Arrow Electronics and Freelancer.com Launch World's Largest Electronics & Electrical Engineering Services Marketplace, Revolutionizing How Hardware Products Get Designed & Manufactured

Matt Barrie

Chief Executive Officer

investor@freelancer.com

Guides innovation for over 200,000 leading technology manufacturers and service providers

Arrow Electronics (NYSE:ARW)

Ranked #113 in 2018 Fortune 500 with revenue of US\$30 billion

Brings to the alliance a large volume of high quality, high value projects, from established companies with a real demand for innovation and talent

Arrow has built a proprietary Certified Engineering (ACES) network that is a key differentiator in helping its customers win with technology

The new platform **ArrowPlus** powered by **Freelancer** is designed to solve sophisticated technology problems spanning consumer electronics, transportation, healthcare, industrial, Internet of Things (IoT), telecommunications, biomedical, cloud security, firmware, hardware, and connected products in every industry

The world's best expertise in global services marketplaces: 32m+ users and 15m+ jobs in 1,350+ skill areas

Brings to the collaboration the platform and the world's best expertise in running global online services marketplaces, allowing Arrow to transform its services business into a dynamic, connected talent cloud

Will operate **ArrowPlus** powered by **Freelancer** including engineering, payments & support

5.0 ★★★★★

“We anticipate in the future that up to 30% of R&D spend could leverage a model where Arrow provides a technical concierge and project management to a vast network of high-end engineering talent”

Matt Anderson,
Chief Digital Officer & President
Arrow Electronics, Inc.

ArrowPlus powered by Freelancer will transform the way products will be designed, manufactured and delivered to market

Together, the exclusive strategic alliance is an unprecedented category definer for how hardware products are designed and electronics & electrical engineering services are delivered

500,000+ Specialized Engineers On-Demand

Post a technology project or task and get matched with your engineer within 24 hours.

[Find an Engineer](#) [I am an Engineer](#)

Need engineering work done?

It's easy. Simply post a job you need completed and receive competition from engineers within minutes.

Whatever your needs, there will be engineers to get it done: from hardware design, firmware development, embedded systems, FPGA design, manufacturing, and BOM services (and a whole lot more).

With secure payments and thousands of reviewed professionals to choose from, freelancer.arrow.com is the simplest and safest way to get work done.

Reduce time to market and cost

Choose a name for your engineering project

i.MX6 based IoT Gateway

Tell us more about your project

Start with a bit about yourself or your engineering project, and include an overview of what you need done.

IoT gateway based on i.MX6 microprocessor. Must have connectivity to edge devices via WiFi and ZigBee PRO HA 1.2. Need to connect to WAN via Ethernet or WiFi. Must include Linux BSP. Support local display via HDMI. Include android and IOS application for control.

Where do you want to post your project?

Arrow
Post your project only on freelancer.arrow.com. Your project will be seen by engineers in the Arrow marketplace.

Arrow + Freelancer.com
Post your project on Freelancer.com and freelancer.arrow.com. Your project will be publically listed on the Freelancer and Arrow marketplace.

These details will be visible to Engineers.

500,000+ skilled engineers on-demand

The full lifecycle of hardware product development:

- Ideation & prototyping
- Analog & digital design
- Printed circuit board design
- Bill of Materials (BOM) part selection
- Custom requirements to product delivery
- Component consolidation and cost reduction
- Redesign for smaller size
- Documentation & translation
- Development of firmware, drivers & middleware
- Real-time embedded software development
- Integrated circuit design
- Manufacturing

Industrial 4.0 Cyber Physical Systems

Details

Contract Fine Print

- Freelancer has built a co-branded marketplace for Arrow Electronics. Our platform makes it easy for OEMs to post engineering projects, hire engineers, order components and manufacture from a single location.
- After the first six months from launch, there is a minimum volume commitment of US\$3.6 million GMV per annum at a Take Rate to Freelancer of 13%.
- The term of the agreement is 3 years and will automatically renew for successive one year terms unless notice is given within 90 days of the end of the period.
- Arrow has the right to terminate the contract with 60 days written notice.

Freelancer Enterprise

Arrow Electronics is the first commercial enterprise customer (MSA) from Freelancer Enterprise

Our customer pipeline includes Fortune 500 customers in the areas of aerospace, electronics, telecommunications, technology, pharmaceuticals, professional services and consumer goods. Our pipeline also spans North America, Europe, Asia-Pacific and Latin America.

More to come in 2019.

Important Notice and Disclaimer

This presentation has been prepared by Freelancer Limited (ACN 141 959 042) (**Freelancer** or the **Company**). The information contained in this presentation is current at the date of this presentation. The information is a summary overview of the current activities of the Company and does not purport to be all inclusive or to contain all the information that a prospective investor may require in evaluating a possible investment. This presentation is for general information purposes and is not intended to be and does not constitute a prospectus, product disclosure statement, pathfinder document or other disclosure document for the purposes of the Corporations Act 2001 (Cth) (**Corporations Act**) and has not been, and is not required to be, lodged with the Australian Securities & Investments Commission. The material contained in this presentation is not, and should not be considered as, financial product or investment advice. This presentation is not (and nothing in it should be construed as) an offer, invitation, solicitation or recommendation with respect to the subscription for, purchase or sale of any security in any jurisdiction, and neither this document nor anything in it shall form the basis of any contract or commitment. This presentation is not intended to be relied upon as advice to investors or potential investors and does not take into account the investment objectives, financial situation or needs of any particular investor which need to be considered, with or without professional advice, when deciding whether or not an investment is appropriate.

This presentation contains information as to past performance of the Company. Such information is given for illustrative purposes only, and is not – and should not be relied upon as – an indication of future performance of the Company. The historical information in this presentation is, or is based upon, information contained in previous announcements made by the Company to the market.

Forward looking statements

This document contains certain "forward-looking statements". The words "anticipate", "believe", "expect", "project", "forecast", "estimate", "outlook", "upside", "likely", "intend", "should", "could", "may", "target", "plan" and other similar expressions are intended to identify forward-looking statements. Indications of, and guidance on, future earnings and financial position and performance, including Freelancer's FY19 outlook, are also forward-looking statements, as are statements regarding Freelancer's plans and strategies and the development of the market.

Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of Freelancer, which may cause actual results to differ materially from those expressed or implied in such statements.

Freelancer cannot give any assurance or guarantee that the assumptions upon which management based its forward-looking statements will prove to be correct or exhaustive beyond the date of its making, or that Freelancer's business and operations will not be affected by other factors not currently foreseeable by management or beyond its control. Such forward-looking statements only speak as at the date of this announcement and Freelancer assumes no obligation to update such information. The release, publication or distribution of this presentation in jurisdictions outside Australia may be restricted by law. Any failure to comply with such restrictions may constitute a violation of applicable securities laws.

Non-IFRS information

This presentation includes certain financial measures that are not recognised under Australian Accounting Standards (**AAS**) or International Financial Reporting Standards (**IFRS**). Such non-IFRS financial measures do not have a standardised meaning prescribed by AAS or IFRS and may not be comparable to similarly titled measures presented by other entities, and should not be construed as an alternative to other financial measures determined in accordance with AAS or IFRS. The information is presented to assist in making appropriate comparisons with prior periods and to assess the operating performance of the business. Freelancer uses these measures to assess the performance of the business and believes that information is useful to investors. Gross Payment Volume, EBITDA, and EBIT have not been audited or reviewed. Recipients are cautioned not to place undue reliance on any non-IFRS financial measures included in this presentation.

All references to dollars are to Australian currency unless otherwise stated.

To the maximum extent permitted by law, Freelancer makes no representation or warranty (express or implied) as to the accuracy, reliability or completeness of any information contained in this document. To the maximum extent permitted by law, Freelancer shall have no liability (including liability to any person by reason of negligence or negligent misrepresentation) for any statements, opinions or information (express or implied), arising out of, contained in or derived from, or for any omissions from this document, except liability under statute that cannot be excluded.
