About Simavita

Simavita (ASX: SVA) develops and markets advanced systems associated with smart, wearable and disposable sensors for the global diaper manufacturing industry and also for the aged and disabled care markets. This industry currently generates approximately USD 64bn in annual revenues.

Simavita offers an extremely low cost sensor platform technology for everyday use in all adult and infant diapers. AlertPLUS™ is incorporated into the diaper manufacturing process and connects to your smart device via an App. The platform is ready for partnering with major international diaper manufacturers.

Simavita's technology portfolio also includes AssessPLUS™, an easy to use tablet based product for the assessment of incontinence which delivers a personalised, evidence base incontinence care plan.

With the support of our shareholders, customers and employees, Simavita is absolutely committed to the business at hand; creating a commercially successful and growing corporation. www.simavita.com
