6.5 Lapse of Options

An Option lapses on the earliest of:

- (a) the date stipulated in the terms of issue of the Option; or
- (b) the termination of the Trust; or
- (c) the winding up of the Trust,
- (d) and the liability of the Responsible Entity and the Trust ceases in respect of the Option.

7 Financial Instruments

7.1 Issue of Financial Instruments

Subject to the Corporations Act, the Responsible Entity may issue Financial Instruments:

- (a) at an application price (which may be nil) determined by the Responsible Entity if permissible under the Corporations Act or, if such determination may not be made, at an application price of \$2.00 per Financial Instrument; and
- (b) on such other terms (including with preferred, deferred or other special rights, obligations or restrictions, with regard to distributions, voting, return of capital, payment of calls, redemptions, conversions or otherwise) as the Responsible Entity determines, to the extent that the terms are not inconsistent with the provisions of this constitution which are required to be included in it by section 601GA of the Corporations Act.

7.2 Rights of Financial Instrument Holders

A Financial Instrument Holder holds a Financial Instrument subject to the terms attaching to that Financial Instrument. Subject to those terms and the Corporation Act:

- (a) a Financial Instrument will not confer any interest in, or any right to participate in, the income or capital of the Trust and does not entitle the Financial Instrument Holder to any other rights of a Member; and
- (b) a Financial Instrument Holder who is not a Member may, with the Responsible Entity's consent, attend any meeting of Members but is not entitled to receive notice of or speak (unless the Responsible Entity otherwise agrees that the Financial Instrument Holder may receive notice of or speak) or vote at the meeting.

8 Transfer, transmission and joint holders

8.1 Transfer of Relevant Securities

Relevant Securities may be transferred subject to their terms, this clause 8 and clause 31.

8.2 Transfer if not Officially Quoted

If Relevant Securities are not Officially Quoted, transfers must be:

- (a) in a form approved by the Responsible Entity;

- (b) accompanied by any evidence the Responsible Entity reasonably requires to show the right of the transferor to make the transfer; and
- (c) if the Responsible Entity requires, be presented for Registration duly stamped.

If Relevant Securities are not Officially Quoted, the Responsible Entity may refuse to record any transfer in the Register without giving any reason for the refusal.

8.3 Transfer if Officially Quoted

Subject to this constitution and the Listing Rules, if a Relevant Security is Officially Quoted, it is transferable:

- (a) as provided by the Operating Rules of a CS Facility if applicable; or
- (b) by any other method of transfer which is required or permitted by the Corporations Act, ASX or ASIC.
- (c) If a duly completed instrument or transfer:
- (d) is used to transfer a Relevant Security in accordance with paragraph 8.3(b); and
- (e) is left for registration with the Registrar, duly stamped if required and accompanied by any information that the Responsible Entity properly requires to show the right of the transferor to make the transfer,
- (f) the Responsible Entity must, subject to the Responsible Entity's powers, register the transferee as the Relevant Security Holder.

8.4 When transfer is effective

Except as provided by any applicable Operating Rules of a CS Facility, a transfer is not effective until Registered.

8.5 Responsible Entity may request holding lock or refuse to register transfer

If the Relevant Securities are Officially Quoted, and if permitted to do so by the Listing Rules, the Responsible Entity may:

- (a) request the CS Facility Operator or the Registrar, as the case may be, to apply a holding lock to prevent a transfer of Relevant Securities from being registered on the CS Facility's sub-register or registered on an issuer-sponsored sub register, as the case may be; or
- (b) refuse to Register a transfer of other Relevant Securities to which paragraph 8.5(a) does not apply.

8.6 Responsible Entity must request holding lock or refuse to register transfer

The Responsible Entity must:

- (a) request the CS Facility Operator or the Registrar, as the case may be, to apply a holding lock to prevent a transfer of Relevant Securities from being registered on the CS Facility's sub register or registered on an issuer-sponsored sub register, as the case may be; or

- (b) refuse to register any transfer of Relevant Securities to which paragraph 8.6(a) does not apply,

if the Corporations Act or Listing Rules require the Responsible Entity to do so or the transfer is in breach of clause 31.

8.7 Notice of holding locks and refusal to register transfer

If, in the exercise of its rights under clauses 8.5 or 8.6, the Responsible Entity requests the application of a holding lock to prevent a transfer of Relevant Securities or refuses to Register a transfer of Relevant Securities, it must, within two months after the date on which the transfer was lodged with it, give written notice of the request or refusal to:

- (a) the holder of the Relevant Securities;
- (b) the purported transferee; and
- (c) the broker lodging the transfer, if any.

Failure to give notice does not, however, invalidate the decision of the Responsible Entity.

8.8 Foreign jurisdictions

Subject to the Corporations Act, Listing Rules and any applicable ASIC Relief, the Responsible Entity may decline to register any instrument of transfer where in the Responsible Entity's opinion the transfer may contravene any legislation or guidelines issued by or on behalf of the Government of the Commonwealth of Australia in respect of ownership of assets by persons not being Australian persons.

8.9 Joint tenancy

Persons Registered jointly as holders of a Unit hold as joint tenants and not as tenants in common unless the Responsible Entity otherwise agrees.

8.10 Death or legal disability of Member

- (a) If a Member dies or becomes subject to a legal disability such as bankruptcy or insanity, only the survivor (where the deceased was a joint holder) or the legal personal representative (in any other case) will be recognised as having any claim to Units Registered in the Member's name.
- (b) A person who becomes entitled to a Unit because of the death, bankruptcy, insanity or other disability of a Member is entitled to receive and may give a discharge for all money payable in respect of the Unit, but, subject to the Corporations Act, is not entitled to receive notices of or to attend or vote at any meetings of Members until that person is registered as the holder of the Unit.

9 Application Price for Units¹³

9.1 Application Price

Subject to this clause 9 and subject to any rights, obligations and restrictions attaching to any particular Units or Class as specified in this Constitution, the application price for a Unit must be calculated as follows:

- (a) in the case of Units, except for C Units, initially issued in a Class, at a price of \$2.00;
- (b) in the case of Units, except for C Units, in a Class issued pursuant to an Initial Public Offer, at a price of \$2.00;
- (c) in the case of C Units, at a price of \$2.00;
- (d) subject to paragraphs 9.1(a) to 9.1(c), while Units in a Class are not Officially Quoted (including in the case of a reinvestment of distributions while Units in a Class are not Officially Quoted), in accordance with clauses 9.2 to 9.4;
- (e) in the case of a proportionate offer (including a rights issue), in accordance with clause 9.6;
- (f) in the case of a placement of Units or issue of Units under a security purchase plan while Units in a Class are Officially Quoted, in accordance with clause 9.9;
- (g) in the case of reinvestment of distributions while Units in a Class are Officially Quoted, in accordance with clauses 9.10;
- (h) in the case of Units issued pursuant to the exercise of an Option, in accordance with clause 6; and
- (i) subject to paragraphs 9.1(a) to 9.1(h), in all other cases for Units in a Class that are Officially Quoted, the Market Price of Units in that Class immediately before the date on which or as at which the application price is to be calculated.

9.2 Application Price formula

- (a) If the Trust has one Class of Units on issue at a Valuation Time, a Unit must only be issued at an Application Price calculated as:

$$\frac{\text{Net Asset Value}}{\text{number of Units in issue}} \times (1 + \text{Transaction Costs})$$

or the appropriate proportion of that amount in the case of a Fractional Unit. For example, half of that amount for a 0.50 Fractional Unit.

- (b) If the Trust has more than one Class of Units on issue at a Valuation Time, a Unit of a Class of Units must only be issued at an Application Price calculated in accordance with the following formula:

$$\left[\frac{\text{Net Class Value}}{\text{number of Units in issue for the Class}} \right] \times (1 + \text{Transaction Costs})$$

¹³ Required to be included by section 601GA(1)(a)

- (c) Notwithstanding clauses 9.2(a) and 9.2(b), the opening Application Price at a Valuation Time for a new Class of Units which are to be issued immediately after the Valuation Time under valid applications (accompanied by the relevant application money) received before the Cut-off Time immediately preceding the Valuation Time, is the highest Application Price for a Unit in a Class of Units on issue at the Valuation Time.

9.3 Time for Calculation

- (a) Each of the variables in clause 9.2 must be determined as at the next Valuation Time after:
 - (i) the application for Units has been, or is taken to have been, received and Accepted by the Responsible Entity; or
 - (ii) the Responsible Entity receives the application money (even if paid or to be paid into the Applications Account) or the property against which Units are to be issued is vested in the Responsible Entity,whichever happens later.
- (b) For the purposes of determining the application price for Units to be issued on the reinvestment of Income for a Distribution Period ("**Relevant Distribution Period**"), the Responsible Entity must calculate the Net Asset Value, and a Valuation Time is taken to have occurred, as at the time immediately after the end of the last day of the Relevant Distribution Period.
- (c) For the purposes of the calculation under clause 9.2, if at the relevant Valuation Time Units have been issued under clause 10.7 but the Application Price of those Units has not yet been ascertained, the application money or property relating to those Units and the Units are to be excluded from the calculation.

9.4 Time of receipt

Unless the Responsible Entity determines otherwise, for the purposes of clause 9.3 the time of receipt of an application or money or property is taken to be:

- (a) immediately before the Cut-off Time for the Business Day of receipt, if the application, money or property (as applicable) is received before the Cut-off Time on that Business Day; and
- (b) immediately before the Cut-off Time on the next following Business Day if the application, money or property (as applicable) is received on a day which is not a Business Day or is received on or after the Cut-off Time on a Business Day.

9.5 Rounding

Subject to the Listing Rules, the Application Price may be rounded as the Responsible Entity determines but the amount of the rounding must not be more

than 1% of the Application Price. Any excess application money or property which results from rounding becomes an Asset.¹⁴

9.6 Pro rata rights issues¹⁵

Subject to the terms of any applicable ASIC Relief and the Listing Rules (while the Listing Rules apply), the Responsible Entity may offer Units for subscription at a price determined by the Responsible Entity to those persons who were Members on a date determined by the Responsible Entity:

- (a) provided that, subject to paragraph (b) of this clause 9.6, all Members are offered Units in proportion to the value of the Member's Units (or, where the offer is made only to Members who hold Units in a Class, to the value of the Member's Units in that Class) at the relevant date; but
- (b) the Responsible Entity may exclude a Member from the pro rata offer if to do so would not be in contravention of paragraph 601FC(1)(d) of the Corporations Act, as modified by ASIC Relief,
- (c) whether or not the right of entitlement is renounceable.

9.7 Other jurisdictions

If the Responsible Entity is making an offer of Units to Members which is otherwise in compliance with clause 9.6, the Responsible Entity is not required to offer Units to persons whose address on the Register is outside Australia or New Zealand (or who holds Units on behalf of a person outside Australia or New Zealand) in the circumstances permitted under the applicable ASIC Relief and the Listing Rules¹⁶.

9.8 Terms of pro rata issues

- (a) Any offer made under clause 9.6 must specify the period during which it may be accepted. It must be made to Members in proportion to the value of their respective Unit holdings on the date determined by the Responsible Entity under clause 9.6. The Responsible Entity may adjust any entitlement to accord with the Listing Rules and, in the case of fractions, the Responsible Entity must offer the next higher whole number of Units. Any Member may renounce their entitlement in favour of some other person, unless the issue is expressed to be non-renounceable.
- (b) Any Units offered for subscription under clause 9.6 which are not subscribed for within the period for acceptance set by the Responsible Entity may be offered for subscription by the Responsible Entity to any person. The application price payable in relation to such further offer must not be less than that at which the Units were originally offered to Members.
- (c) If an underwriter has underwritten any offer for subscription of Units under clause 9.6, the underwriter may take up any Units not subscribed for by Members.

¹⁴ See ASIC Class Order 13/655 and 13/657.

¹⁵ See notional section 601GAD(3)(a) in ASIC Class Order 13/655.

¹⁶ See Listing Rule 7.7.

9.9 Placements and security purchase plan while Officially Quoted

While Units in a Class are Officially Quoted and not suspended from quotation, the Responsible Entity may at any time issue Units in that Class by way of a placement or under a security purchase plan:

- (a) at the Market Price of Units during the 10 Trading Days immediately before the date on which the Units are offered; or
- (b) at a price and on the terms determined by the Responsible Entity, provided that the Responsible Entity complies with the Listing Rules applicable to the issue and the conditions and restrictions of any applicable ASIC Relief.

9.10 Application Price while Officially Quoted if reinvestment applies

- (a) If reinvestment applies while the Units are Officially Quoted, subject to the Listing Rules, the application price for each additional Unit issued or transferred upon reinvestment is the price determined by the Responsible Entity. If the Responsible Entity has not determined the application price by the date at which units are to be issued upon reinvestment, the price will be the weighted average of the VWAP for Units for each of the 10 Trading Days from and including the third Trading Day after the Record Date for the relevant distribution ("**DRP VWAP Price**").
- (b) If the amount to be reinvested in additional Units results in a fraction of a Unit, the number of Units to be issued will be rounded down to the nearest whole Unit and any remaining amount becomes an Asset.

10 Application procedure

10.1 Application form

An applicant for Units must complete a form approved by the Responsible Entity if the Responsible Entity so requires. The form may be transmitted electronically if approved by the Responsible Entity.

10.2 Payment

Payment in respect of an application in a form acceptable to the Responsible Entity, or a transfer of property of a kind acceptable to the Responsible Entity and able to be vested in the Responsible Entity or a Custodian appointed by it must:

- (a) accompany the application;
- (b) be received by or made available to the Responsible Entity or the Custodian within such period before or after the Responsible Entity receives the application form as the Responsible Entity determines from time to time or as the terms of issue of the relevant Unit contemplate; or
- (c) comprise a reinvestment of distribution in accordance with clause 14.14

If the Responsible Entity accepts a transfer of property other than cash:

- (a) the value attributed to the property must be equivalent to a price at which the Responsible Entity could properly buy the property and, if the

Responsible Entity requires the applicant must provide a recent valuation of the property;¹⁷ and

- (b) any additional costs associated with the valuation or transfer of the property (beyond the amount of the Transaction Costs factor in the Application Price for the Units) must be paid by the applicant either directly or by deducting the costs from the value of the property before the number of Units to be issued is calculated.

10.3 Responsible Entity may reject

The Responsible Entity may reject an application in whole or in part without giving any reason for the rejection.

10.4 Eligible Person

- (a) Subject to the Listing Rules, no application will be Accepted from and no Units will be issued to any person other than an Eligible Person, unless otherwise determined by the Responsible Entity.
- (b) Subject to the Listing Rules, the Responsible Entity may determine that it will not permit a person:
 - (i) to become a Member; or
 - (ii) to acquire or be issued with further Units,unless the Responsible Entity has received an Eligible Person Statement (or such other document as the Responsible Entity may require) from that person.

10.5 Less than whole Units

Subject to the Listing Rules, where an application, cancellation or redemption would result in the issue of less than a whole Unit to a Member, the Responsible Entity in its absolute discretion may:

- (a) issue a Fractional Unit;
- (b) contribute its own funds to round up the number of Units issued to a whole number;
- (c) round the Unit up or down; or
- (d) hold the residual amount free of interest and apply it to the next application, cancellation or redemption made by the Member or pay the amount to the Member when moneys are next paid by the Responsible Entity under this constitution.

10.6 Minimum amounts

Subject to the Corporations Act and the Listing Rules, the Responsible Entity may set a minimum application amount, minimum additional application amount and a minimum holding amount for the Trust and alter or waive those amounts at any time or determine that a different minimum application amount or a different minimum holding will apply for one or more applicants or members (as the case may be).

¹⁷ ASIC RG 134.43

10.7 Issue date

- (a) Except in the case of a reinvestment of distribution in accordance with this constitution, Units are taken to be issued at the time which is the earlier of:
 - (i) the time the issue of Units is recorded in the Register; and
 - (ii) the time when both of the following occurred:
 - (A) the Responsible Entity Accepts the application for Units; and
 - (B) the Responsible Entity or its agent receives the application money (even if paid into the Applications Account or received in the form of a cheque) or the property against which Units are to be issued is vested in the Responsible Entity.
- (b) Units which are issued on a reinvestment of distribution in accordance with this constitution are taken to be issued on the first Business Day after the end of the Distribution Period to which the distribution relates.
- (c) At the time when Units are taken to be issued under paragraph (a)(ii) or (b):
 - (i) the applicant becomes a Member in respect of the Units, which are taken to be issued¹⁸ even though the number of Units may not yet have been ascertained and the issue has not yet been entered in the Register; and
 - (ii) the applicant becomes entitled to be recorded in the Register as the holder of those Units as soon as it is reasonably practicable for the Responsible Entity or its agent to make the entry.

10.8 Uncleared funds

Units issued against application money paid other than in cleared funds, or in consideration of a transfer of property, are void if the funds are not subsequently cleared or the property does not vest in the Responsible Entity within one month of receipt of the application.

10.9 Currency

Where it is necessary for the purposes of an application for Units to convert one currency to another, the conversion is to be made at a rate determined by the Responsible Entity.

10.10 Defective Applications

Subject to the Listing Rules, where, within 10 Business Days (or such longer period as the Responsible Entity determines) of the creation and issue of Units in the Trust, the Responsible Entity determines that:

- (a) the applicant was not entitled to hold the Units issued;
- (b) the application was incorrectly executed or executed without power or authority; or

¹⁸ For the purposes of section 761E(2)

- (c) the application form was defective and was accepted in error,

then the Responsible Entity may in its sole discretion cancel those Units, make an appropriate entry in the Register of the Trust and repay the application money to the applicant out of the Trust. If Units are cancelled under this clause, the Responsible Entity is not required to adjust any Application Price or Redemption Price determined before the cancellation of the Units.

11 Redemption Price of Units¹⁹

11.1 Redemption Price formula

- (a) If the Trust has one Class of Units on issue at a Valuation Time, a Unit must only be redeemed at a Redemption Price calculated as:

$$\frac{\text{Net Asset Value}}{\text{number of Units in issue}} \times (1 - \text{Transaction Costs})$$

or the appropriate proportion of that amount in the case of a Fractional Unit. For example, half of that amount for a 0.50 Fractional Unit.

- (b) If the Trust has more than one Class of Units on issue at a Valuation Time, a Unit of a Class of Units must only be redeemed at a Redemption Price calculated in accordance with the following formula:

$$\left[\frac{\text{Net Class Value}}{\text{number of Units for the Class in issue}} \right] \times (1 - \text{Transaction Costs})$$

- (c) For the purposes of determining the Redemption Price of Units of a particular Class at the first Valuation Time immediately after the creation and issue of a new Class of Units, the Net Class Value of that new Class of Units at the immediately preceding Valuation Time is the opening Application Price for that Class of Units determined in accordance with clause 9.2(b) (calculated as if the Transaction Cost is nil) multiplied by the number of Units of that Class at that immediately preceding Valuation Time.

11.2 Time for Calculation

- (a) Subject to clause 11.2(b), each of the variables in clause 11.1 (whichever is applicable) must be determined:
- (i) while the Trust is Liquid, as at the next Valuation Time after the redemption request has been, or is taken to have been, received and Accepted by the Responsible Entity; or
 - (ii) while the Trust is not Liquid, at the last Valuation Time before the redemption offer is made.
- (b) Without limiting the Responsible Entity's discretion to determine a Valuation Time under this constitution, where:
- (i) a redemption request for 5% or more of the Gross Asset Value of the Trust is received and Accepted on a day; or

¹⁹ Required to be included by Section 601GA(4).

- (ii) the Responsible Entity receives and Accepts a redemption request on a day which in aggregate with all other redemption requests received and Accepted on that day represents 5% or more of the Gross Asset Value of the Trust,
- (iii) the Responsible Entity may defer the date on which the variables in clause 11.1 are determined in respect of the redemption request (whichever is applicable) to the next Valuation Time following the expiry of five Business Days after the Responsible Entity has received and Accepted the redemption request.
- (c) For the purposes of the calculation under clause 11.1, if at the relevant Valuation Time Units have been issued under clause 10.7 but the Application Price of those Units has not yet been ascertained, the application money or property relating to those Units and the Units are to be excluded from the calculation.

11.3 Time of receipt

Unless the Responsible Entity determines otherwise, for the purposes of clause 11.2 the day and time of receipt of a redemption request is taken to be:

- (a) immediately before the Cut-off Time for the Business Day of receipt, if the request is received before the Cut-off time on a Business Day; or
- (b) immediately before the Cut-off Time on the next following Business Day if the request is received on a day which is not a Business Day or is received on or after the Cut-off Time on a Business Day.

11.4 Rounding

Subject to the Listing Rules, the Redemption Price may be rounded as the Responsible Entity determines but the amount of the rounding must not be more than 1% of the Redemption Price. Any excess which results from rounding becomes an Asset of the Trust.²⁰

12 Redemption procedures²¹

12.1 While the Trust is Listed

While the Trust is Listed:

- (a) clauses 12.9 to 12.11 apply only to the extent provided for in clause 12.16;
- (b) clauses 12.8, 12.12(a) to 12.13 and clauses 12.15 to 12.18(a) apply;
- (c) clause 12.14 does not apply to Units intended to be Officially Quoted; and
- (d) clauses 12.2 to 12.7, clauses 12.12(b), 12.18(b), 14.6(c) and 23.3(d)(ii) do not apply.

²⁰ See ASIC Class Order 13/655 and 13/657.

²¹ These procedures must be fair to all Members: Section 601GA(4)

12.2 Request for redemption

A Member may make a request for the redemption of some or all of the Member's Units by giving the Responsible Entity notice in writing²² of the request, specifying the number or value of Units to be redeemed and sufficient details to identify the Member. The Responsible Entity is not obliged to satisfy any such request.

12.3 Redemption of request

A Member may not withdraw a redemption request unless the Responsible Entity agrees.

12.4 When Trust is Liquid²³

Clauses 12.2, 12.4, 12.5 and 12.7 apply only while the Trust is Liquid²⁴, and also in circumstances where the redemption request was received and Accepted by the Responsible Entity²⁵ and the Redemption Price in respect of that redemption request was calculated at a time when the Trust was Liquid (even if it is no longer Liquid at the time the Responsible Entity exercises its powers and discretions under those clauses).

12.5 Responsible Entity may redeem

- (a) Subject to the Corporations Act and the Listing Rules, the Responsible Entity may decide to Accept a request from a Member to redeem some or all of their Units, in whole or in part. The Responsible Entity is not required to Accept any such request.
- (b) If the Responsible Entity determines to Accept a redemption request in respect of a Unit, it must pay from the Assets the Redemption Price of that Unit calculated in accordance with clause 11. The payment must be made within 21 days of the date on which the Responsible Entity Accepts the request, or such longer period as allowed by clause 12.6(a).

12.6 Delayed payment

- (a) Subject to paragraph 12.6(c), the Responsible Entity may extend the period within which it must pay the Redemption Price in respect of a redemption request it has Accepted, if and while it considers that it is in the best interests of Members to do so due to circumstances that:
 - (i) are outside its control, such as restricted or suspended trading or extreme price fluctuation or uncertainty in the market for an Asset; and
 - (ii) were not reasonably foreseen by the Responsible Entity when it Accepted the redemption request.
- (b) Subject to paragraph 12.6(c), the Responsible Entity may at any time suspend consideration of redemption requests if it is not possible or not in the best interests of Members due to one or more circumstances outside its control, (such as restricted or suspended trading or extreme price fluctuation or uncertainty in the market for an Asset). The period allowed under clause 12.5 for consideration of the redemption request

²² See clause 19.

²³ Required to be included by Section 601GA(4)(b) and 601KA(1)

²⁴ For a definition of a liquid Trust see section 601KA.

²⁵ See clause 12.13.

may be extended by the number of days during which such circumstances apply.

- (c) In relation to a redemption offer to which Part 5C.6 of the Corporations Act applies, the Responsible Entity must pay the redemption proceeds to the withdrawing Member or former Member within 21 days of the date on which the redemption offer closes.²⁶
- (d) If Acceptance of a redemption request would result in the Member holding Units with an aggregate Redemption Price which is less than the then current minimum holding amount, the Responsible Entity may treat the redemption request as relating to the balance of the Member's holding.

12.7 Increased minimum

If the Responsible Entity increases the minimum holding amount, the Responsible Entity may, after giving 30 days' notice to a Member who holds Units with an aggregate Redemption Price less than the then current minimum holding amount, redeem that Member's holding without the need for a redemption request.

12.8 Payment from the Assets

The Responsible Entity is not obliged to pay any part of the Redemption Price out of its own funds.

12.9 While Trust is not Liquid²⁷

- (a) While the Trust is not Liquid,²⁸ a Member may withdraw from the Trust in accordance with the terms of any current redemption offer made by the Responsible Entity in accordance with the provisions of the Corporations Act regulating offers of that kind.²⁹ If there is no redemption offer currently open for acceptance by Members, a Member has no right to request redemption from the Trust.
- (b) The Responsible Entity is not at any time obliged to make a redemption offer. If it does, it may do so by sending a copy of the offer to all Members or to all Members of a particular Class, or making a copy of the offer available by electronic means and giving notice to Members that it is available.

12.10 Cancellation of redemption offer

- (a) The Responsible Entity may cancel a redemption offer at any time. If it does, it may do so by sending a copy of the offer to all Members, or making a copy of the offer available by electronic means and giving notice to Members that it is available.
- (b) The cancellation of a redemption offer by the Responsible Entity does not affect the rights of Members whose acceptance of the offer has been received by the Responsible Entity in accordance with clause 19 after the offer period has opened but before the date on which the offer is

²⁶ Section 601KD.

²⁷ Required to be included by section 601GA(4)(c) if Members are to have right to redeem while the Trust is a Registered Scheme.

²⁸ For a definition of a liquid Trust see section 601KA(1).

²⁹ Refer to sections 601KB to 601KE.

cancelled to withdraw from the Trust in accordance with the terms of the redemption offer.

12.11 Treatment of request

If the Responsible Entity receives a redemption request, and the Trust subsequently ceases to be Liquid before that request has been Accepted or rejected, the request lapses.

12.12 Sums owed to Responsible Entity

- (a) The Responsible Entity may deduct from the proceeds of redemption or money paid pursuant to a redemption offer any money due to it by the Member, including an entitlement to be indemnified by a Member under clause 16.9(b)(viii), 16.9(b)(ix) or 23.3 or under the AMIT Regime more generally.
- (b) While the Trust is Liquid, the Responsible Entity may redeem without a redemption request some or all of the Units held by a Member to satisfy any amount of money due to it by the Member under clauses 16.9(b)(viii), 16.9(b)(ix) or 23.3 or under the AMIT Regime more generally. In these circumstances the Responsible Entity will be taken to have received and Accepted a redemption request in respect of the Units for the purposes of this clause 12.

12.13 When Units are redeemed

Units are taken to be redeemed:

- (a) where the redemption is to occur in response to a redemption request from a Member, at the time as at which the Responsible Entity has:
 - (i) received and Accepted the redemption request in respect of the Units; and
 - (ii) calculated the Redemption Price of the Units;³⁰ or
- (b) if paragraph (a) does not apply, at the time at which the Redemption Price is known and the redemption is recorded in the Register,
- (c) and from that time until payment of the Redemption Price, the former holder of the redeemed Units ceases to be a Member in respect of those Units and is a creditor of the Trust in respect of the redemption proceeds.

If Units are redeemed at the time referred to in paragraph (a), the Responsible Entity must as soon as is reasonably practicable arrange for the redemption of the Units to be recorded in the Register.

12.14 Cooling Off

Nothing in this clause 12 prevents the Responsible Entity from complying with any requirement to return application money to Members in accordance with Part 7.9 of the Corporations Act or with any similar requirement that applies to the Responsible Entity.

³⁰ ASIC RG 134.168.

12.15 Buy backs

While the Units are Officially Quoted, the Responsible Entity may, subject to the Corporations Act and the Listing Rules, purchase Units on ASX or any other financial market on which the trading of Units is permitted, and also off-market, and cause the Units to be cancelled. No Redemption Price is payable on cancellation of the Units.

12.16 While Officially Quoted

While the Units are Officially Quoted, the Responsible Entity may, subject to the Corporations Act and the Listing Rules, make a redemption offer under clause 12.9, in which case clauses 12.9 to 12.11 apply in relation to the redemption offer, and the Redemption Price is to be calculated in accordance with clause 11.2(a)(ii).

12.17 Distribution of Income

- (a) If, during a Distribution Period, the Responsible Entity redeems Units held by a Member and the redemption of Units is in respect of 5% or more of the Units on issue in a Class at the start of the Distribution Period or such other amount as may be determined by the Responsible Entity and notified to Members from time to time, ("Unit Redemption") then, subject to the Corporations Act and clause 12.17(b), the Responsible Entity must determine at or before the end of the Distribution Period during which the relevant redemption occurs:
 - (i) what amount ("Income Component") of the payment in satisfaction of the Unit Redemption ("Redemption Payment") in respect of the Units represents a distribution of the Income for that Financial Year; and
 - (ii) whether the Income Component of the Redemption Payment will comprise a distribution of Income for the Financial Year of any particular character for tax purposes.
- (b) Despite clause 12.17(a), where the Unit Redemption relates to two or more Classes then, unless clause 12.17(a) is satisfied in relation to each of those Classes, the Responsible Entity must only make a determination, that an amount of the payment in satisfaction of the Unit Redemption represents a distribution of the Income for that Financial Year, in respect of that part of the payment which is referable to the Class or Classes for which clause 12.17(a) is satisfied.
- (c) Where the Responsible Entity makes a determination under clause 12.17(a) in respect of a Member or former Member, the Responsible Entity must:
 - (i) make the determination by reference to:
 - (A) that component of the Income of the relevant Class for the Financial Year to date that has not been distributed at the time the Redemption Price in respect of the Unit Redemption is determined under clause 11 that the Responsible Entity determines is referable to:
 - (aa) capital gains; or
 - (ab) amounts which reflect gains (which are not capital gains) on the disposal or realisation of Assets; and

- (B) the increase in the component of the Income of the relevant Class referred to in clause 12.17(c)(i)(A) as a result of the Responsible Entity realising sufficient assets to satisfy the Unit Redemption; and
 - (C) the number of Units of the relevant Class or Classes of Units subject to the Unit Redemption and the number of Units in the relevant Class or Classes of Units on issue at the time the Unit Redemption is made; and
- (ii) notify the Member or former Member of the composition of the Redemption Payment.

12.18 When Member ceases to be eligible to hold Units

(a) Where:

- (i) a Member advises the Responsible Entity that the Member is not an Eligible Person; or
- (ii) the Responsible Entity forms the view that the Member is not an Eligible Person;

the Responsible Entity may request that the Member:

- (A) dispose of all Units held by the Member within 30 days (or such longer period as the Responsible Entity may determine from time to time) to a person who is an Eligible Person; or
 - (B) if the Trust is Liquid at the relevant time, lodge a redemption request in respect of all of the Units held by the Member, within 30 days (or such longer period as the Responsible Entity may determine from time to time).
- (b) Where a Member fails to comply with a request under clause 12.18(a) and the Trust is Liquid at the relevant time, the Responsible Entity may compulsorily redeem all of the Units held by the Member. The Responsible Entity is deemed to have received and Accepted a redemption request from the Member immediately before the next Valuation Time after the Responsible Entity determined to compulsorily redeem all of the Units held by the Member.

13 Valuation and determination of pricing variables

13.1 Periodic valuations

The Responsible Entity may cause an Asset to be valued at any time, and must do so as and when required by the Corporations Act.³¹

13.2 Net Asset Value and Value of Assets and Liabilities

The Responsible Entity may determine Net Asset Value of the Trust or each Class at any time, including more than once on each day.

³¹ See section 601FC(1)(j) for Scheme Operator's obligations concerning valuation

13.3 Valuation methods

The Responsible Entity's policy for the valuation of Assets must be based on the range of ordinary commercial practice for valuing the relevant type of asset and, where used to calculate the Application Price or Redemption Price of a Unit, the value must be reasonably current.³² In the absence of any other determination by the Responsible Entity, the value of an Asset will be its Market Value.

13.4 Class accounts

The Responsible Entity must, for the purposes of determining the Net Asset Value of each Class, establish a separate Class Account in the books of the Trust for each Class and each of the separate Class Accounts shall be designated with reference to the relevant Class as appropriate, having regard to the proper and fair treatment of the Members of the relevant Classes.

13.5 Currency conversion

Where it is necessary for the purposes of a valuation to convert one currency to another, the conversion is to be made at a time and at the rate quoted by a bank or an independent pricing provider (such as Reuters) nominated by the Responsible Entity. Where the value of an Asset denominated in foreign currency is converted for the purposes of calculating the Redemption Price of a Unit, the currency valuation applied must be consistent with the range of ordinary commercial practice for valuing currency.³³

13.6 Liabilities

- (a) The Responsible Entity may determine that a Liability is properly attributable to a Class for the purposes of this constitution, having regard to the rights, obligations and restrictions that attach to Units of the relevant Class. Any Liability that is subject to such determination becomes a Class Liability of the Class from that time.
- (b) Subject to the Corporations Act, the Responsible Entity may allocate the Liabilities of the Trust (excluding Class Liabilities) among the Classes of Units on issue in such shares and proportions as the Responsible Entity determines in accordance with the definition of Net Class Value, for the purposes of determining the Application Price and Redemption Price of Units of each Class under clause 9 (*Application Price for Units*) and clause 11 (*Redemption Price of Units*).

13.7 Assets

The Responsible Entity may determine that an Asset is properly attributable to a Class for the purposes of this constitution, having regard to the rights, obligations and restrictions that attach to Units of the relevant Class. Any Asset that is subject to such a determination is a Class Asset of the Class from that time.

14 Income and distributions to Members

14.1 Income

- (a) The Responsible Entity must determine the Income of the Trust for each Distribution Period and Financial Year. Where there is more than one Class on issue, the Responsible Entity must determine the Income of the Trust for each Distribution Period for every Class on issue in the Trust during the Financial Year.

³² ASIC RG 134.111 provides guidance on the meaning of "reasonably current".

³³ ASIC RG 134.109.

- (b) Unless the Responsible Entity determines otherwise prior to the end of the relevant Distribution Period or Financial Year, Income is:
 - (i) for a Financial Year, the aggregate of:
 - (A) where the Financial Year is an AMIT Income Year, the amount determined by the Responsible Entity as being the minimum amount which, if distributed by the Responsible Entity in respect of the Financial Year, would prevent there being an adjustment to the tax cost base of any Units in the Trust under the AMIT Regime for the Financial Year, assuming that the Determined Member Components for each Member for the Financial Year equal the Member's entitlement to the distribution;
 - (B) where the Financial Year is not an AMIT Income Year, the amount which the Responsible Entity determines to be the "net income of the trust estate" for the Trust for the purposes of section 95 of the Tax Act for the Financial Year, but disregarding:
 - (aa) any amounts the Responsible Entity determines are included in the "net income of the trust estate" of the Trust for the Financial Year that represent either or both franking credits or foreign tax offsets; and
 - (ab) any reduction in the net capital gain for the Trust for the Financial Year which the Responsible Entity determines arises as a result of the discount capital gains concession; and
 - (C) any additional amount that the Responsible Entity considers appropriate for distribution for the Financial Year; and
 - (ii) for a Distribution Period, ending on a Distribution Calculation Date other than the Financial Year Termination Date:
 - (A) where the Distribution Period is within an AMIT Income Year, the amount determined by the Responsible Entity for the Distribution Period under clause 14.1(b)(i)(A), determined as if the Distribution Period was a Financial Year; and
 - (B) where the Distribution Period is not within an AMIT Income Year an estimate of the Income for the Distribution Period determined as if the Distribution Period is a Financial Year and a "year of income" for the purposes of the Tax Act.
- (c) The preparation of the accounts of the Trust in accordance with any current or past Australian accounting standards and generally accepted accounting principles is not to be regarded as a determination of the method for calculating the Income under clause 14.1(b).

14.2 Power to defer distributions

- (a) The Responsible Entity may, for any Interim Distribution Period, including an Interim Distribution Period for a particular Class, determine to defer the distribution of any amount of the Income of the Trust for the

Interim Distribution Period as a Deferred Distribution Amount for the Distribution Period. Any such determination must be made by the Responsible Entity prior to the end of the Interim Distribution Period.

- (b) The Responsible Entity may not defer the distribution of any amounts under clause 14.2(a) which the Responsible Entity has distributed as an Income Component or an Income Entitlement, including an Income Entitlement for another Class.
- (c) If the Responsible Entity determines a Deferred Distribution Amount for an Interim Distribution Period:
 - (i) the amount of Income of the Trust for the Interim Distribution Period that is to be distributed for the Interim Distribution Period will be reduced by the Deferred Distribution Amount in accordance with clause 14.6(a) or 14.6(b);
 - (ii) the Responsible Entity may distribute the Deferred Distribution Amount in another Interim Distribution Period in the same Financial Year in accordance with clause 14.6(a) or 14.6(b), including, where there is more than one Class on issue, in an Interim Distribution Period for another Class; and
 - (iii) the Responsible Entity must distribute the Deferred Distribution Amount by the Final Distribution Period for the Financial Year, unless the Responsible Entity determines to accumulate the Deferred Distribution Amount pursuant to clauses 14.3(a) to 14.3(d).
- (d) Deferred Distribution Amounts continue to form part of the Assets and no Member has any particular right or interest in a Deferred Distribution Amount. Deferred Distribution Amounts are not Liabilities of the Trust.

14.3 Power to accumulate amounts

- (a) The Responsible Entity may, for any AMIT Income Year, determine at any time prior to the end of the Financial Year that all or part of the Income of the Trust for the Financial Year will be accumulated, provided that the Income has not already been distributed to Members as an Income Entitlement or Income Component.
- (b) The effect of the Responsible Entity exercising its power to accumulate an amount under clause 14.3(a) is to exclude the relevant amount from being distributed as Income for the Financial Year, including for any Distribution Period for any Class in the Financial Year.
- (c) For the purposes of identifying the Members to whom any Trust Components that are reflected in the amounts accumulated under clause 14.3(a) are to be attributed under the AMIT Regime, any amounts accumulated are to be treated as having been accumulated for the benefit of Members at the date specified by the Responsible Entity for these purposes at the time the Responsible Entity determined to accumulate the amount.
- (d) If the Responsible Entity mistakenly seeks to exercise its power to accumulate an amount in a Non-AMIT Income Year, the Responsible Entity's exercise of the power will be treated as invalid and will, to the extent possible, be treated as if it were an exercise of the Responsible Entity's power to determine a Deferred Distribution Amount pursuant to clauses 14.2(a) to 14.2(d).

14.4 Classification of amounts

Without limiting clause 14.1(b), the Responsible Entity has the power to determine:

- (a) the classification of any item as being Income or otherwise;
- (b) the extent to which reserves or provisions need to be made;
- (c) whether any item should be recognised as it is received or as it accrues (but not yet received); and
- (d) the character for tax purposes of any Deferred Distribution Amounts, or any Income which the Responsible Entity chooses to accumulate pursuant to clauses 14.3(a) to 14.3(d).

14.5 Present entitlement

Subject to clause 14.9(a), for any Financial Year that is not an AMIT Income Year, a person who at any time during the Financial Year is or has been a Member, is presently entitled to the Income of the Trust for the Financial Year as at the last day of the Financial Year, in the proportion that the Income Entitlements of the person in respect of the Financial Year bear to the sum of the Income Entitlements of all persons who are or have been Members at any time during the Financial Year.

14.6 Income Entitlements

(a) If there is only one Class on issue at the end of a Distribution Period, the Income Entitlement for a Member or former Member for the Distribution Period is an amount calculated by the Responsible Entity as follows:

(i) in respect of an Interim Distribution Period, the aggregate of:

(A) where the Responsible Entity has made a determination under clause 12.17 at or before the end of the Distribution Period, the aggregate of the Income Components determined by the Responsible Entity, in respect of the Member or former Member, during the Distribution Period; and

(B) the amount calculated as follows:

$$\frac{A \times C}{B}$$

where:

A is the number of Units held by the Member at the end of the Distribution Period;

B is the total number of Units on issue at the end of the Distribution Period; and

C is the aggregate of the following amounts, but only to the extent to which they have not already been distributed by the Responsible Entity at the end of the Distribution Period as an Income Component:

(1) the Income for the Distribution Period, determined disregarding:

- any Deferred Distribution Amounts for the Distribution Period; and
- any Income of the Trust for the Distribution Period which the Responsible Entity has determined to accumulate pursuant to clauses 14.3(a) to 14.3(d); and

(2) so much of the Undistributed Deferred Distribution Amounts for the Distribution Period that the Responsible Entity determines, in its absolute discretion, is appropriate to distribute for the Distribution Period; and

(ii) in respect of a Final Distribution Period, the aggregate of:

(A) where the Responsible Entity has made a determination under clause 12.17 at or before the end of the Distribution Period in respect of the Member or former Member, the aggregate of the Income Components determined by the Responsible Entity in respect of the Member or former Member during the Distribution Period; and

(B) the amount calculated as follows:

$$\frac{A \times C}{B}$$

where:

A is the number of Units held by the Member at the end of the Distribution Period;

B is the total number of Units on issue at the end of the Distribution Period; and

C is the amount (if any) by which the Income for the Financial Year exceeds the aggregate of:

- (1) all Income Entitlements that have arisen in the Trust for previous Distribution Periods in the Financial Year;
- (2) the aggregate of the Income Components determined by the Responsible Entity, in respect of all Members and former Members for the Distribution Period; and
- (3) all of the Income of the Trust for the Financial Year that the Responsible Entity has determined to accumulate pursuant to clauses 14.3(a) to 14.3(d).

(b) If there is more than one Class on issue at the end of a Distribution Period for a Class, the Income Entitlement for a Member or former

Member in respect of Units of the Class ("**Relevant Class**") for the Distribution Period is an amount calculated by the Responsible Entity as follows:

- (i) in respect of an Interim Distribution Period, the aggregate of:
- (A) where the Responsible Entity has made a determination under clause 12.17 in respect of Units of the Relevant Class at or before the time of calculation of Income Entitlements for the Distribution Period, the aggregate of the Income Components determined by the Responsible Entity, in respect of Units in the Relevant Class held by the Member or former Member, during the Distribution Period; and

- (B) the amount calculated as follows:

- $\frac{A}{B} \times [(AF \times C) + D]$
- where:
- A is the number of Units in the Relevant Class held by the Member at the end of the Distribution Period;
- B is the total number of Units in the Relevant Class on issue at the end of the Distribution Period;
- AF is the Apportionment Factor for the Relevant Class at the end of the Distribution Period;
- C is the aggregate of the following amounts, but only to the extent that they have not already been distributed by the Responsible Entity by the end of the Distribution Period as an Income Component or an Income Entitlement for another Class:

- (1) the Non-Class Income of the Trust for the Distribution Period, reduced by:
- so much of any Deferred Distribution Amounts for the Distribution Period as the Responsible Entity determines are Non-Class Income; and
 - so much of the Non-Class Income that the Responsible Entity has determined to accumulate pursuant to clauses 14.3(a) to 14.3(d); and
- (2) so much of any Undistributed Deferred Distribution Amounts for the Distribution Period that the Responsible Entity determines:

- is appropriate to distribute for the Distribution Period; and
 - represent Non-Class Income;
 - D is the aggregate of the following amounts, but only to the extent that they have not already been distributed by the Responsible Entity by the end of the Distribution Period as an Income Component:
 - (1) the Class Income for the Relevant Class for the Distribution Period, reduced by:
 - so much of any Deferred Distribution Amounts for the Distribution Period as the Responsible Entity determines are Class Income for the Class; and
 - so much of the Class Income for the Relevant Class for the Distribution Period that the Responsible Entity has determined to accumulate pursuant to clauses 14.3(a) to 14.3(d); and
 - (2) so much of any Undistributed Deferred Distribution Amounts for the Distribution Period that the Responsible Entity determines:
 - is appropriate to distribute for the Distribution Period; and
 - represent Class Income for the Relevant Class; and
- (ii) in respect of a Final Distribution Period, the aggregate of:
- (A) where the Responsible Entity has made a determination under clause 12.17 in respect of Units of the Relevant Class at or before the time of calculation of Income Entitlements for the Distribution Period, the aggregate of the Income Components determined by the Responsible Entity, in relation to Units of the Relevant Class, to the Member or former Member during the Distribution Period; and
 - (B) the amount calculated as follows:
 - $$\frac{A}{B} \times [(AF \times C) + D]$$
 - where:

- A is the number of Units in the Relevant Class held by the Member at the end of the Distribution Period;
- B is the total number of Units in the Relevant Class on issue at the end of the Distribution Period;
- AF is the Apportionment Factor for the Relevant Class at the end of the Distribution Period;
- C is the amount (if any) by which the Non-Class Income of the Trust for the Financial Year exceeds the aggregate of:
 - (1) the aggregate of all Income Entitlements for previous Distribution Periods in the Financial Year, to the extent that the Responsible Entity determines that they were sourced from the Non-Class Income of the Trust for the Financial Year;
 - (2) the aggregate of the Income Components determined by the Responsible Entity, in respect of all Members and former Members for the Distribution Period, to the extent that they were sourced from the Non-Class Income of the Trust for the Financial Year; and
 - (3) any Non-Class Income of the Trust for the Financial Year which the Responsible Entity has determined to accumulate pursuant to clauses 14.3(a) to 14.3(d); and
- D is the Class Income of the Relevant Class for the Financial Year, reduced by the aggregate of:
 - (1) the aggregate of all Income Entitlements for previous Distribution Periods in the Financial Year, to the extent that the Responsible Entity determines that they were sourced from the Class Income of the Relevant Class for the Financial Year;
 - (2) any Income Components for all Members or former Members that arose during the Distribution Period, to the extent that they were sourced from Class Income of the Relevant Class for the Financial Year; and
 - (3) any Class Income of the Relevant Class for the Financial Year which the Responsible Entity has determined to

accumulate pursuant to clauses 14.3(a) to 14.3(d).

- (c) If as a result of one or more withdrawal requests received by the Responsible Entity on a day, in relation to Units of a Class of Units the Responsible Entity determines that all the Units of that Class will be redeemed, the Responsible Entity may determine a Distribution Calculation Date for the Class immediately prior to calculation of the Redemption Price for all Units of that Class and the Responsible Entity may determine to treat that Distribution Period as a Final Distribution Period for the purposes of determining variable "D" in clause 14.6(b)(ii) above.

14.7 Satisfaction of present entitlement and Income Entitlements

The present entitlement of a person who at any time during the Financial Year is a Member to the Income of the Trust for a Financial Year under clause 14.5 is satisfied by the payment of the Income Entitlements to the person in respect of the Financial Year. Irrespective of whether present entitlement under clause 14.5 applies, Income Entitlements must be paid to a Member or former Member within three months after the relevant Distribution Calculation Date, or if the audit (if any) for that Distribution Period has not been completed, as soon as possible after its completion, other than the component of the Income Entitlements of a Member or former Member which represents Income Components, the payment of which is satisfied by the payment of the relevant Redemption Payment.

14.8 Other distributions

The Responsible Entity may at any time distribute any amount other than Income to Members of the Trust by the payment of cash or the issue of additional Units of an amount determined in accordance with the following formula:

$$CE = \frac{DA \times UV}{AUV}$$

where

CE is the proportion of the distribution to which the Member is entitled;

DA is the amount other than Income determined by the Responsible Entity to be distributed to Members;

UV is the sum of the Redemption Price for all Units held by the Member in the Trust at the date of distribution calculated by:

- (i) disregarding clause 11.2(a);
- (ii) determining each of the variables in clauses 11.1(a) and 11.1(b) (whichever is applicable) at the date of distribution; and
- (iii) assuming all Units held by the Member at the relevant time were to be redeemed at the date of distribution;

AUV is the aggregate of the Redemption Price for all Units on issue in the Trust at the date of distribution calculated by:

- (iv) disregarding clause 11.2(a);
- (v) determining each of the variables in clauses 11.1(a) and 11.1(b) (whichever is applicable) at the date of distribution; and

- (vi) assuming all Units held by the Member at the relevant time were to be redeemed at the date of distribution.

14.9 Separate accounts

(a) Subject to clause 14.14, the Responsible Entity may:

- (i) keep separate accounts of different categories or sources of Income, or deductions or credits for tax purposes, and may allocate Income, deductions or credits from a particular category or source, or both, for tax purposes to particular Members, including, without limitation, of capital gains and franked dividends; and
- (ii) allocate items of Income, deductions or credits from a particular category or source, or both, for tax purposes to particular Members, including, without limitation, as part of the Income Entitlements of Members, provided that the allocation is not inconsistent with the entitlements of Members or former Members to Income as determined in accordance with clause 14.6 above.

For any Non-AMIT Income Year, where the Responsible Entity allocates items of Income, deductions or credits from a particular category or source for tax purposes to a Member other than pro rata with all other Members, the Responsible Entity must:

- (iii) notify the Member; and
- (iv) record, in the accounts and records of the Trust, the allocation of the items of Income, deduction or credit from the particular category or source to the Member.

(b) For any Non-AMIT Income Year, where, pursuant to clause 12.17, the Responsible Entity determines that:

- (i) an Income Component is to arise in respect of a Member or a former Member; and
- (ii) the Income Component is to comprise Income of the Trust for the Financial Year from a particular category or source, or both, for tax purposes;

then the Responsible Entity must, pursuant to clause 14.9(a):

- (iii) maintain separate accounts of the different categories or sources of Income for tax purposes;
- (iv) allocate items of Income from the relevant categories or sources to the Member or former Member as part of the relevant Income Entitlements of the Member or former Member;
- (v) notify the Member or former Member; and
- (vi) record, in the accounts and records of the Trust, the allocation of the items of Income from the particular category or source to the Member or former Member.

14.10 Attribution of income under AMIT Regime – basis for attribution

(a) For any AMIT Income Year, the Responsible Entity must, following the end of the Financial Year, attribute all of the Trust Components and

Determined Trust Components of the Trust, or each Class in the Trust where there is an AMIT Class Election in force, to the Members or former Members under the AMIT Regime.

- (b) The Responsible Entity undertakes to perform attribution under clause 14.10(a) in accordance with the following principles:
 - (i) the amount of each Member's or former Member's Member Components and Determined Member Components of a particular character is so much of the Trust's Determined Trust Component of that particular character as is attributable to the Units in the Trust held by the Member or former Member, having regard to the provisions of this constitution;
 - (ii) the attribution must be worked out on a fair and reasonable basis, in accordance with this constitution and any other documents that constitute Constituent Documents for the Trust;
 - (iii) the Responsible Entity must not attribute any part of a Determined Trust Component to a Member or former Member because of the tax characteristics of the Member or former Member; and
 - (iv) if there is more than one Class on issue in the Trust and the Responsible Entity elects for each Class on issue in the Trust to be a separate AMIT under the AMIT Regime, each Class will be treated as a separate AMIT for the purposes of determining the attribution under clause 14.10(a).
- (c) Subject to clause 14.11, but without limiting the generality of clause 14.10(a), the Responsible Entity must attribute in respect of an AMIT Income Year:
 - (i) to each Member or former Member, so much of the Determined Trust Components of the Trust or the relevant Class (where there is an AMIT Class Election in effect) as are reflected in any Income Entitlements that the Member or former Member has become entitled to during the Financial Year, including any Income Components arising on the redemption of Units in the Trust; and
 - (ii) to each Member or former Member of the Trust at a time or times specified in clause 14.3(c) ("Relevant Time"), so much of the Determined Trust Components of the Trust or the relevant Class (where there is an AMIT Class Election in effect) for the Financial Year as the Responsible Entity reasonably determines are reflected in any Income Entitlements that the Member or former Member would have received at the Relevant Time, if the Relevant Time was the end of a Distribution Period of the Trust or for each Class in the Trust if there is more than one Class on issue at the Relevant Time and the amount accumulated under clause 14.3(a) were the only amounts distributed for that Distribution Period.

14.11 Attribution of income under AMIT Regime – AMIT Class Election

Where there is an AMIT Class Election in effect, and without limiting the generality of clauses 14.10(a) to 14.10(c):

- (a) in calculating the Determined Trust Components of each Class, the Responsible Entity must:

- (i) in respect of Class Income of a Class, only include any Determined Trust Components that are reflected in that Class Income in the Determined Trust Components of that Class (and not any other Class); and
- (ii) in respect of Class Expenses of a Class, only take those Class Expenses into account in determining the Determined Trust Components of that Class (and not any other Class); and
- (b) the Responsible Entity must only attribute Determined Trust Components of a particular Class to Members of that Class (and not any other Class).

14.12 Attribution of income under AMIT Regime – Member objections

If a Member or former Member makes an objection or proposed objection in relation to how the Responsible Entity attributes the Trust Components and Determined Trust Components of the Trust or a particular Class (where there is an AMIT Class Election in effect) under the AMIT Regime for an AMIT Income Year:

- (a) the Member or former Member must:
 - (i) provide the Responsible Entity with written notice of the Member's or former Member's intention to make an objection at least five Business Days prior to notifying the Commissioner of Taxation of its objection;
 - (ii) include, in the notice provided to the Responsible Entity, a summary of the reasons why the Member or former Member considers the attribution to be inappropriate;
 - (iii) provide to the Responsible Entity any information the Responsible Entity reasonably requests in relation to the Member's or former Member's objection or proposed objection and proceeding in relation to the objection;
 - (iv) consent to the Responsible Entity becoming a party to any proceedings with the Commissioner of Taxation relating to the objection;
 - (v) indemnify the Responsible Entity against all costs and liabilities incurred by the Responsible Entity as a result of the objection or proposed objection; and
 - (vi) do, or omit to do, any other such acts, matters or things as the Responsible Entity reasonably requests in order to appropriately protect the interests or rights of other Members or former Members of the Trust in relation to the objection, proposed objection or any proceedings arising in relation to the objection;
- (b) the Responsible Entity may take such actions as it considers necessary, appropriate or reasonable to provide for the rights and interests of other Members or former Members of the Trust to be protected, including in dealings with the Commissioner of Taxation; and
- (c) the Responsible Entity may amend its attribution of income for tax purposes to Members based on the Responsible Entity's determination of what attribution is appropriate, and take such actions as the Responsible Entity determines is necessary to give effect to the

amended attribution, including issuing or reissuing AMMA Statements to Members.

14.13 Unders/Overs

The Responsible Entity must address any Unders or Overs that arise in respect of an AMIT Income Year in accordance with the AMIT Regime. Subject to the Corporations Act, the Responsible Entity is not liable to any Member or former Member with respect to how it addresses any Unders or Overs provided that the Responsible Entity addresses them in accordance with the AMIT Regime and irrespective of whether any choices made by the Responsible Entity results in a different attribution outcome for the Member than if the Responsible Entity had not made the choice, or had made the choice in a different way.

14.14 Reinvestment

- (a) The Responsible Entity may decide whether to permit or require the Members to reinvest some or all of any distribution to acquire Units.
- (b) If the Responsible Entity decides to permit or require reinvestment, it must notify Members of the procedure for reinvestment and any change in the procedure.
- (c) If reinvestment applies, the Responsible Entity is deemed to have received and Accepted an application to reinvest immediately before the next Valuation Time after the end of the relevant Distribution Period.

14.15 Position on transfer of Units

A person who is or was a Member as at a Distribution Calculation Date remains entitled to their share (if any) of the Income under clause 9.5 despite any transfer, transmission or redemption of Units by or in respect of the person, being Units which gave rise to the entitlement.

14.16 Indefeasibility

Despite any other provision of this constitution, a person cannot be defeated of any share of the Income to which the person is entitled under clause 14.6(a) or 14.6(b).

14.17 Fractions

If the share of Income for a Member determined under clause 14.6(a) or 14.6(b) includes a fraction of a cent, the share is to be adjusted to the nearest cent below the amount calculated under clause 14.6(a) or 14.6(b) and the fraction of the cent becomes an Asset of the Trust.

14.18 Liability

The Responsible Entity does not incur any liability nor is it obliged to account to anyone (including any Member or former Member) nor is it liable for any loss or damage:

- (a) as a result of the exercise of any discretion or power under this clause 14; or
- (b) provided the Responsible Entity was acting in the proper performance of its duties, as a result of the exercise of any discretion or power, to the extent that the exercise of the discretion or power is necessary for, or incidental to the Trust being operated in a manner permitted by the AMIT Regime, or is exercised under the AMIT Regime in respect of an AMIT Income Year; or

- (c) in respect of any determination of fact or law made as part of, or as a consequence of, the exercise of such discretion or power covered by clause 14.18(a) despite any error or miscalculation in any provision made for Tax.

14.19 Member may direct

The Responsible Entity may act on a direction given by a Member in such form as the Responsible Entity requires to pay to a third party nominated in the direction all or part of the Member's entitlement to Income and distributions of other amounts under this clause 14 or under clause 26 on winding up.

14.20 Transitional AMIT

If the Responsible Entity purports to exercise a power under this constitution on the basis that the Responsible Entity believes that the Trust is or will be an AMIT for the Financial Year:

- (a) the exercise of the powers by the Responsible Entity must, to the maximum extent possible, be treated as a proper exercise of the Responsible Entity's powers under the constitution and at law, irrespective of whether the Trust is an AMIT or not;
- (b) to the extent that the operation of any of these powers depends, for its operation, on the Trust being an AMIT for the Financial Year, the Trust will be treated as if it were an AMIT for the purposes of the exercise of that power; and
- (c) nothing in this constitution will be taken to invalidate any action that is undertaken by the Responsible Entity pursuant to its powers under this constitution and these powers may be exercised by the Responsible Entity despite any contrary powers provided under this constitution.

- (v) the cost of the Responsible Entity employing a compliance officer to carry out compliance duties under the compliance plan, in so far as the allocation of their time is attributable to matters connected with the Trust; and
- (w) complying with any law, and any request or requirement of ASIC or ASX.

In this clause 24.9, "Expenses" includes amounts paid by the Responsible Entity to related bodies corporate for services where the expenses would have been reimburseable had they been incurred by the Responsible Entity.

24.10 GST

- (a) Except where stated otherwise, all amounts in this constitution do not include any amount payable on account of GST. If the Responsible Entity is or becomes liable to pay GST in respect of any supply under or in connection with this constitution then, in addition to any fee or other amount or consideration payable to the Responsible Entity in respect of the supply, the Responsible Entity is entitled to be paid out of the Assets an additional amount on account of GST. This amount to be calculated by multiplying the fee, amount or consideration for the part of the supply which is a taxable supply for GST purposes by the prevailing rate of GST. This clause does not apply to supplies in respect of which the relevant fees are expressed as GST inclusive in this constitution.
- (b) In relation to fees that are expressed as GST inclusive in this constitution this clause applies only to the extent to which there has been an increase in the rate of GST, so that the new GST inclusive fee is determined by converting the existing GST inclusive fee to a GST exclusive figure and multiplying it by the new prevailing rate of GST.

⁵² See Section 601JG

- (c) If the Responsible Entity is not entitled to an input tax credit in respect of the amount of any GST charged or recovered from the Responsible Entity by any person, or payable by the Responsible Entity by way of reimbursement of GST referable directly or indirectly to any supply made under or in connection with this constitution, the Responsible Entity is entitled to recover from the Trust by way of reimbursement an additional amount equivalent to the amount of the input tax.

24.11 Amendment of fee provisions is contemplated

Without limiting clause 27, the Responsible Entity has power to amend any part of this clause 24 with the effect of increasing or decreasing any amount of fees due to it, or introducing new types of fees, or to otherwise amend, delete or replace any of the provisions of this clause 24, if the Responsible Entity complies with any applicable requirements of the Corporations Act relating to:

- (a) amending the constitution of a Registered Scheme,⁵³ and
- (b) increasing fees or charges in relation to a Registered Scheme.

25 Duration of the Trust

25.1 Initial settlement

The Trust commences when a person subscribes \$11 (or another amount determined by the Responsible Entity), or, at the discretion of the Responsible Entity, transfers property acceptable to the Responsible Entity for Units in the Trust and the Responsible Entity issues Units to that person in return for that payment or transfer. The Application Price for Units issued under this clause is \$1.10.

25.2 Termination

- (a) The Trust terminates on the earliest of:
- (b) a date which the Members determine by extraordinary resolution (as defined in the Corporations Act); or
- (c) a date determined by the Responsible Entity and advised to Members by notice in writing not less than 60 days before the proposed date of termination; and
- (d) the date on which the Trust terminates in accordance with another provision of this constitution or by law.⁵⁴

25.3 Change in taxation

If at any time legislation is enacted the result of which is that the Responsible Entity is liable to pay any income tax or capital gains tax (other than withholding tax or tax of a similar nature) on the income of the Trust other than income not distributed to Members, the Responsible Entity may call a meeting of the Members to consider winding up the Trust and if by special resolution the meeting so decides, the Responsible Entity may wind up the Trust.

⁵³ Section 601GC.

⁵⁴ See Part 5C.9 on winding up.

25.4 Restriction on issue and redemption of Units

Despite any other provisions in this constitution, no Units may be issued or redeemed after the 80th anniversary of the day preceding the day the Trust commenced, unless that issue or redemption would not offend the rule against perpetuities, or any other rule of law or equity.

The perpetuity period for the purposes of section 5 of the *Perpetuities and Accumulations Act 1968 (Vic)* is the period of 80 years from the day before the commencement of the Trust. The specification of a perpetuity period in this clause 25.4 does not require that the Trust terminate on the expiration of that period.

26 Procedure on termination

26.1 Realisation of Assets and payment of expenses

Following termination, the Responsible Entity must:

- (a) realise the Assets attributable to each Class, except to the extent that it determines to distribute Assets to Members in the relevant Class in accordance with clause 15.6 pro rata according to their holding of Units in the relevant Class as part of the winding up of the Trust; and
- (b) make payments (or set aside estimated amounts) from the Assets to pay the Trust's expenses and liabilities, and the costs or anticipated costs of winding up the Trust. These amounts will reduce the proceeds of winding up that a Member may otherwise receive, but a Member is not required to pay any of these amounts from their own funds.⁵⁵

To the extent that realisation of Assets is required, it must be completed in 180 days if practical and in any event as soon as possible after that. The Responsible Entity may, however, postpone realisation of the Assets or any Asset if the Responsible Entity reasonably considers it would be in the best interests of Members to do so, and the Responsible Entity is not responsible for any consequent loss or damage attributable to that postponement.

26.2 Auditor and liquidator

- (a) The Responsible Entity must arrange for an independent audit of the final accounts of the Trust by a registered company auditor.⁵⁶
- (b) If the Trust is to be wound up because its Liabilities exceed its Assets or there is expected to be insufficient cash for the Responsible Entity to meet Liabilities from the Assets as and when they fall due, the Responsible Entity may appoint an appropriately qualified liquidator to carry out the winding up, and delegate to the liquidator the powers of the Responsible Entity under this constitution as necessary to facilitate the winding up.⁵⁷

26.3 Distribution following termination

Subject to any rights, obligations and restrictions attaching to any particular Unit or Class which are specified in this constitution, the net proceeds of realisation attributable to each Class, after making allowance for all Liabilities of the Trust (actual and anticipated) including entitlements of Members to a share of Income,

⁵⁵ ASIC RG 134.193.

⁵⁶ ASIC RG 134.201, 134.202.

⁵⁷ See ASIC RG 134.199.

meeting the expenses (including anticipated expenses) of the termination and taking into account Assets which are to be distributed pro rata to Members as part of the winding up, must be distributed to Members of the relevant Class in accordance with the following formula for the amount a particular Member in the relevant Class is to receive:

$$CE = A \times \frac{B}{C}$$

where

- CE is the proportion of the distribution for the relevant Class to which the Member of that Class is entitled;
- A is the net proceeds of realisation attributable to the relevant Class;
- B is the number of Units held by the Member in the relevant Class at the date of distribution; and
- C is the total number of Units in the relevant Class on issue at the date of distribution.

The Responsible Entity may distribute any Assets and the net proceeds of realisation in instalments.

26.4 Provisions continue to apply

Subject to the Corporations Act and this constitution, the provisions of this constitution continue to apply from the date of termination until the date of final distribution under clause 26.3, but during that period the Responsible Entity:

- (a) may not accept any applications for Units from a person who is not an existing Member;
- (b) is under no obligation to consider or process redemption requests received; and
- (c) may not accumulate an amount under clauses 14.3(a) to 14.3(d) for the last Distribution Period of the Trust.

27 Amendments to this constitution

27.1 Responsible Entity may amend

Subject to the Corporations Act⁵⁸, this constitution may be amended:

- (a) by Resolution;⁵⁹ or
- (b) by deed executed by the Responsible Entity.

If the constitution is amended by Resolution, the Responsible Entity may give effect to the amendments by executing a supplemental deed. If the Responsible Entity reasonably considers the amendment will adversely affect the Members' rights of a particular Class, a Resolution of the Members of that affected Class is

⁵⁸ See Section 601GC for power to amend the constitution. The amendment cannot take effect until a copy of the modification is lodged with the ASIC

⁵⁹ The required majority under section 601GC(1)(a) is 75%.

also required in order to effect the amendment. Any such Class Resolution is required to be passed by 75% of the votes cast by Members of that Class entitled to vote on the Resolution.

28 Regulatory provisions and paramountcy

28.1 Listing Rules

While the Trust is included in the Official List:

- (a) despite anything contained in this constitution, if the Listing Rules prohibit an act being done, the act will not be done;
- (b) nothing contained in this constitution prevents an act being done that the Listing Rules require to be done;
- (c) if the Listing Rules require an act to be done or not to be done, authority is given for that act to be done or not to be done (as the case may be);
- (d) if the Listing Rules require this constitution to contain a provision and it does not contain such a provision, this constitution is taken to contain that provision;
- (e) if the Listing Rules require this constitution not to contain a provision and it contains the provision, this constitution is taken not to contain that provision; and
- (f) if any provision of this constitution is or becomes inconsistent with the Listing Rules, this constitution is taken not to contain that provision to the extent of the inconsistency.

28.2 Corporations Act and ASIC Relief

- (a) If the Corporations Act requires that this constitution contain certain provisions, or if ASIC Class Order [CO 13/655] (or any other ASIC Relief on which the Responsible Entity has determined it wishes to rely or which is expressly applicable to the Trust and the Responsible Entity) requires provisions to a certain effect to be contained in this constitution in order for the ASIC Relief to apply ("**Required Provisions**"); or
- (b) if any part of this constitution (a "**Required Part**") is included to comply with the requirements of the Corporations Act, Listing Rules, ASIC or ASX ("**Regulatory Requirement**") and that Regulatory Requirement ceases or changes,

then, to the extent the Corporations Act allows, this constitution is taken to be amended so that the Required Provisions are included as separate provisions, or the Required Part is deleted or amended to reflect the amended Regulatory Requirement. The Required Provisions prevail over any other provisions of this constitution to the extent of any inconsistency.

The Members:

- (i) authorise the Responsible Entity to make the amendments referred to in this clause 28.1 in a deed and, if required, to lodge it with ASIC; and
- (ii) agree that, subject to the Corporations Act, their rights under this constitution do not include or extend to a right not to have this

constitution amended to comply with a Regulatory Requirement or to include Required Provisions.

Changes in the text of the constitution to which this clause 28.1 applies are made pursuant to the power in clause 27.1, but in respect of those changes, the requirements of clause 27.1 are to be read subject to this clause 28.1.

28.3 Application of Corporations Act and Listing Rules

In this constitution:

- (a) except as otherwise provided in a particular clause or by law, a requirement of the Corporations Act only applies while the Trust is a Registered Scheme; and
- (b) a requirement of the Listing Rules only applies while the Trust is Listed.

28.4 ASIC Class Orders

In accordance with ASIC Class Order [CO 98/1808] or its equivalent or any similar ASIC Relief from subsections 601GC(1) and (2) of the Corporations Act, and for so long as they apply to the Trust, a change in the text of this constitution because of the operation of clause 28.2 that is covered by the relief instrument is not a modification of, or the repeal and replacement of, the constitution for the purposes of subsections 601GC(1) and (2) of the Corporations Act. Changes in the text of the constitution to which this clause 28.4 applies are made pursuant to the power in clause 27.1 but in respect of those changes the requirements of clause 27.1 are to be read subject to this clause 28.4.

28.5 Paramountcy of provisions

Subject to the Corporations Act and the Listing Rules, clauses 28.1 to 28.2 and provisions taken to be included or amended under them prevail over other provisions of this constitution to the extent of any inconsistency.

29 Compliance committee

If any Compliance Committee Member incurs a liability in that capacity in good faith, the Compliance Committee Member is entitled to be indemnified out of the Assets in respect of that liability to the extent permitted by the Corporations Act⁶⁰.

30 Complaints

If a Member or former Member submits to the Responsible Entity a Complaint, in relation to the Trust, the Responsible Entity:

- (a) must, if the Member or former Member is a Retail Client, comply with the requirements of section 912A(2) of the corporations Act applicable to the Complaint,⁶¹ and
- (b) in respect of a Complaint from a Member or former Member who is not a Retail Client.⁶²

⁶⁰ See section 601JF

⁶¹ See ASIC RG 134.136.

⁶² The Responsible Entity may treat retail and wholesale clients differently for this purpose – see RG 134.146 and [CO 13/656].

- (i) must acknowledge receipt of the Complaint as soon as possible and in any event within 14 days from receipt;⁶³
- (ii) must ensure that the Complaint receives proper consideration resulting in a determination by a person or body designated by the Responsible Entity as appropriate to handle complaints;
- (iii) where the Complaint relates to an error which is capable of being corrected without affecting the rights of third parties, act in good faith to deal with the Complaint by endeavouring to correct the error;
- (iv) may give any of the following remedies to the complainant:
 - (A) information and explanation regarding the circumstances giving rise to the Complaint;
 - (B) an apology; or
 - (C) compensation for loss incurred by the Member or former Member as a direct result of any breach; and
- (v) must communicate to the complainant as soon as practicable and in any event not more than 45 days after receipt by the Responsible Entity of the Complaint:
 - (A) the determination in relation to the Complaint;
 - (B) any remedies available to the Member or former Member; and
 - (C) information regarding any further avenue for complaint.

31 Restricted Securities

31.1 Disposal of Restricted Securities

If the Listing Rules require, Restricted Securities cannot be disposed of during the Escrow Period and the Responsible Entity must not register a transfer of Restricted Securities during the Escrow Period except as permitted by the Listing Rules or ASX.

31.2 Restriction on distributions and voting rights

During a breach of a restriction agreement or the Listing Rules relating to Units which are Restricted Securities, the Member who holds those Restricted Securities is not entitled to any distribution from the Trust, nor any voting rights, in respect of those Restricted Securities.

⁶³ Australian compliance standard AS ISO 10002 – 2006 was adopted in ASIC RG 165 (for financial services licensees) effective 1 January 2010. It states that the provider should “aim” to respond to complaints immediately. The Responsible Entity may wish to include this in their complaints handling policy.

32 Small Holdings⁶⁴

32.1 Application of this clause

This clause 32 applies while the Units are Officially Quoted.

32.2 Divestment Notice

If the Responsible Entity determines that a Member is a Small Holder or a New Small Holder the Responsible Entity may give the Member a Divestment Notice to notify the Member:

- (a) that the Member is a Small Holder or a New Small Holder, the number of Units making up and the Market Value of the Small Holding or New Small Holding and the date on which the Market Value was determined;
- (b) that the Responsible Entity intends to sell the Relevant Units in accordance with this clause 32 after the end of the Relevant Period specified in the Divestment Notice;
- (c) if the Member is a Small Holder, that the Member may at any time before the end of the Relevant Period notify the Responsible Entity in writing that the Member desires to retain the Relevant Units and that if the Member does so the Responsible Entity will not be entitled to sell the Relevant Units under that Divestment Notice; and
- (d) after the end of the Relevant Period the Responsible Entity may, for the purpose of selling the Relevant Units that are in a CS Facility holding, initiate a holding adjustment to move those Units from that CS Facility holding to an issuer sponsored holding or certificated holding.

If the Operating Rules of a CS Facility apply to the Relevant Units, the Divestment Notice must comply with those Operating Rules.

32.3 Relevant Period

For a Divestment Notice given to a Small Holder, the Relevant Period must be at least six weeks from the date the Divestment Notice was given. For a Divestment Notice given to a New Small Holder, the Relevant Period must be at least seven days from the date the Divestment Notice was given.

32.4 Responsible Entity can sell Relevant Units

At the end of the Relevant Period the Responsible Entity is entitled to sell on-market or in any other way determined by the Directors:

- (a) the Relevant Units of a Member who is a Small Holder, unless that Member has notified the Responsible Entity in writing before the end of the Relevant Period that the Member desires to retain the Relevant Units, in which event the Responsible Entity must not sell those Relevant Units under that Divestment Notice; and
- (b) the Relevant Units of a Member who is a New Small Holder.

32.5 No obligation to sell

The Responsible Entity is not bound to sell any Relevant Units which it is entitled to sell under this clause 32 but unless the Relevant Units are sold within six

⁶⁴ See Listing Rules 15.13, 15.13A and 15.13B.

weeks after the end of the Relevant Period the Responsible Entity's right to sell the Relevant Units under the Divestment Notice relating to those Units lapses and it must notify the Member to whom the Divestment Notice was given accordingly.

32.6 Responsible Entity as Member's attorney

To effect the sale and transfer by the Responsible Entity of Relevant Units of a Member, the Member appoints the Responsible Entity and each Director and company secretary of the Responsible Entity jointly and severally as the Member's attorney in the Member's name and on the Member's behalf to do all acts and things which the Responsible Entity considers necessary or appropriate to effect the sale or transfer of the Relevant Units and, in particular:

- (a) to initiate a holding adjustment to move the Relevant Units from a CS Facility holding to an issuer sponsored holding or a certificated holding; and
- (b) to execute on behalf of the Member all deeds instruments or other documents necessary to transfer the Relevant Units and to deliver any such deeds, Instruments or other documents to the purchaser.

32.7 Conclusive evidence

A statement in writing by or on behalf of the Responsible Entity under this clause 32 is (in the absence of manifest error) binding on and conclusive against a Member. In particular, a statement that the Relevant Units specified in the statement have been sold in accordance with this clause 32 is conclusive against all persons claiming to be entitled to the Relevant Units and discharges the purchaser from all liability in respect of the Relevant Units.

32.8 Registering the purchaser

The Responsible Entity must register the purchaser of Relevant Units as the holder of the Relevant Units transferred to the purchaser under this clause. The purchaser is not bound to see to the application of any money paid as consideration. The title of the purchaser to the Relevant Units transferred to the purchaser is not affected by any regularity or invalidity in connection with the actions of the Responsible Entity under this clause 32.

32.9 Payment of proceeds

Subject to clause 32.10, where:

- (a) Relevant Units of a Member are sold by the Responsible Entity on behalf of the Member under this clause; and
- (b) the certificate for the Relevant Units (unless the Responsible Entity is satisfied that the certificate has been lost or destroyed or the Relevant Units are uncertificated securities) has been received by the Responsible Entity,

the Responsible Entity must, within 60 days of the completion of the sale, send the proceeds of sale to the Member entitled to those proceeds by sending a cheque payable to the Member through the post to the address of the Member shown in the Register, or in the case of joint holders, to the address shown in the Register as the address of the Member whose name first appears in the Register. Payment of any money under this clause is at the risk of the Member to whom it is sent.

32.10 Costs

In the case of a sale of the Relevant Units of a New Small Holder in accordance with this clause, the Responsible Entity is entitled to deduct and retain from the proceeds of sale, the costs of the sale as determined by the Responsible Entity. In any other case, the Responsible Entity or a purchaser must bear the costs of sale of the Relevant Units. The costs of sale include all stamp duty, brokerage and government taxes and charges (except for tax on income or capital gains of the Member) payable by the Responsible Entity in connection with the sale and transfer of the Relevant Units.

32.11 Remedy limited to damages

The remedy of a Member to whom this clause applies, in respect of the sale of the Relevant Units of that Member is expressly limited to a right of action in damages against the Responsible Entity to the exclusion of any other right, remedy or relief against any other person.

32.12 Dividends and voting suspended

Unless the Responsible Entity determines otherwise, where a Divestment Notice is given to a New Small Holder in accordance with this clause 32, then despite any other provision in this constitution, the rights to receive payment of dividends and to vote attached to the Relevant Units of that Member are suspended until the Relevant Units are transferred to a new holder or that Member ceases to be a New Small Holder. Any dividends that would, but for this clause, have been paid to that Member must be held by the Responsible Entity and paid to that Member within 60 days after the earlier of:

- (a) the date the Relevant Units of that Member are transferred; and
- (b) the date that the Relevant Units of that Member cease to be subject to a Divestment Notice.

32.13 Twelve month limit

If it is a requirement of the Listing Rules, the Responsible Entity must not give a Small Holder more than one Divestment Notice in any 12 month period (except as contemplated by clause 32.14).

32.14 Effect of takeover bid

From the date of the announcement of a takeover bid for the Units until the close of the offers made under the takeover bid, the Responsible Entity's powers under this clause 32 to sell Relevant Units of a Member cease. After the close of the offers under the takeover bid, the Responsible Entity may give a Divestment Notice to a Member who is a Small Holder or a New Small Holder, despite clause 32.13 and the fact that it may be less than 12 months since the Responsible Entity gave a Divestment Notice to that Member.

33 Compliance with ASX Settlement Operating Rules

33.1 ASX Settlement Operating Rules

- (a) While any of the Relevant Securities in the Trust are CHES Approved Securities, the Responsible Entity must comply with the ASX Settlement Operating Rules. While all of the Relevant Securities in the Trust are not CHES Approved Securities, the Responsible Entity is not required to comply with the ASX Settlement Operating Rules.

- (b) The Responsible Entity may do any act, matter or thing to facilitate involvement by the Trust in any clearing and settlement facility for the transfer of financial products.

34 Security Interest

- (a) If any provision of this constitution creates a security interest in Units or other personal property ("**Collateral**") to which the PPSA applies:
 - (i) the Responsible Entity need not comply with any provisions of the PPSA that the parties may contract out of in relation to the Collateral; and
 - (ii) Members may not exercise any rights under sections 142 (redemption of collateral) or 143 (reinstatement of security agreement) of the PPSA to the extent the law permits those rights to be excluded.
- (b) The Responsible Entity need not give the Member any other notice required under the PPSA (including a notice of verification statements under section 157 of the PPSA) unless the notice cannot be excluded.
