**AGUIA RESOURCES LIMITED – REQUEST FOR TRADING HALT
(ASX: AGR or Company)**

The Company requests an immediate trading halt pending the release of an announcement in relation to a material capital raising.

The trading halt is being requested for 48 hours, to conclude pre-market open on Friday 7 December 2018. However, as the capital raising is partially being undertaken in the North American markets, it is noted that the Company may require a voluntary suspension of its securities for a further 48 hours from the conclusion of the trading halt due to time zone differences, with an expected date of relisting of the Company's securities on Monday 10 December 2018.

The Company is not aware of any reason why the trading halt should not be granted.

Thank you for your assistance.

Yours sincerely
