## Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position.
2. This quarterly report has been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") which collective term includes all individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards and Interpretations issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and the accounting principles generally accepted in Hong Kong. This quarterly report represented in Renminbi ("RMB"), the currency of the primary economic environment in which the Company and its subsidiaries operate (the functional currency of the Company and its subsidiaries).

## About Retech

Retech Technology Co., Limited (ASX:RTE) is a company incorporated in Hong Kong together with its subsidiaries ("Retech" or the "Company"), the Company's operations is based in Shanghai, China, which provides technology solutions to, and builds E-Learning platforms and E-Courseware for large companies, government and social organizations and training providers, enabling them to deliver their offline training content online through multiple channels, including the internet, mobile and social media platforms.

Retech is in a strong competitive position as a result of the following factors: national footprint and reputation, customised content, multi-platform delivery capability, specialist digitisation capability, focus on upgrading its existing E-Learning Platforms and innovation, diverse Client base, robust quality assurance systems, and a well-regarded management team.

Retech provides and intends to provide is organised into three business channels comprising:

- E-Learning Solutions - Helping large companies, organisations and institutions design and build E-Learning platforms and E-Courseware that enables Retech to deliver their existing training content online.
- E-Training Partnership –working with training and learning content providers to create E-Learning Platforms and digital content that is then sold on to clients. The content owners provide the content, and Retech provides the technology.
- E-Course Direct – originating original online training content and licensing IP from content owners that is then sold on to corporates and organisations.

Retech offers its E-Learning Solution business channel and intends to offer its other business channels (E-Training Partnership and E-Course Direct) to a diversified user base.
