EXPLANATORY STATEMENT

Item 1 - Financial Statements

In accordance with section 317 of the Corporations Act 2001 (*Cth*) (**Corporations Act**), the financial report, directors' report and the auditor's report of the Company for the financial year ended 30 June 2018 will be presented to the meeting. Shareholders will be provided with an opportunity to ask questions in relation to the reports, however, in accordance with the Corporations Act there will be no formal resolution put to the meeting. The reports are contained in the Company's 2018 statutory annual report which is available at www.pharmaxis.com.au.

Item 2 - Advisory Vote in Relation to the Remuneration Report

Section 250R(2) of the Corporations Act requires that shareholders vote in respect of the adoption of the Company's remuneration report. The remuneration report is set out in section 2 of the Company's 2018 statutory annual report. Section 250R(3) of the Corporations Act provides that the vote on the resolution is advisory only and does not bind the Company's board of directors (**Board**) or the Company. The Board will continue to consider and take into account the outcome of the vote and feedback from shareholders on the remuneration report when reviewing the Company's remuneration policies.

The chair of the meeting will allow a reasonable opportunity for shareholders as a whole to ask questions about, or make comments on, the remuneration report at the meeting before calling for a vote.

The Board unanimously recommends that shareholders vote in favour of this resolution.

Item 3 - Re-election of Mr Malcolm as a Non-executive director

Malcolm J. McComas (age 63) has been a member of the Board of Directors since July 2003 and was appointed Chairman of the Board on 1 May 2012. In accordance with the requirements of the ASX Listing Rules and the Company's constitution, Mr McComas will retire and offer himself for re-election at the 2018 annual general meeting.

Mr McComas is a company director and a former investment banker and commercial lawyer. Mr McComas is the principal of McComas Capital and was previously a consultant and a director of Grant Samuel, the investment banking and funds management group, from 1999 to 2009. Mr McComas previously served for 10 years as Managing Director of Investment Banking at County NatWest and its successor organization Salomon Smith Barney (now Citigroup) and in various executive roles with Morgan Grenfell (now Deutsche Bank) in Melbourne, Sydney and London.

Mr McComas has worked with many high growth companies across various industry sectors and has experience in equity and debt finance, acquisitions and divestments and privatisations. Mr McComas has led more than 50 initial public offerings and significant secondary offerings for companies, institutions and governments. Mr McComas is a director of Saunders International Limited, Royalco Resources Limited, Australasian Leukaemia and Lymphoma Group, and Chairman of Fitzroy River Corporation Limited.

Mr McComas is a member of the Remuneration and Nomination Committee and the Audit Committee.

If re-elected, Mr McComas' term of appointment will be until the end of the third annual general meeting following his re-election or three years (whichever is longer), subject to the constitution of the Company, the ASX Listing Rules and the Corporations Act.

The Board (with Mr McComas abstaining) unanimously recommends that shareholders vote in favour of this item 3.

Item 4 – Grant of Performance Rights to Mr Gary Phillips

The grant of securities to a director under an employee incentive scheme requires the approval of shareholders under ASX Listing Rule 10.14.

Mr Gary Phillips has been the Company's Chief Executive Officer and managing director since March 2013 and prior to this appointment, Mr Phillips served as our Chief Operating Officer since November 2003. If approved by shareholders, 690,000 zero grant price and zero exercise price options (**Performance Rights**) would be granted to Mr Phillips pursuant to the terms and conditions of the Company's performance rights plan, which is governed by our existing employee option plan (**Performance Rights Plan**).

The Performance Rights have a life of 10 years. The vesting of Mr Phillips Performance Rights is based on overall Company performance against the annual corporate objectives that have a focus on long term outcomes. At the end of the 2019 financial year the Board will assess achievement of the 2019 long term related corporate objectives and will lapse Performance Rights to the extent such objectives were not achieved. The Board has reserved the right to lapse all performance rights if it considers minimum performance standards have not been met. Corporate objectives are each weighted when set at the beginning of the financial year and at the end of the financial year performance is assessed on each objective individually. The remaining Performance Rights will vest in two equal tranches at each of 30 June 2020 and 30 June 2021, subject to Mr Phillips' continued employment with the Company on those dates.

In accordance with the Performance Rights Plan, if a formal takeover offer is made for the Company, all Performance Rights which have not yet vested, automatically vest. When exercisable, each Performance Right would entitle Mr Phillips to subscribe for one fully paid ordinary share. Each ordinary share issued on exercise of a Performance Right will rank equally with all other ordinary shares then on issue. While Mr Phillips is our Chief Executive Officer, restrictions will apply to the shares issued on exercise of Performance Rights, including that the shares may only be traded following Board approval. Additionally, the Performance Rights which are capable of vesting on 30 June 2020 are not able to be traded until 30 June 2021, and then only after Board approval.

Further information about our remuneration framework for executive officers, including the use of Performance Rights, is set out in the remuneration report contained in the 2018 statutory annual report. The Board considers that Performance Rights are widely accepted in the Australian context to provide equity remuneration to management and employees. Performance Rights typically provide lower potential rewards to managers and employees when compared to traditional options, but by also reducing the risk for employees they provide a stable equity remuneration instrument to retain and reward employees over the longer term.

As approval of shareholders is being sought pursuant to ASX Listing Rule 10.14, ASX Listing Rule 7.2 Exception 14 provides that the Company is not required to seek approval under ASX Listing Rule 7.1.

The Board (with Mr Phillips abstaining) recommends that shareholders vote in favour of this resolution.

Additional ASX Listing Rule disclosures for Item 4: The Performance Rights would be granted to Mr Phillips as soon as practicable after the meeting and in any event, no later than 12 months from the date of the meeting. The Company will not provide any loans or other financial assistance in connection with the grant or exercise of Performance Rights. Mr Phillips is the only executive director and the only director entitled to participate in our employee option plan as the Board has resolved that no other directors are entitled to participate. On 13 November 2017, following receipt of necessary shareholder approval at the 2017 annual general meeting, the Company granted 770,000 zero grant price and zero exercise price employee options to Mr Gary Phillips. No other equity securities have been issued by the Company to any other director under our employee option plan or any other employee incentive scheme since this last approval.

Item 5 - Renewal of Proportional Takeover Provisions in our Constitution

Pharmaxis' constitution contains proportional takeover provisions which provide that if a person makes a takeover offer for less than all of our shares, shareholders are entitled to vote to determine whether the proportional takeover offer may proceed. In accordance with the Corporations Act, a company's proportional takeover approval provisions cease to apply at the end of 3 years. These provisions were last renewed at the 2015 annual general meeting and may be renewed by special resolution of shareholders. The Board considers that it is in the

best interests of shareholders for the constitution to contain proportional takeover provisions and is therefore seeking approval for those provisions to be renewed.

Effect of the renewal of the proportional takeover provisions - In conjunction with the Corporations Act, article 45 of our constitution provides that if a person makes a takeover offer for less than all of our shares, the registration of a transfer giving effect to a takeover is prohibited unless and until a resolution approving the bid is passed. To be effective an approving shareholder resolution must be passed before the 14th day before the last day of the bid period. The Board will decide whether the vote is to be taken at a general meeting or by a postal ballot. An approving resolution that has been voted on is taken to have been passed if passed by simple majority, and otherwise is taken to have been rejected. If no approval resolution is voted on before the 14th day before the last day of the bid period, the approval resolution will be deemed to have been approved. If the approval resolution is passed by simple majority, the relevant transfers of shares will be registered provided they otherwise comply with the provisions of our constitution and the Corporations Act.

If renewed, the proportional takeover provisions will expire three years after its adoption unless renewed by a further special resolution of shareholders. The proportional takeover provisions do not apply to full takeover bids.

Reasons for renewing the proportional takeover provisions - In the absence of proportional takeover provisions, a person holding or acquiring less than a majority interest in us may be able to gain control of us without acquiring a majority interest and without shareholders having the opportunity to dispose of all of their shares to the potential buyer. The Board considers that shareholders should have the opportunity to vote on a proposed proportional takeover bid.

No present acquisition proposals – As at the date of this notice, no director of the Company is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages to the directors and shareholders - The Board considers that the primary advantage of the proportional takeover provision is to give all shareholders an opportunity to consider and vote upon a proportional takeover bid. The ability to vote on a proportional takeover bid gives shareholders the opportunity to prevent the proportional takeover from proceeding if they so desire and should ensure that the terms of any future proportional takeover bids are structured in a way which would be attractive to the majority of shareholders. The Board also considers that the opportunity for shareholders to vote is an advantage for the directors because it enables the directors to formally obtain the views of shareholders in respect of a proportional takeover bid.

Potential disadvantages to the directors and shareholders - A potential disadvantage of the proposed provision is that it makes it more difficult for a proportional takeover bid to proceed and may discourage proportional takeover bids. However, our Board believes that the requirement that the views of shareholders be obtained prior to a proportional takeover should not adversely affect any offer which is attractive to the majority of shareholders.

The Board unanimously recommends that shareholders vote in favour of this item 5 to renew article 45 for the Company's constitution for a further three years from the date of the 2018 annual general meeting to ensure that the provisions continues to apply.
