Full details of the Rights Issue and key dates for the Rights Issue, are set out in the Offer Memorandum and Appendix 3B lodged with the ASX today. **The Offer Memorandum is expected to be sent to Eligible Shareholders on Thursday 6 September 2018.**

A summary of the key details of the Rights Issue is provided on the next page.

## RIGHTS ISSUE — KEY DETAILS

- Under the Rights Issue, Eligible Shareholders will be entitled to apply for one (1) new Moreton share for every ten (10) Moreton shares they hold as at the Record Date, at \$0.008 per new share.
- The issue price for the Rights Issue represents a discount to the current market price of approximately 15-25% to recent trading in the \$0.010 to \$0.011 range. This is why the board is precluding any other interest in this offer, and only allowing existing shareholders to participate.
- The maximum number of shares to be issued under the Rights Issue is 278,324,015 (based on the undiluted share capital of Moreton as at 31 August 2018, without considering the impact of rounding down and assuming no options or performance rights are converted into shares by the Record Date).
- Shareholders with registered addresses in countries outside of Australia and New Zealand will not be eligible to participate in the Rights Issue.
- Moreton shares will be quoted on an "ex" basis from Tuesday, 4 September 2018 and therefore any Moreton shares bought or sold on market on and from this date will not carry entitlements under the Rights Issue.
- The Rights Issue is non-renounceable. This means that a shareholder's right to subscribe for new Moreton shares under the Rights Issue is not transferable.

## SECTION 708AA NOTICE

- (4) the potential effect the Rights Issue will have on the control of Moreton will depend on the extent shareholders take up their entitlements:
  - (a) if all Eligible Shareholders take up their entitlements in full the Rights Issue will have no effect on the control of Moreton;
  - (b) the proportional interests in Moreton of those Eligible Shareholders who do not take up their full entitlement in the Rights Issue will be diluted by those other Eligible Shareholders who take up some, or all, of their entitlement or take up all of their entitlement and participate in any shortfall under the top up facility;
  - (c) the proportional interests in Moreton of shareholders who are ineligible to participate in the Rights Issue will be diluted because those ineligible shareholders are not entitled to participate in the Rights Issue;
  - (d) based on Moreton's share register as at 31 August 2018, only one shareholder has voting power of 20% or more being Non-Executive Director Mr Tony Feitelson who currently has voting power of 33%. Mr Feitelson will not participate in the top up facility;
