

Oneview announces Leadership Additions

23rd August, 2018. Oneview Healthcare PLC today announced that Michael Kaminski is joining the Oneview board as a non-executive Director.

Mike is a Chicago-based senior healthcare executive with over 35 years of experience in innovative technology-based companies. He has a proven and successful track record operating across multiple stages of the business cycle from start-up entrepreneurial organizations to large global enterprises. Mike was most recently the CEO of Landauer Inc. where he delivered significant EPS growth and share price gains during his tenure.

Mike is replacing Will Vicars on the Board, who is stepping down after 5 years and appointing Mike as his representative.

Will Vicars commented "Mike will bring significant operational experience to Oneview that is appropriate now particularly as we pursue growth in the crucial US market. As the single-largest shareholder of the company I remain fully committed to Oneview and supportive of the leadership and strategic direction of the company."

Mike Kaminski commented "I had the pleasure of meeting the Oneview leadership team in March this year and after traveling to the head office in Dublin I am enormously impressed by their people, product vision and the impact their technology is delivering with some of the most discerning healthcare systems in the United States and globally."

Oneview today also announced the promotion of Steve Lutz to Managing Director of our Australia and New Zealand division.

Steve joined the company in April, 2018, as Director of Sales for ANZ after a successful seventeen year career with Cerner Corporation where he lived and worked on four continents. Steve brings a wealth of healthcare IT experience and has made an immediate positive impact on the Australian business. Having spent over six years of his career in Sydney and Melbourne he brings deep relationships in the healthcare sector in Australia and a global perspective to the business. Steve is based in Oneview's Sydney office.

Oneview CEO, James Fitter commented "As we continue to grow and expand our business it's vitally important for us to attract leaders with enterprise healthcare and IT domain knowledge that will help us to continue to grow and scale our business. We are delighted to be able to attract such high-quality professionals with the expertise and passion to support our mission to improve the lives of patients, families and their carers".
