### **ANO Formal Price Query Response**

The share price fluctuations were the results of daily turnover of a fraction of 1% of the number of shares on issue.

The Board of ANO are not aware of any circumstances leading to the change in the price of ANO's securities. The Board is not aware of any information given by investment groups or on social media platforms relating to the ANO share price increase. There is no new agreements being negotiated and there has been no trading involving any entities of any of the Directors or Officers. ANO confirms we are complying with the Listing Rules, in particular, Listing Rule 3.1. ANO's current trading results for Q3 FY19 are in line with our previous announcements, in particular the Investor Presentation Update dated 21 February 2019. We will provide an update on our progress at the end of the March quarter.

On behalf of the Board, I apologise for the inability to explain the rapid increase in our share price.

Dear Mr Acton

### **Advance Nanotek Limited ('ANO'): Price Query**

We note the change in the price of ANO's securities from a close of \$2.03 on 28 February 2019 to a high of \$4.02 today, with share prices trading up 14% today at the time of writing.

### **Request for Information**

In light of this, ASX asks ANO to respond separately to each of the following questions and requests for information:

1. Is ANO aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?
2. If the answer to question 1 is "yes".
  - (a) Is ANO relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in ANO's securities would suggest to ASX that such information may have ceased to be confidential and therefore ANO may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.
  - (b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).
  - (c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?
3. If the answer to question 1 is "no", is there any other explanation that ANO may have for the recent trading in its securities?
4. Please confirm that ANO is complying with the Listing Rules and, in particular, Listing Rule 3.1.
5. Please confirm that ANO's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of ANO with delegated authority from the board to respond to ASX on disclosure matters.

### **Listing Rules 3.1 and 3.1A**

Listing Rule 3.1 requires a listed entity to give ASX immediately any information concerning it that a reasonable person would expect to have a material effect on the price or value of the entity’s securities. Exceptions to this requirement are set out in Listing Rule 3.1A. In responding to this letter, you should have regard to ANO’s obligations under Listing Rules 3.1 and 3.1A and also to Guidance *Note 8 Continuous Disclosure: Listing Rules 3.1 – 3.1B*. It should be noted that ANO’s obligation to disclose information under Listing Rule 3.1 is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

### **Trading halt**

If you are unable to respond to this letter by the time specified above, or if the answer to question 1 is “yes” and an announcement cannot be made immediately, you should discuss with us whether it is appropriate to request a trading halt in ANO’s securities under Listing Rule 17.1. If you wish a trading halt, you must tell us:

- the reasons for the trading halt;
- how long you want the trading halt to last;
- the event you expect to happen that will end the trading halt;
- that you are not aware of any reason why the trading halt should not be granted; and
- any other information necessary to inform the market about the trading halt, or that we ask for.

We may require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted.

You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.

### **Suspension**

If you are unable to respond to this letter by the time specified above ASX will likely suspend trading in ANO’s securities under Listing Rule 17.3.
