The Manager Announcements  
Companies Office  
Australian Securities Exchange Limited  
Sydney NSW 2000

### **FY19 WINTER PRODUCTION**

Duxton Broadacre Farms Limited ("the Company") is pleased to announce the winter crop harvest results.

<b>Commodity</b>	<b>Production (t)</b>
Wheat	9,152
Barley	5,942
Canola	270
Chickpeas	779
Wheat Seed	377
Hay – Canola	1,686

Although production results are below our previous estimates, the Company maintains its earnings outlook as released to the ASX on December 3 2018. We anticipate reporting a profit before tax for FY19 between the range of a breakeven position to \$500,000, excluding the impact of the recently contracted South Australian property 'Boorala'.

Chairman, Mr Ed Peter commented; "We are exceptionally pleased with our final production figures, particularly in light of extremely challenging conditions. The results are a testament to the extensive diligence, foresight and aptitude of our staff."
