DISCLAIMER

Summary information

This presentation contains summary information about Integrated Payment Technologies Limited (Company) (ASX: IP1) and its activities as at the date of the presentation. The information in this presentation is of a general nature and does not purport to be complete or contain all information that a prospective investor should consider when evaluating an investment decision in the Company or that would be required in a prospectus or product disclosure statement prepared in accordance with the requirements of the Corporations Act 2001 (Cth) (Corporations Act). This presentation should be read in conjunction with the Company's other periodic news releases or ASX disclosure documents as available from time to time.

Forward looking statements

This presentation contains forward-looking statements and information that are necessarily subject to risks, uncertainties and assumptions. Many factors could cause actual results, performance or achievements of the Company to be materially different from those expressed or implied in this release including, amongst others, changes in general economic and business conditions, regulatory environment, results of advertising and sales activities, competition, and the availability of resources. Should one or more of these risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary materially from those described in this presentation. Except as required by law, the Company assumes no obligation to update or correct the information in this presentation. To the maximum extent permitted by law, the Company and its subsidiaries and officers do not make any representation or warranty as to the likelihood of fulfilment of any forward-looking statements and disclaim responsibility and liability for any forward-looking statements or other information in this presentation.

Not an offer of securities or financial products

This presentation is not a prospectus, product disclosure statement or other offering document under Australian law (and will not be lodged with ASIC) or any other law. This presentation does not constitute an offer, invitation, solicitation or recommendation with respect to the purchase or sale of any securities or any financial product nor does it constitute financial product or investment advice nor take into account your investment objectives, taxation situation, financial situation or needs. An investor must not act on the basis of any matter contained in this presentation but must make its own assessment of the Company and conduct its own investigations and analysis. Before making an investment in the Company, a prospective investor should consider whether such an investment is appropriate to their particular investment objectives and financial situation and seek appropriate advice, including legal, taxation and financial advice appropriate to their jurisdiction and circumstances.

Financial data

All financial information in this presentation is in Australian dollars (\$) or AUD unless otherwise stated. Investors should note that this presentation may contain pro forma historical and forward looking financial information. The pro forma and forward looking financial information and the historical information, provided in this presentation is for illustrative purposes only and is not represented as being indicative of the Company's views on its future financial condition and/or performance.

The pro forma financial information has been prepared by the Company in accordance with the recognition and measurement principles of Australian Accounting Standards (AAS) and the Company's adopted accounting policies of applicable accounting standards and other mandatory reporting requirements in Australia. Investors should also note that any pro forma financial information does not purport to be in compliance with Article 11 of Regulation S-X of the rules and regulations of the U.S. Securities and Exchange Commission (SEC). Such information does not purport to comply with Article 3-05 of Regulation S-X.

Investors should be aware that certain financial measures included in this presentation are 'non-IFRS financial information' under ASIC Regulatory Guide 230: 'Disclosing non-IFRS financial information' published by ASIC and also 'non-GAAP financial measures' within the meaning of Regulation G under the U.S. Securities Exchange Act of 1934, as amended, and are not recognised under AAS and International Financial Reporting Standards (IFRS). The non-IFRS financial information / non-GAAP financial measures include EBITDA and EBIT. The Company believes the non-IFRS financial information / non-GAAP measures provide useful information to users in measuring the financial performance and conditions of the Company. The non-IFRS financial information / non-GAAP financial measures do not have a standardised meaning prescribed by AAS or IFRS. Therefore, the non-IFRS financial information is not a measure of financial performance, liquidity or value under the IFRS and may not be comparable to similarly titled measures presented by other entities, and should not be construed as an alternative to other financial measures determined in accordance with AAS or IFRS. Investors are cautioned, therefore, not to place undue reliance on any non-IFRS financial information / non-GAAP financial measures included in this presentation.
