EXPLANATORY STATEMENT:

Financial Report - Year ended 30 June 2018

The Corporations Act requires the financial report (which includes the financial statements and the directors' declaration), the directors' report and the auditor's report to be laid before the Annual General Meeting. There is no requirement either in the Corporations Act or in the Constitution of the Company for Shareholders to approve the financial report, the directors' report or the auditor's report. Shareholders attending the Annual General Meeting will be given a reasonable opportunity to ask questions about, or make comments on, the financial report.

A representative of the Auditor will be attending the Annual General Meeting. As a shareholder, you are entitled to submit a written question to the Auditor prior to the Annual General Meeting provided that the question relates to the content of the Auditor's report or the conduct of the audit in relation to the Financial Report.

All written questions must be received by the Company no later than Wednesday 14 November 2018. All questions must be sent to the Company and may not be sent direct to the Auditor. The Company will then forward all questions to the Auditor.

The Auditor will answer written questions submitted prior to the Annual General Meeting.

The Auditor will also answer questions at the meeting from shareholders relevant to:

- the conduct of the audit;
- the preparation and content of the Auditor's report;
- the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- the independence of the Auditor in relation to the conduct of the audit.

1. Remuneration Report

The Directors' report for the year ended 30 June 2018 contains a Remuneration Report which sets out the policy on remuneration of the Directors of the Company and specified executives of the Company.

The Directors believe that the Company's remuneration policies and structures as outlined in the Remuneration Report are appropriate for the size of the Company, its business and objectives.

The Corporations Act requires that a resolution be put to the vote that the Remuneration Report be adopted. The Corporations Act expressly provides that the vote is advisory and does not bind the Directors of the Company. However, if at least 25% of the votes cast are against the adoption of the Remuneration Report, the Company's next Remuneration Report must explain the Board's proposed action in response or explain why no action has been taken.

In the following year, if at least 25% of the votes cast on the resolution that the Remuneration Report be adopted are against adoption, shareholders will then vote to determine whether the Directors, excluding the CEO, will need to stand for reelection (a "Spill Resolution"). If more than 50% of the votes cast on the resolution are in favour, a separate re-election meeting must be held within 90 days.

At the Company's 2017 annual general meeting, the votes cast against the remuneration report considered at that meeting were less than 25%. Accordingly, a Spill Resolution cannot be put at this meeting.

Members attending the annual general meeting will be given a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.
