Dear Sirs

**Trading Halt Request**

In accordance with Listing Rule 17.1, Real Energy Corporation Limited ('RLE') requests an immediate trading halt on its securities pending the release of an announcement to the market concerning a potential capital raising.

The trading halt is expected to last until the earlier of the release of an announcement regarding the above matter or the commencement of trading on Friday, 1 March 2019.

The Company is not aware of any reason why the trading halt should not be granted.

Yours faithfully

**Ron Hollands**  
**Company Secretary**

## **About Real Energy Corporation**

Real Energy is an oil and gas exploration and development company with a focus on the Cooper Basin, Australia's most prolific onshore producing petroleum basin. Real Energy has 100% ownership in 2 large permits in Queensland –ATP 927P & ATP1194PA.

Real Energy is focusing initially on the Toolachee and Patchawarra formations. These formations are well-known throughout the basin for holding and producing gas. Seismic interpretation in conjunction with existing petroleum well data has determined that the Toolachee and Patchawarra formations are significant across much of our acreage.
