Contact investor day webcast details

Contact will host an investor day and operational site tour for institutional investors and analysts at our Te Mihi power station including the adjacent geothermal steamfields outside Taupo on Tuesday 6 November 2018.

The site tour will include senior management presentations, starting at approximately 9:15am NZT which will be live webcast and available via Contact's website on <https://contact.co.nz/aboutus/investor-centre/results-webcast>. A copy of the presentations will also be available in the investor section of the website once released, with an archived replay on our website following the event.

To receive event reminders and streamline registration in advance of the event, pre-registration is available on our website at <https://contact.co.nz/aboutus/investor-centre/results-webcast>.

The webcast platform contains the functionality to submit written questions, which will be read and answered following conclusion of the formal presentations.
