Wiseway is fully accredited as a Regulated Air Cargo Agent by the Department of Home Affairs

HIGHLIGHTS:

- **Wiseway receives EACE Notice from the Department of Home Affairs effective immediately**
- **Wiseway to commence scanning of outbound air cargo in time for new regulations that take effect 1 March 2019**
- **Expected to drive revenue growth and improved margins**

Wiseway Group Limited (Wiseway) is pleased to announce that late yesterday it was notified by the Department of Home Affairs that it has received Enhanced Air Cargo Examination (EACE) Notice.

Yesterday, Wiseway announced, as part of its first half results announcement, that it had been designated as a Regulated Air Cargo Agent (RACA) the first step in the process to allowing Wiseway to scan and examine outbound air cargo, which will be mandatory for all outbound air cargo from 1 March 2019. The EACE Notice is the final step in clearing Wiseway to undertake scanning and examination of outbound air cargo.

Wiseway Co-Founder and CEO Mr Roger Tong, said: "This is exciting news for Wiseway and to receive it on the day of our first results announcement as a listed company! We have worked hard and under tight time constraints to put all the infrastructure and operating systems in place to, firstly become a RACA and now obtain the critical EACE Notice ahead of the 1 March implementation date. Being able to scan and examine our own outbound air cargo, as well as offering the service to others, is a critical contributor to driving top line growth, incremental revenue and improved margins in the second half."
