3 Principal terms of the +securities (e.g. if options, exercise price and expiry date; if partly paid +securities, the amount outstanding and due dates for payment; if +convertible securities, the conversion price and dates for conversion)	Grant of Performance Rights under the Performance Rights Plan (Plan) approved by shareholders at the 2016 Annual General Meeting. No payment is required upon the grant or vesting of Performance Rights. The vesting of each Performance Right results in an entitlement to one Share which may be issued, transferred or allocated by a trust established for the purposes of the Plan. The Board has a discretion to instead pay a cash amount based on the market value of Shares on the vesting date. Performance Rights will not be quoted on ASX and confer no right to vote or to participate in dividends, Share issues or in a winding up of the Company. Performance Rights lapse on cessation of employment or consultancy, except in the case of redundancy, death or permanent disablement. Subject to the above, a holder of Performance Rights must remain employed by the Group until vesting. The rights are subject to the following performance hurdles being met during the three year performance period from 1 July 2018: • 70% of the Performance Rights will vest if the Company achieves earnings per share growth of an average of 10% per annum during the three year performance period, with partial vesting (straight line vesting between 50% and 100%) if 7 -10% growth is achieved; and • 30% of the Performance Rights will vest if the Company ranks in the 75th percentile or above of total shareholder return achieved by companies in the S&P/ASX Small Ordinaries Index, excluding resource, mining and real estate companies in the three year performance period, with partial vesting (straight line vesting between 50% and 100%) if the Company ranks in the 50th to 75th percentile with the Board to retain a discretion to relax the performance measures if warranted by relevant circumstances at the time of vesting.
