## ANNEXURE A: INCENTIVE OPTIONS

The Incentive Options entitle the holder to subscribe for Shares in the capital of the Company on the following terms and conditions:

- (a) Each Incentive Option will be granted by the Company for cash consideration of \$0.0001 per option.
- (b) The Incentive Options will expire at 5.00pm on 3 April 2022 (**Expiry Date**). Any Incentive Option not exercised before the Expiry Date will automatically lapse on the Expiry Date.
- (c) Each Incentive Option gives the Optionholder the right to subscribe for one ordinary share in the Company. To obtain the right given by each Incentive Option, the Optionholder must exercise the Incentive Options in accordance with the terms and conditions of the Incentive Options.
- (d) The exercise price payable upon exercise of each Incentive Option will be AU\$0.001 (**Exercise Price**).
- (e) The Incentive Options will vest on the earlier of:
  - (i) the Company's share price being equal to or greater than a volume weighted average price of \$0.40 or more for 20 consecutive trading days on the ASX; and
  - (ii) the occurrence of a Change of Control Event.

For the purpose of the above, Change of Control Event means either:

- a change of control of the Company within the meaning of section 50AA of the Corporations Act 2001 (Cth);
- when a Court sanctions a compromise or arrangement for the purposes of or in connection with a scheme for the amalgamation of the Company with any other company or companies under Part 5.1 of the Corporations Act 2001 (Cth); or
- when the Company passes a resolution for voluntary winding up or if an order is made for the compulsory winding up of the Company.

The Board may in its absolute discretion waive satisfaction of the vesting condition either unconditionally or subject to compliance with any other exercise restriction that is less onerous than that previously fixed.

- (f) Once the Incentive Options have vested they are exercisable and the Incentive Options may be exercised at any time prior to the Expiry Date, from time to time.
- (g) An Optionholder may exercise their Incentive Options by lodging with the Company, before the Expiry Date:
  - (i) a written notice of exercise of Options specifying the number of Incentive Options being exercised (**Exercise Notice**); and
  - (ii) a cheque or electronic funds transfer for the Exercise Price for the number of Incentive Options being exercised;
- (h) An Exercise Notice is only effective when the Company has received the full amount of the Exercise Price in cleared funds.

- (i) Within 10 Business Days of receipt of the Exercise Notice accompanied by the funds constituting the Exercise Price, the Company will allot and issue the number of ordinary shares required under these terms and conditions in respect of the number of Incentive Options specified in the Exercise Notice.
- (j) All ordinary shares allotted upon the exercise of Incentive Options will, upon allotment, rank pari passu in all respects with other shares of the Company.
- (k) In the event of any reorganisation (including consolidation, sub-division, reduction or return) of the issued capital of the Company before the expiry of any Incentive Options, the number of Incentive Options to which an Optionholder is entitled or the Exercise Price of the Incentive Options or both will be reconstructed (as appropriate) in accordance with standard practice so as to ensure that said reorganisation is neither advantageous nor disadvantageous to the Optionholder.
- (l) There are no participating rights or entitlements inherent in the Incentive Options and Optionholders will not be entitled to participate in new issues of shares offered to shareholders of the Company during the term of the Incentive Options.
- (m) If the Company makes a rights issue (other than a bonus issue), the exercise price of Incentive Options on issue will be reduced according to the following formula:

$$A = O - \frac{E [P - (S + D)]}{(N + 1)}$$

Where:

A = the new exercise price of the Incentive Option;

O = the old exercise price of the Incentive Option;

E = the number of underlying ordinary shares into which one Incentive Option is exercisable;

P = the average closing sale price per ordinary share (weighted by reference to volume) recorded on the stockmarket of ASX during the five trading days immediately preceding the ex-rights date or ex entitlements date (excluding special crossings and overnight sales and exchange traded option exercises);

S = the subscription price for a security under the pro rata issue;

D = the dividend due but not yet paid on existing underlying securities (except those to be issued under the pro rata issue); and

N = the number of securities with rights or entitlements that must be held to receive a right to one new security.

- (n) If, during the currency of the options the issued capital of the Company is reorganised, those options will be reorganised to the extent necessary to comply with ASX Listing Rules.
- (o) The Incentive Options are not transferable.
- (p) Compliance with Corporations Act, Listing Rules and Constitution:
  - (i) Despite anything else contained in these terms and conditions, if the Corporations Act, Listing Rules or Constitution prohibits an act being done, that act must not be done.
  - (ii) Nothing contained in these terms and conditions prevents an act being done that the Corporations Act, Listing Rules or Constitution require to be done.

- (iii) If the Corporations Act, Listing Rules or Constitution conflict with these terms and conditions, or these terms and conditions do not comply with the Corporations Act, Listing Rules or the Constitution, the holder authorises the Company to do anything necessary to rectify such conflict or non-compliance, including but not limited to unilaterally amending these terms and conditions.
- (iv) The terms of the Incentive Options may be amended as necessary by the directors of the Company in order to comply with the Listing Rules, or any directions of ASX regarding the terms.
