

Zoono Group Limited (ASX:ZNO)**ASX ANNOUNCEMENT**

12 February 2019

Update on Legal Proceedings with Stayzon

Global biotech company Zoono Group Limited (ASX:ZNO) ('Zoono' or 'the Company') advises that, further to the legal proceedings filed in the Auckland High Court by Zoono against MCS Capital Partners Pty Limited and Stayzon Retail Ventures Pty Limited ("Stayzon") for breach of the Deed of Settlement (as advised to the market on 3 December 2018), Stayzon has now filed a counterclaim against Zoono.

The counterclaim is for AUD\$790,000 plus disgorgement of any benefits Zoono received from Stayzon/MCS entering the Settlement Deed and costs.

Zoono believes the counterclaim is totally without merit. It will continue to vigorously pursue its claim against Stayzon/MCS.

Zoono remains confident of its legal position and will keep the market updated on proceedings.

About Zoono

Zoono Group Limited is a global biotech company that develops, manufactures and distributes a suite of scientifically-validated, long-lasting and environmentally-friendly antimicrobial solutions. Zoono's mission is to improve health and well-being through innovative, safe, non-toxic and

durable germ protection.

Zoono produces sprays, wipes and foams suited for skin care, surface sanitisers, and mould remediation treatments. The products are based on the 'zoono molecule', a unique antimicrobial molecule that bonds to any surface and kills pathogens including bacteria, viruses, algae, fungi and mould.

Zoono's products have received numerous regulatory approvals and the company's technology claims are supported by independent testing conducted in laboratories worldwide. Zoono is headquartered in New Zealand and its products are available globally.
