## Expiry of Newmarket Options

**Sydney, 4 January 2019** – Quickstep Holdings Limited (ASX:QHL), the manufacturer of advanced carbon fibre composites, confirms the expiry of 25,000,000 unlisted options as at 31 December 2018.

The 25,000,000 options to acquire ordinary shares in the Company were issued to Newmarket Financing Management Pty Limited and associates (**Newmarket**) in January 2015 as partial consideration for the provision of a working capital loan facility to the Company by Newmarket. No options were exercised, with all issued options automatically lapsing on the expiry date of 31 December 2018.
