**NNNCo and Dicker Data Sign Distribution Agreement
Driving Enterprise IoT Market Expansion in Australia**

The Board of directors of Dicker Data Limited (ASX: DDR) are pleased to announce a new partnership with the National Narrowband Network Co (NNN Co). The deal provides Australia-wide distribution for NNNCo's Enterprise IoT solutions which include globally-certified devices and the award-winning N2N-DL Data Platform.

David Dicker, Chairman and CEO of Dicker Data said, "I'm pleased to be announcing our new partnership with IoT solution provider, NNNCo. Through their packaged, ready-to-deploy solutions, our reseller partners will be enabled to deliver insights that can create tangible business impact to a wide variety of their end users across multiple market segments with minimal implementation overheads."

"This is a true partnership with Dicker Data to expand the Enterprise IoT opportunity in Australia," said Rob Zagarella, Founder & CEO of NNNCo. "The growth of IoT is accelerating globally in key verticals such as Smart Buildings, Logistics, Construction, Cities, Utilities and Multi-site Retail. This agreement puts both of our companies at the forefront of enabling the IoT ecosystem in Australia."

For and on behalf of the Board,

David Dicker
Chairman & CEO
