New O&M contract for Collie Power Station

WorleyParsons announces that TW Power Services Ltd (TWPS) has been awarded a new Operations and Maintenance (O&M) contract at Collie Power Station by Synergy.

TWPS is a 50/50 joint venture between WorleyParsons and Broadspectrum (Australia) Pty Ltd.

Synergy is owned by the Government of Western Australia and is the State's largest electricity generator and energy retailer. Under the contract, TWPS will provide power station O&M services to the 340MW Collie Power Station for a further four-year period.

"We look forward to continuing our relationship with Synergy and the Collie Power Station, which will span more than 20 years of continual service," said Andrew Wood, Chief Executive Officer of WorleyParsons.
