2 NSR

2.1 Formation and Structure

National Storage REIT was formed on 19 December 2013 when its securities were first listed on the ASX through an initial public offering (the “**IPO**”). This was facilitated by the stapling of the shares in NSH to the units in the Trust to form Stapled Securities which are traded on the ASX under the identifier “**NSR**”.

As part of the IPO, The Trust Company (RE Services) Limited ACN 003 278 831 (AFSL Number 235150) (Trust Co RE) was appointed the responsible entity of the Trust. On 10 November 2015, Trust Co RE retired and NSFSL was appointed the new Responsible Entity ("RE") of the Trust.

3 NSR's Approach to Corporate Governance

3.1 Framework and ASX Compliance

The boards of NSH and NSFSL are comprised of the same members, however, they each have their own respective corporate governance and compliance obligations under the Corporations Act and the ASX Listing Rules. NSFSL and NSH each have their own Constitution which sets out the rights and obligations of each respective entity, and the unitholders (in the case of the Trust) and shareholders (in the case of NSH) respectively.

NSH and NSFSL have entered into a cooperation deed and management agreement. These facilitate common processes and governance systems for NSH and NSFSL relating to NSR and govern the relationship between the entities in relation to NSR Securities. Pursuant to these agreements, the Board of NSH is responsible for the overall governance function of NSR, however, each board discharges their respective governance obligations as required.

If there is any inconsistency between the obligations of either NSH or NSFSL under the cooperation deed and the Constitution of NSH or NSFSL (as relevant), the provisions of the relevant Constitution prevail to the extent of the inconsistency.

NSFSL, the Board and NSH management are committed to, and recognise the importance of good corporate governance. The Board, with the assistance of NSH management, have created a framework for managing NSR which includes internal controls and business risk management processes.

The corporate governance framework adopted by NSR is supported by the highly experienced Board. The Board is integral to the determination of appropriate corporate governance arrangements for NSR and to the continual monitoring of those arrangements.

The corporate governance framework implemented by the Board on behalf of NSR is underpinned by the ASX Corporate Governance Councils Corporate Governance Principles and Recommendations Third Edition (the "**ASX Recommendations**"). The ASX Listing Rules require listed entities to disclose the extent of their compliance with the ASX Recommendations and to explain why they have not adopted a particular Recommendation.

The Board considers that the governance practices adopted by the Group as at the date of this Statement, fully comply with the ASX Recommendations. The Board considers that during the Financial Year ended 30 June 2018 and as at 21 August 2018, the Group was in full compliance with the ASX Recommendations.

The Group's policies, codes and charters relevant to corporate governance are located on NSR's website at www.nationalstorageinvest.com.au/governance.

Detail on NSR's compliance with the ASX Recommendations are set out below in this Statement.

This Statement has been adopted by the Board as at 21 August 2018.

4 Principle 1 – Lay Solid Foundations for Management and Oversight

4.1 Recommendation 1.1

NSR requires that there must be a minimum of three (3) directors of the Board, a majority of which must be non-executive, independent directors.

The directors will determine the size of the Board, subject to the NSH Constitution, which provides that there can be no less than three directors on each Board.

As at the date of this Statement, the Board is comprised as follows:

1. Laurence Brindle – independent non-executive Chairman;
2. Anthony Keane – independent non-executive director;
3. Howard Brenchley – independent non-executive director;
4. Steven Leigh – independent non-executive director;
5. Andrew Catsoulis – Managing Director; and
6. Claire Fidler – Executive Director.

Details on the NSH and NSFSL Directors' respective experience and qualifications are set out in the 2018 NSR Annual Report at pages 26, 27, 29, 42 and 43.

The role of the Board is to provide overall strategic guidance for NSR and effective oversight of management. The Board ensures that the activities of NSH comply with its legal and regulatory requirements, and NSH's Constitution, from which the Board derives its authority to act.

The responsibility for the daily operation and management of NSR is delegated to the Managing Director of NSH, who undertakes this task in accordance with the strategy, policies and plans approved by the Board. The Managing Director has authority to sub-delegate to the senior management team. Matters delegated to management by the Board are reviewed from time to time to ensure they are appropriate.

The RE Board also delegates to management of NSH the management of all matters not reserved for the RE Board. Whilst the RE has the same board members, the RE has implemented separate policies and procedures and maintains its own systems for compliance and good governance.

The Board has adopted a Board Charter which details the framework for the Board's operation, functions and responsibilities. It also details the matters that are reserved for the Board. The Board Charter is located at www.nationalstorageinvest.com.au/governance.

4.2 Recommendation 1.2

The process of selection and appointment of new directors to the Board is that when a vacancy arises or the Board determines that additional directors should be

appointed, the Nomination Committee identifies candidates with appropriate skills, experience and expertise. Candidates the Nomination Committee considers best complement the Board's effectiveness, and the skill and experience sets of the Board matrix, will be recommended to the Board. When the Board considers that a suitable candidate has been found, that person may be appointed by the Board to fill a casual vacancy in accordance with the NSH Constitution, but then must stand for election by Securityholders at the proceeding annual general meeting.

The Board has adopted a Nomination Committee Charter that details appointment of new directors to the Board. The Charter requires the undertaking of appropriate and necessary checks before a person can be appointed to the Board. The Charter is located at www.nationalstorageinvest.com.au/governance.

The NSH Board considers that its current members have an appropriate balance of skills, independence and experience to discharge their obligations and effectively chart the strategy of NSR. The NSH Board considers that it is appropriate and in the best interests of NSR and the stapled security holders to periodically review the size and composition of the Board and its skill set to ensure that it remains appropriate for NSR.

4.3 Recommendation 1.3

NSH enters into written letters of engagement with its directors that set out the terms of their appointment.

NSH also enters into written contracts of employment with its senior executive officers which set out their terms of employment. Further detail on these contracts are available in the Remuneration Report in the 2018 NSR Annual Report at pages 50 and 51.

The Board Charter also provides further details on the Board and requirements regarding director engagement.

4.4 Recommendation 1.4

The Company Secretary of NSH is directly accountable to the Board through the Chairman of the Board on all governance matters and issues relating to the operation, function and responsibilities of the Board.

The Company Secretary and Chairman regularly meet to discuss regulatory and legal requirements, Board operations and functions and to plan the Board's schedule throughout the year to ensure efficient and compliant functioning of the Board.

The Board Charter sets out detail of the Company Secretary's role and accountability.

4.5 Recommendation 1.5

The Board and management of NSR are committed to ensuring that the workforce of the Group is comprised of and attracts talented people from a diversity of backgrounds. The Group promotes a culture of equality for all including on the basis of gender, race, sexual orientation, religion and age, amongst others.

The Board has adopted a Diversity Policy that is located at www.nationalstorageinvest.com.au/governance. The Policy sets out NSR's commitment to diversity and its requirements to achieve this, including the

requirement to set measureable objectives for achieving gender diversity and an annual assessment of the objectives and its progress in achieving them.

The diversity policy establishes a diversity committee. At this time, the Board has determined that the full Board will continue to discharge the responsibilities of the committee as given its size it believes it is appropriate for the full Board to be involved in gender equality.

The objectives set by the Board for the Reporting Period continued to be for the Company to strive for 50% of senior management to be women and 25% of senior executive roles to be women. During the year, the Company was proud to release its fourth report to the Workplace Gender Equality Agency ("WGEA") and was pleased to receive its certificate of compliance. A copy of the report can be requested by emailing invest@nationalstorage.com.au. A summary of the key statistics for the period up until 31 March 2018 is as follows:

National Storage's inclusive and supportive culture is reflected in the WGEA reporting statistics. In addition, the FY18 period saw the expansion of the NS Emerging Leaders program to Head Office staff. 77% of the participants from the Emerging Leaders for FY18 were female. Further details on this program are set out in the NSR FY18 Sustainability Report.

4.6 Recommendation 1.6 and 1.7

The Board Charter and Remuneration Committee Charter set out the annual performance appraisal process for the Board. The Chairman evaluates the other directors' performances, and the Remuneration Committee evaluates the Chairman's performance and reports to the Board. The Board and Chairman may utilise independent consultants to assist in evaluation or performance criteria.

Senior management are evaluated by the Managing Director and subsequently the Remuneration Committee and the Board. The Managing Director is evaluated by the Remuneration Committee and the Board. Further information on the review processes is detailed in the Remuneration Report in the 2018 NSR Annual Report at pages 47 and 50.

During the Reporting Period, each of the Board members conducted a self-assessment questionnaire and undertook a detailed review of the Board skills' matrix. The Board did not consider that any changes were required to the size or skillset of the Board at this time.
