## **2018 Corporate Governance Statement**

This Corporate Governance Statement (**Statement**) sets out the Company's compliance with the third edition of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (**Principles and Recommendations** during the reporting period from the date of the Company's admission to ASX on 2 July 2018 to 31 December 2018 (**Reporting Period**). The Principles and Recommendations are not mandatory. However, the Company seeks to follow the Principles and Recommendations to the extent that it is practicable having regard to the size and nature of its operations. This Statement sets out the extent to which the Company has followed the Principles and Recommendations during the Reporting Period.

The Board of the Company currently has in place corporate governance policies and charters which have been posted in a dedicated corporate governance information section on the Company's website at <a href="https://www.pivotalsys.com/investors/">www.pivotalsys.com/investors/</a>.

This Statement is current as at 26 February 2019 (Freemont PST), 27 February 2019 (Sydney AEDT) and has been approved by the Board.

The Diversity Policy requires the Board to establish measurable objectives to assist the Company to achieve gender diversity and to assess the Company's progress in achieving these objectives.  The Remuneration and Nomination Committee will report to the Board on the Company's progress towards achieving its measurable objectives each year.  The Company has not yet adopted measurable objectives as it has only recently listed on the ASX and only employs 43 employees. However, the Board is considering adopting appropriate measurable objectives during the course of 2019 which will be disclosed in the 2019 Corporate Governance Statement.  The respective proportions of men and women on the Board, in senior executive positions (defined as all senior executives that report directly to the CEO) and across the whole organisation are as follows:    Male (%)   Female (%)
1.6	Companies should:  (a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and	Yes	Under the Board Charter, the Board is required, at least once per year, with the advice and assistance of the Remuneration and Nomination Committee, to review and evaluate the performance of the Board, its Committees and individual directors against the relevant charters, corporate governance policies, and agreed goals and objectives (as applicable).  The Board did not undertake such evaluations during the Reporting Period. The Board will undertake an evaluation of the Board, its committees and

2.1	The (a)	have a nomination committee which:  (i) has at least three members, a majority of whom are independent directors; and  (ii) is chaired by an Independent director, and disclose:  (iii) the charter of the committee;  (iv) the members of the committee; and  (v) as at the end of each Reporting Period, the number of times the committee met throughout	No in respect of 2.1(a)(i)  Yes in respect of other guidelines	The Board has established a Remuneration and Nomination Committee to oversee the selection and appointment practices of the Company.  The Remuneration and Nomination Committee is governed by a Remuneration and Nomination Committee Charter, which is available on the Company's website at <a href="www.pivotalsys.com/investors/">www.pivotalsys.com/investors/</a> .  The Remuneration and Nomination Committee consists of four members, Peter McGregor (Chair), Ryan Benton, Kevin Landis and David Michael, all of whom are non-executive directors. Half of the committee, being Peter McGregor and Ryan Benton, are considered to be independent directors. The Board is mindful of the recommendation that the Remuneration and Nomination Committee be comprised of a majority of members whom are independent directors and will continue to take this into consideration when considering future membership. Notwithstanding this, the Board is satisfied that the current composition of directors is appropriate for the Company's circumstances.  During the Reporting Period, the Remuneration and Nomination Committee was chaired by Ryan Benton from 2 July 2018 to 23 August 2018 and by Peter

Director independence is initially assessed upon each director's appointment and reviewed each year, or as required when a new personal interest or conflict of interest is disclosed. Directors are required to disclose all actual or potential conflicts of interest on an ongoing basis.  Ryan Benton and Peter McGregor are the only directors considered by the Board to be independent.  John Hoffman is not considered to be independent due to his executive role as CEO with the Company.  Dr. Joseph Monkowski is not considered independent due to his executive role as Chief Technology Officer with the Company.  Kevin Landis is not considered independent due to his position as the CEO and CIO of Firsthand Capital Management, the investment adviser to Firsthand Technology Value Fund, Inc (Firsthand), which is a substantial shareholder of the Company. Kevin Landis is also the nominee director of Firsthand appointed to the Pivotal Board.  David Michael is not considered independent due to his position as the Managing Partner of Anzu Partners, an investment partnership which is a substantial shareholder of the Company. In addition, in the three years prior to the Company listing on the ASX, David Michael has also been a nominee director of Anzu Partners appointed to the Pivotal Board.  The length of service of each director on the Board is as follows:  John Hoffman: 30 May 2008 - present

2.4	A majority of the board should be independent directors	No	The Company has six directors and two are considered independent.  The Board believes that the current mix of directors is appropriate for the Company's business and circumstances and is in the best interests of shareholders as a whole. Further, the Board believes that, the Board as a whole is not hindered in its ability to exercise independent view and judgement.  The Board is mindful of the recommendation that a majority of the Board should be independent directors and will continue to take this into consideration when considering the future nomination, election or re-election of directors to the Board.
2.5	The chair of the board should be an independent director and, in particular, should not be the same person as the CEO.	No	The Chairman of the Board is John Hoffman. John Hoffman is not considered to be an independent director.  The role of CEO is also held by John Hoffman.  The Board is mindful of the recommendation that the chair of the Board should be an independent director and should not be the same person as the CEO. The Board will continue to take this into consideration when considering the future nomination of the Chair of the Board. However, the Board believes John Hoffman's exercise of these two roles is appropriate for the Company's business and circumstances and is in the best interests of shareholders as whole.
2.6	Companies should have a program for inducting new directors and provide appropriate professional development opportunities for directors to develop and maintain the skills	Yes

	and knowledge needed to perform their role as directors effectively.		The Company's Remuneration and Nomination Committee is responsible for establishing and facilitating induction for new directors and providing new directors with all such information and advice which may be considered necessary or desirable for the director to commence their appointment to the Board.
			Following his appointment in August 2018, Mr McGregor received an appropriate induction which included meeting with other directors and senior management and being provided access to relevant documentation to his position as independent non-executive director of the Company.
			The Company's Remuneration and Nomination Committee is also responsible for providing directors with access to continuing education for directors for the purpose of updating and maintaining their skills and knowledge to perform their roles as directors effectively. This may include inviting directors to have access to and meet with members of management, attend site visits and hear from external consultants and industry professionals on matters that may assist the Board.
			The committee has not set a continuing education program however it is expected to consider this during 2019.
