declaration (summarised above), the Acquirer intends to withhold 12.5% of your Proposal Consideration.

The Acquirer must pay any amount withheld to the Australian Commissioner of Taxation as an estimate of your Australian income tax liability in respect of the disposal of your IOF Units. You may be entitled to a credit or a refund of the amount withheld. Any credit will be applied to your income tax liability once you have lodged your Australian income tax return.

### **Additional Information**

Further information in relation to the Australian foreign resident capital gains withholding rules is set out in Section 7 (*Taxation Report*) of the Explanatory Memorandum. Further information on the factors the Acquirer considers in determining whether it considers that an IOF Unitholder will be a 'relevant foreign resident' for the purpose of the Australian foreign resident capital gains withholding rules is set out in Section 1 (*Frequently Asked Questions*) of that Explanatory Memorandum.

If you have any questions about this letter or the Declaration Form, or you would like an additional copy of the form, please contact the IOF Unitholder Information Line on 1300 851 394 (within Australia) or +61 1300 851 394 (outside Australia), Monday to Friday between 8.30am and 5.30pm (Sydney time).

Yours sincerely,

Richard Longes Non Exec. Chairman
